Foundation For Success in Young Men

Academically focused, dedicated to success in school and activities, and striving to give back to his community – all are the hallmarks of a Dayton Boys Preparatory Academy student. Register today and learn how this unique single-gender school serving grades pre-kindergarten through eighth provides an education that is tailored specifically to the needs of the young male learner.

- Staff trained in best practices on how your child understands and absorbs knowledge
- Curriculum and school activities focusing on college readiness
- Strong after-school activities in academics, music and sports

Dayton Boys Preparatory Academy students...

- Receive Montgomery County College Promise Scholarships, which provide mentorships, as well as money for tuition and expenses in college
- Are members in both Wright STEPP and Sinclair College Young Scholars programs
- Perform community service projects throughout the year
- Are taught citizenship and how their actions and attitudes impact both them and the world around them

Extracurricular Opportunities

In molding the well-rounded student, Dayton Boys Preparatory Academy offers a host of before- and after-school activities and programs, including:

- Drumline (which has performed at Ponitz CTC and Central State University games)
- Choir (which has performed at Mary Scott Nursing Home and DPS events)
- Art Club (members have won local poster contests)
- Stock Market Club
- Robotics Club
- Debate team
- Intramural sports
- Morning announcements (WDBS)
- World-class in-school art gallery, featuring Dayton history

“I love this school – the guidelines, focus of responsibility and what they’re trying to instill in these boys. All of the teachers have played a big role in my boys’ time here. I feel the curriculum is set up for boys to succeed.”

– Taiesha Green, Mother

“Less than our best is failure.”
