The purpose of the Dayton Public Schools McKinney-Vento Homeless Education Program is to ensure that all children and youths have equal access to the same free and appropriate public education, including preschool education as non-homeless children and youths. This document provides guidance to parents, staff, community agencies, and concerned individuals with understanding and implementing the requirements of the McKinney-Vento Homeless Assistance Act.

Introduction

The purpose of this information is to provide awareness of the homeless children and youths that Dayton Public Schools (DPS) district identify and service. The district McKinney-Vento Homeless Education Liaison and Outreach Specialist in collaboration with homeless shelters, rapid re-housing programs, unaccompanied youth, school staff, parents, charter schools and community agencies identify and remove educational related barriers. Through this collaboration, our homeless students receive services during the regular school day, after school and during the summer.

The goal of the McKinney-Vento Program (MVP) is to ensure that displaced children and youths are not recognized by peers in their respective schools as a result of being homeless - but rather viewed as all other students. School supplies and materials, free school meals, enrollment assistance, waived school fees, medical/dental/vision referrals, housing referrals, school of origin transportation, outside agency resources, book bags, wellness visits, daily bus passes, college readiness/alternative pathway discovery and advocacy are a few of the services provided for this population.

During the 2018-2019 school year over 1000 displaced children and youths ages 0-21 were identified. All DPS school buildings at some point during the school year were responsible for educating homeless children and youth. Listed below are those children located within the DPS district that were identified by grade band.

* All students do not attend DPS but are in the DPS school district.

The McKinney-Vento Program currently receives federal funding to support student academic needs, school materials and intervention activities for homeless children and youths. Donated funds can be directed toward the purchase of school uniforms, holiday items and/or field trip admissions. If you would like to make a monetary donation there is a special donation account maintained by district’s budget department. Gift cards are always a wonderful idea. You may call (937) 542-3295 if you would like more information on how to make a donation or volunteer.

Please continue reading this information booklet to gain additional awareness about the district’s McKinney-Vento Homeless Education Program and resources available to assist these students and their families. The term homeless and displaced will be used interchangeably throughout this booklet.
McKinney-Vento Homeless Assistance Act
Overview

The McKinney-Vento Homeless Assistance Act (MVHAA) was originally passed in 1987. It was reauthorized December 2015 by the Every Student Succeeds Act (ESSA). Amendments went into effect October 1, 2016. State Educational Agencies (SEAs) and Local Educational Agencies (LEAs) must ensure that homeless child and youth have equal access to the same free, appropriate public education, including a public preschool education, as other children and youths. Every LEA must designate a McKinney-Vento liaison able to carry out his/her legal duties. Listed below are some of the McKinney-Vento (MV) liaison responsibilities:

- Ensure that homeless students are identified and immediately enroll in school with full and equal opportunity to succeed.
- Ensure identification of students are a part of all LEA needs assessments and school improvement plans.
- Ensure that public notice of MV rights is disseminated in locations frequented by parents, guardians, and unaccompanied youth, in an understandable manner.
- Ensure preschool-aged homeless children and their families have access to and receive services, if eligible, under LEA-administered preschool programs, including Head Start, Part C of the Individuals with Disabilities Education Act (IDEA) (Early Intervention Program for Infants and Toddlers with Disabilities), and other preschool programs administered by the LEA.
- Participate in professional development and technical assistance as determined appropriate by the State Coordinator.
- Ensure that school personnel providing MV services receive professional development and other support.
- Ensure that children, youth and families receive referrals to health care, dental, mental health, substance abuse, housing and other services.
- Ensure that disputes are resolved and assistance to access transportation is provided.
- Ensure that unaccompanied youth are enrolled in school and that a process is in place for high school unaccompanied youth to receive credit for full or partial coursework satisfactorily completed at a prior school, in accordance with State, local, and school policies.
- Ensure that school stability, including transportation to school of origin for preschool children be provided until the end of the school year, even if a student becomes permanently housed.
- Affirm that students meet the Department of Housing and Urban Development (HUD) definition of homelessness, to qualify them for HUD homeless assistance programs.
- Affirm student status to qualify as an unaccompanied youth on the Free Application for Federal Student Aid (FAFSA).
- Collaborate with district administrators to review and revise school board policies that may serve as barriers for homeless children and youth.
Section 725(2) of the McKinney-Vento Act defines “homeless children and youths” as individuals who lack a fixed, regular, and adequate nighttime residence. The term includes -

- Children and youths who are:
  - sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason (sometimes referred to as “doubled-up”);
  - living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations;
  - living in a public or private place not designed for humans to live.;
  - living in emergency or transitional shelters;
  - abandoned in hospitals;
  - living in substandard housing; may be lacking one of the fundamental utilities such as water, electricity, or heat; is infested with vermin or mold; lack a basic functional part such as a working kitchen or a working toilet; or may present unreasonable dangers to adults, children, or persons with disabilities.
  - living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and
  - Migratory children who qualify as homeless because they are living in circumstances described above.

**SIMPLY ASK YOURSELF**

“Can the student go to the same place (fixed), every night (regular) to sleep in a safe and sufficient space (adequate)? If the answer is no, then the student may fit the definition of homelessness.
HOW THE HOMELESS LIAISON AND OUTREACH SPECIALIST CAN HELP?

The LEA’s local homeless liaison plays a key role in implementing the McKinney-Vento Act and supporting school administrators, educators, and personnel in their efforts to identify homeless children and youth and ensure that they are enrolled in school immediately, attend regularly, and succeed academically. The local liaison in your LEA will:

- Conduct outreach in the community to identify homeless children and youth, including displaying educational posters in places where homeless families are likely to go;
- Develop policies and procedures for serving homeless children and youth so that you will know when to make a referral and what services will be provided;
- Provide posters on the educational rights of homeless children and youth for display in your school;
- Provide you with awareness information and training on the needs of homeless children and youth and the requirements of the McKinney-Vento Act (provide training to the building point of contact, when appointed);
- Provide customized technical assistance on specific situations related to a homeless child or youth in your school;
- Provide information on effective practices in serving homeless children and youth;
- Revise LEA policies that pose barriers to the education of homeless children and youth;
- Facilitate the McKinney-Vento dispute resolution process when a disagreement occurs between the LEA or school and a homeless parent, guardian, or unaccompanied youth over eligibility, school enrollment, or school selection;
- Communicate with the State Coordinator to keep updated on laws, policies, and resources related to serving homeless children and youth, and communicate these to you;
- Collect data on homeless children and youth to provide to the state and U.S. Department of Education, and provide information on numbers and trends of homeless children and youth in the LEA;
- Coordinate with programs such as Title I, special education, health services, child nutrition, student enrollment, student services and transportation to ensure that homeless children and youth are linked with services expeditiously;
- Develop and maintain community collaborations and business partnerships to increase resources for homeless children and youth to make referrals for services, such as health care, dental services, mental health and substance abuse assistance, housing and preschool;
- Identify local clinics, physicians, dentists, eye doctors, and psychological counselors who will treat homeless families and unaccompanied youth at low or no cost;
- Arrange with local clinics or physicians to provide physicals for school sports participation;
- Assist high school students with college readiness or alternative pathways.
Defining Frequently Used Terms

Unaccompanied - include youth ages 0 - 21 not in the physical custody of a parent or guardian. This would include youth living in runaway shelters, abandoned buildings, cars, on the streets, or in other inadequate housing. Some of these children or youths are simply denied housing by their families. These children and youth have the same rights as other students experiencing homelessness to enroll, attend, and succeed in public schools. The primary causes of homelessness among unaccompanied youth are physical and sexual abuse by a parent or guardian, neglect, sexual orientation, parental substance abuse, and family conflict.

Children and youth seeking temporary shelter with family, friends and relatives are considered homeless, even if their parents have provided and are willing to provide a home for them.

Doubled up/shared housing - children and youths who are sharing the housing of other persons (family/friends) due to loss of housing, economic hardship, or similar reasons. Usually these families are in jeopardy of losing this temporary living situation at anytime. They are not on the lease/mortgage and household living items are not accompanying the family. If these families were not allowed to stay with family/friends they would possibly be in shelters, cars, or motels.

Emergency shelter - is a place for people to live temporarily when they cannot live in their previous residence. These shelters typically specialize in people fleeing a specific type of situation, such as natural or man-made disasters, eviction, domestic violence, or victims of sexual abuse, etc. People staying in emergency shelters are more likely to stay all day, except for work, school, or errands.

Transitional housing programs - provide temporary residence—up to 24 months—for people experiencing homelessness. Housing is combined with wrap-around services to assist the individual with developing stability in their lives.

Permanent supportive housing - is decent, safe, affordable, community-based housing that provides tenants with the rights of tenancy and links to voluntary and flexible supports and services for people with disabilities who are experiencing homelessness. Permanent supportive housing is a proven, effective means of reintegrating chronically homeless and other highly vulnerable homeless families and individuals with psychiatric disabilities or chronic health challenges into the community by addressing their basic needs for housing and providing ongoing support.

Chronically homeless - adults has experienced homelessness for a year or longer, or who has experienced at least four episodes of homelessness in the last three years and has a disability.
Every state is required to have a coordinator for the education of homeless children and youth, and every school district is required to have a liaison for homeless students. The word “homeless” conjures up stereotypical images of adults, not children or youth in classrooms. Families and students who are homeless may not think of themselves as “homeless” because of the stigma. Therefore, outreach posters and materials placed in shelters, churches, recreation centers, campgrounds, motels, and public housing projects should describe the symptoms of homelessness rather than simply refer to a person’s “homeless” status.

All homeless students have the right to be free from segregation, isolation, and stigmatization. Homeless children and youth have access to the education and other services that ensure them the opportunity to meet the same challenging state student academic achievement standards to which all students are held.

Children and youth in homeless situations are difficult to identify for many reasons and often go unnoticed by school personnel. Students and parents may try to hide their situation because they are embarrassed by their homelessness. In addition, the fear of having children taken away often prevents families from informing school officials of their living circumstances.

**Title I:** Among students at risk of school failure are children and youth experiencing homelessness. Students who are homeless are automatically eligible for Title I services, regardless of their academic performance. Funds set aside by Title I can be used to meet basic needs of students experiencing homelessness (transportation to school, supplies, psychological, health and dental) so that they may participate more fully in school. These funds may also be used for parent involvement that makes a special effort to reach out to parents in homeless situations. You may reach a Title I Coordinator (937) 542-3333.

**School Enrollment:** Children and youth experiencing homelessness often do not have the documents ordinarily required for school enrollment. McKinney-Vento requires public schools to immediately enroll students experiencing homelessness even when lacking proof of residency, guardianship, birth certificates, school records or other documents, immunization, and dress code items. Attending school may be the only opportunity for homeless children and youth to benefit from a stable environment, uninterrupted adult attention, peer relationships, academic stimulation, and reliable meals. Immediate enrollment for children and youth experiencing homelessness provide stability and avoid separating children from school for days and/or weeks while documents are located. The liaison must ensure that homeless students are enrolled promptly. You may contact the Student Enrollment Center at (937) 542-5555.
School Selection: Changing schools greatly impede students’ academic and social growth. Highly mobile students have been found to have lower test scores and overall academic performance than peers who do not change schools. Therefore, the law requires school districts to keep homeless students in their schools of origin unless it is against the parent or guardian’s wishes. Students are also permitted to remain in the schools of origin for the duration of their homelessness or the completion the academic school year. The resulting educational stability will enhance students’ academic and social growth, while permitting schools to benefit from the increased test scores and achievement shown to result from student continuity.

Transportation: The district must provide transportation from the student’s temporary residence to the student’s assigned school. Included in transportation is preschool school of origin. Students may continue attending their school of origin even while temporarily displaced outside the school district. The Local Education Agency (LEA) of origin and the LEA in which the student is living must agree upon a method to apportion responsibility and costs for transportation to and from the school of origin. If the LEAs cannot agree upon such a method, the responsibility and costs must be shared equally. Parents may be provided school transfer options based on the district’s prevailing policies and procedures. If new to the district, parents will be provided the same student assignment options available for non-homeless students. If transportation does not arrive at the designated pickup or drop off point contact the transportation department at (937) 542-4010.

Fee Waiver – Ohio Revised Code – McKinney-Vento 3313.642 Materials for course of instruction. (B) No board of education of a school district shall charge a fee to a pupil who is eligible for a free lunch under the “National School Lunch Act,” 60 Stat. 230 (1946), 42 U.S.C. 1751, as amended, and the “Child Nutrition Act of 1966,” 80 Stat. 885, 42 U.S. C. 1771, as amended for any materials needed to enable the pupil to participate fully in a course of instruction. The prohibition in this division against charging a fee does not apply to any fee charged for any materials needed to enable a pupil to participate fully in extracurricular activities or in any pupil enrichment program that is not a course of instruction.
EDUCATIONAL AND
PARENT INVOLVEMENT OPPORTUNITIES

Children Learning After-School (C.L.A.S.) is the district’s McKinney-Vento Homework Assistance Program located within the temporary/transitional shelters to assist homeless children and youth with academic enrichment. The after-school services are offered Monday through Thursday, 4:00 p.m. – 6:00 p.m., grades K-12, with assistance provided by DPS certified teachers. Students attending the program receive a reading assessment in an effort to provide appropriate services. However, in many instances these children and youths are unable to be located and may not receive a post assessment to measure growth. (937) 542-3295

McKinney-Vento Quarterly Advisory Committee Meetings: These meetings bring community agencies, school/administrative staff, parents and resources together in an effort to share information, voice issues and concerns regarding the homeless population. (937) 542-3295

CommUnity Outreach & Student Activities: Aim to enrich learning and preparing our students to be active global citizens by engaging them in service activities that enhance the quality of life for others and themselves. The belief is that the success of the student is factored by the parent/family, the educator, and the community. (937) 542-3282

Title I Parent Involvement: Title I Parent and Family Engagement includes offering programs and activities to involve parents and family members, and seek consultation with parents by:

- Developing a Parent and Family Engagement Policy with the involvement of parents at the school level;
- Holding an annual Title I meeting for families to explain Title I programming and the rights of parents at each school;
- Developing a school-parent compact that outlines how parents, students, and school staff will share the responsibility for improving student achievement and how parents and teachers will communicate at each school;
- Building capacity for involvement at the school level by identifying a Title I Parent Advisory Council (PAC) representative, who is parent/guardian of child enrolled at the school where they serve. (937) 542-3333

Males of Color: Provides a strong African American male presence with a Restorative Passage and Rites of Passage. Males of Color promotes continued education while addressing issues affecting academic performance through social emotional supports. This department provides professional development for teachers and staff, strengthens collaborations with educators and legislators through education advocacy; and cooperation. (937) 542-3268
EDUCATIONAL AND PARENT INVOLVEMENT OPPORTUNITIES (continued)

Diversity and Inclusion: Recruit, hire and retain teachers/administrators and staff of color; Increase cultural awareness of all students, teachers, administrators and staff; Increase community engagement and parental involvement; and increase student engagement and learning opportunities to emphasize the value and importance of the participation of diverse students in all curricular and extracurricular activities. (937) 542-3535

Department of English Learners: Students whose home or native language is other than English, and whose current limitations in the ability to understand, speak, read or write English impact their effective participation in their school education programs. Dayton Public Schools serves about 1100 English Learners students in 24 schools. Students come from a diverse background of over 32 languages and more than 46 countries. Services include: identification, assessment, special programming, staff training, parent notification and progress monitoring. (937) 542-3042

Athletics Department: Build on the concept of “family.” Administrators, coaches, and officials are stakeholders when it comes to producing quality student-athletes. Electing to participate in interscholastic athletics, helps in developing strength of character through increased responsibilities, goal setting, problem solving, hard work and team work. If you are temporarily displaced, you still are eligible to participate in sports as long as all other requirements are met. Transportation, uniform and equipment assistance is available for displaced students. (937) 542-4070

Career Technical Education: Establishes pathways to careers, prepares students for college and focuses on hand-on learning. All students who are successful in high school Career Tech programs earn a $3000 scholarship to Sinclair. Students have the opportunity to earn college credits. (937) 542-3534

Disciplinary Advocate Opportunities: As a parent/legal guardian/custodian your voice is important in the disciplinary process that directly affects your student. You have the parental right to attend suspension/expulsion hearings and advocate for your student. The district disciplinary process involves effective discipline that provides consistently used preventive programs, appropriate interventions, and logical consequences for behavior which result in long-term positive behavior change. The McKinney-Vento liaison is available to attend and advocate at hearings upon a request by the parent/legal guardian/custodian, administrator or unaccompanied youth. Students facing disciplinary actions could receive:

- Suspension/Expulsion
- Assigned to Dayton Digital alternative program in lieu of expulsion
- Return to School
Upon identifying that a student is homeless:

- The parent(s), guardian(s), or unaccompanied youth immediately has the opportunity to meet with the district liaison or outreach specialist to discuss the school assignment and family needs.
- If the student will be attending a school that requires uniforms, every available resource will be contacted to ensure that the student arrives to school with the appropriate uniform.
- Grade appropriate school supplies and book bags are provided to each student.
- In collaboration with the district’s transportation department, bus scheduling is usually obtained within twenty-four (24) hours.
- School, lab and graduation fees may be waived upon identification.
- The school principals, teachers, nurses, and secretary are immediately notified when a homeless student is identified or assigned to their building. This provides the school personnel the opportunity to quickly assess and meet the needs of the DPS homeless children and youth.
- Information regarding after school homework assistance and summer programs are provided to the parent(s)/guardian(s).
- College Readiness/Alternative Pathway sessions are held with high school counselors, student and liaison.
- Daily bus passes may be provided to parents for transportation to conferences, schools and academic and parent involvement activities.
- Information is provided regarding rights of homeless parents, children and youth.
- Parents(s)/guardian(s) unaccompanied youth are provided a copy of the DPS McKinney-Vento Homeless Act Information Booklet and ODE pamphlet.
- Referrals are made for families that are at risk of becoming homeless to the Dayton Area Family Stability Program for housing possibilities, case management and additional community resources.
- All DPS staff are mandated to complete online McKinney-Vento Professional Development Training.
- High school students can receive guidance on completing the Free Application for Federal Student Aid (FAFSA) and receive a letter of homelessness to ensure independent status and not be required to provide parent/guardian financial information.
- The liaison can provide a letter to the Greater Dayton Premier Management (formerly DMHA) for the client to receive additional consideration on their HUD application.
- Wellness visits may be made at the school/home/shelter/motel to ensure necessary academic and transportation resources are in place.
How Can School Staff, Administrators, and Others Help Our Homeless Children and Youth?

Suggestions for removing barriers and boosting the academic success of homeless children and youth are listed below. Although a community may not recognize a large scale homeless population at present, homeless populations can often shift among district, cities, and states. These ideas will help us respond effectively.

- Learn about homeless issues in the community.
- Become familiar with the location of local shelters.
- Provide training opportunities for building administrators and staff to recognize possible signs of homelessness and the approach that should be taken with a student experiencing homelessness.
- Understand the definition of homelessness and that many homeless children and youth may not live in shelters, but in motels, “doubled-up” with friends or relatives.
- Designate a building staff person to be the key contact person for families/children at risk of becoming homeless or currently experiencing homelessness.
- Know who your liaison and contact information. (Christine Pruitt 542-3304)
- Inform the homeless education liaison of concerns and needs you observe not being met for homeless children and youth.
- Contact parent(s)/guardian(s) in advance if they are required to pay for school trips or activities.
- Since not having a uniform doesn’t prevent a student from attending school, make uniforms available to homeless students to eliminate embarrassment.
- Adopt a family during the winter break holidays.
- Inform parents of parent involvement activities and other ways to be active at the school.
- Transportation services staff should be sensitive to the needs of homeless children and youth and alter bus routes to ensure that their place of residence remains private. Suggested practice is to make students at shelters the first pick up and last drop off.
- Know the possible signs of homelessness.
- Provide homeless student(s) access to washers, dryers and showers before or after the school day.

REMEMBER HOMELESSNESS CAN HAPPEN TO ANYONE?
for Parents

- Know and understand your rights pertaining to homelessness.

- Keep copies of critical records such as immunizations, Social Security Number, health physicals, and individualized education programs (IEPs). Ask someone you trust to keep a set of records for you if your current living arrangements are difficult.

- During enrollment or going into shelter, ask important questions:
  - Is transportation available for my child(ren) to stay in the same school?
  - Will someone help us transfer records quickly when we move?
  - Is there a pre-school program?
  - Is there a summer program?
  - Are there any special classes that would benefit a talent my child(ren) has?
  - Should my child be tested for special education?
  - Are there sports, music or other activities in which my child can participate?
  - Can my child receive free meals at school?
  - How do I obtain school uniforms, if applicable?
  - Will my child be able to go on field trips even if we are unable to pay?
  - Are there after school tutoring programs available?

- Keep your school principal or designee informed of your housing status.

- Make contact with the district McKinney-Vento Liaison (937) 542-3304.

- Participate as much as possible in your child’s school and related activities.

- Make sure you update your information with the school once you locate housing.

- Talk with your child about entering a shelter before you arrive.

- Clearly state to the liaison, shelter and/or school administrator the needs of child(ren).

- Always provide school staff with a working and alternate contact phone number.

- Homelessness is not a reason for students not to attend school.

REMEMBER YOU ARE NOT ALONE, ASK QUESTIONS!
Possible Signs of Homelessness

These are some characteristics that could be attributed to students with other issues, as well as those students experiencing homelessness:

- Attendance at several schools during school year.
- Lack of records needed for enrollment.
- Gaps in academic skill development.
- Inappropriate dress for weather.
- Lack of immunizations and/or immunization records.
- Erratic attendance or tardiness.
- Inability to contact parents.
- Wearing the same clothes for several days.
- Lack of shower facility or washers to stay clean.
- Lack of basic school supplies.
- Concern for safety of belongings.
- Protective of parents.
- Anger or embarrassment when asked about current address.
- Avoidance of class field trips.
- More than one family at the same address.
- Attention-seeking behavior.
- Hunger and hoarding food.
- Poor hygiene and grooming.
- Sleeping in class.
- Withdrawn and hesitant to make friends.

Comments/Reactions/Statements by Parent(s), Guardian(s), or Child(ren)

- “I don’t remember the name of my previous school.”
- “We’ve been moving around a lot.”
- “We’re going through a bad time right now.”
- “Our address is new; I can’t remember it.”
- “We’re new to this area and don’t know our way around.”
- “I have to look in the car, I know it’s in there somewhere”
- “We have to get new clothing because of bed bugs.”
1. T – F  You must be staying at a shelter to be identified as being homeless.

2. T – F  When a student resides with an adult that is not the parent or legal guardian for housing purpose only, that student can't be identified as being homeless and can't register for school.

3. T – F  If a student identified as being homeless does not have appropriate enrollment documents (immunization, IEP, transcripts, etc), enrollment must still occur immediately.

4. T – F  The liaison can provide high school students with independent student verification for FAFSA application.

5. T – F  When a family secures permanent housing, students are eligible for McKinney-Vento services for the remainder of that school year.

6. T – F  A child is attending school in District A and loses housing due to non-payment of rent/mortgage. The child moves into a homeless shelter in a neighboring District B. The child has the right to continue school in the school he/she had been attending in District A.

7. T – F  There are less than 800 homeless children identified within Dayton Public Schools district annually.

8. T – F  The district’s homeless education liaison arranges transportation, monitors academics, attendance, and housing movement; provides school supplies; assists with school enrollment, makes health referrals, etc.

9. T – F  Homework assistance is offered at all the temporary housing shelters.

10. T – F  It is mandatory for Dayton Public Schools to offer a summer program for McKinney-Vento students.

11. T – F  A district has the right to refuse admission of a homeless student if the parent/guardian/caregiver can't provide proof of residence.

12. T – F  If a dispute arises concerning school selection or enrollment, the McKinney-Vento Act specifies that the child, parent or guardian shall be referred to the local educational agency liaison to resolve the dispute, but immediate enrollment must occur until dispute is settled.

Parents Important Documents

When transitioning from one household to another, please keep the following documents in a safe place or provide a family or friend with copies. These documents may be necessary for school enrollment, obtaining benefits, and other resources.

- School records (IEP, shots, etc.)
- Grades or report cards
- Test results
- Custody Documents
- Birth Certificates
- Shot records

When you move to a new location, remember to

- Try to plan your move at a time that will be the least disruptive to your child’s education, such as the end of the school year.
- Inform your child’s school of your plans to move.
- Discuss with your school district’s liaison for homeless education the feasibility of keeping your child in the school even if you move out of the school district.
- Enroll your child in school as soon as possible.
- Contact the school district’s liaison for homeless education in the new district.

Helpful Hints!

- Tell the school office that you are moving
- Allow your child to say good-bye to friends and teachers.
- Ask for a copy of your child’s school records (IEP, shots, etc.). If you can’t get a copy, ask the principal for a letter that summarizes your child’s stay at the school.

The letter should tell:
* Whether your child has had the required shots
* What grade your child is in
* Any important medical information
* If your child has been referred to or enrolled in any special programs.
* Any standardized test score results.
* Attempt to withdraw your student from school.

IF YOUR FAMILY LIVES IN ANY OF THE FOLLOWING SITUATIONS:

- In a shelter
- In a motel or campground due to the lack of an alternative adequate accommodation
- In a car, park, abandoned building, or bus or train station
- Doubled up with other people due to loss of housing or economic hardship

*Your school-age children may qualify for certain rights and protections under the federal McKinney-Vento Act.*

**Your eligible children have the right to:**

- Receive a free, appropriate public education.
- Enroll in school immediately, even if lacking documents normally required for enrollment.
- Enroll in school and attend classes while the school gathers needed documents.
- Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is your preference.
  
  *If the school district believes that the school you select is not in the best interest of your children, then the district must provide you with a written explanation of its position and inform you of your right to appeal its decision.*

- Receive transportation to and from the school of origin, if you request this.
- Receive educational services comparable to those provided to other students, according to your children's needs.

*If you believe your children may be eligible, contact the local liaison to find out what services and supports may be available. There also may be supports available for your preschool-age children.*
