2. Notification of the intent of the EIA to appeal a grievance to arbitration must be submitted in writing to the superintendent within seven (7) work days after the written answer was given by the superintendent under Level Three of the grievance procedure, otherwise the matter shall not be subject to arbitration. The EIA will request the Federal Mediation and Conciliation Service to provide the parties with a panel of arbitrators from which the parties can select an arbitrator in accordance with the rules of the FMCS. In the event the parties are unable to select an arbitrator from any list provided by the FMCS, the FMCS shall not have the authority to independently designate an arbitrator but shall furnish the parties additional lists until an arbitrator can be selected from a list furnished by the FMCS.

3. Neither party will be permitted to assert in any arbitration proceeding any ground or to rely on any evidence not previously fully disclosed to the other party.

4. The BOARD and the EIA shall equally share the fees and expenses of the arbitrator and any expenses incidental to the arbitration proceeding. Each, however, shall be responsible for the fees and expenses of its Representative.

5. Unless contrary to law, the decision of the arbitrator shall be final and binding upon the BOARD, the EIA, and any Licensed Educational Interpreter involved in the matter.

Bargaining unit members will not be laid off due to any sub-contractor during the term of this Agreement. The UNION and employer agree the first priority is to hire qualified candidates, not to hire contract employees.

10.06 The direct supervisor for each interpreter shall be communicated to each interpreter by September 1st each year.

10.07 Employees will be reimbursed for travel required of them to perform their duties in accordance with Board policy.

**ARTICLE TWELVE - SENIORITY**

12.01 **Definition of Seniority**

Seniority will mean the number of continuous years of service commencing with the latest date of employment, except as set forth herein. Service rendered beyond the normal work year of the Licensed Educational Interpreter will not be counted toward seniority.

12.02 **Accumulation of Seniority**

A Licensed Educational Interpreter who completes at least 120 days of interpreting under contract during a school year shall be credited with a year of seniority.

**Breaking of Seniority**

A Licensed Educational Interpreter on approved leave of absence will not be considered to have broken seniority during the time they were not on active working status. A layoff and time spent on disability retirement shall not be a break in seniority. An employee's seniority shall be broken upon resignation, permanent retirement or discharge.

12.04 **Seniority while on Leave**
When a Licensed Educational Interpreter is on any approved leave, their seniority shall not be broken. They shall accrue seniority on leaves if it so states in the leave section.

ARTICLE THIRTEEN - PERSONNEL RECORDS

13.01 Personnel File

The state Department of Education requests that certain personnel records be kept up-to-date and on file for reference at all times. All personnel records will be filed in the office designated by the superintendent on a current basis. These personnel records should include all of the pertinent and relevant data regarding employment of the Licensed Educational Interpreter.

13.02 Inclusion of Materials into the File

Each Licensed Educational Interpreter's official personnel file shall be maintained in the Personnel Services Department. A Licensed Educational Interpreter notified of the intent of the ADMINISTRATION to place any negative or adverse material in his/her personnel file and shall be provided the opportunity to read any such material prior to its being placed in such personnel file. Materials relating to a specific incident or occurrence must be placed in the personnel file within thirty (30) calendar days of the time of the ADMINISTRATION's awareness or the incident or occurrence. The Licensed Educational Interpreter shall acknowledge that (s)he has read the material by affixing his/her signature to the copy to be filed. If the Licensed Educational Interpreter fails or refuses to sign, such failure or refusal shall be noted on the material and it may be filed. Signature of a Licensed Educational Interpreter shall not indicate agreement with the content of the material, but indicates only that material has been inspected by the Licensed Educational Interpreter. The Licensed Educational Interpreter shall also have the opportunity to reply to such critical material in a written statement to be entered in the personnel file. Such reply must be presented to the Building Principal and Associate Director of the Related Services Department, who shall affix their signature thereto, acknowledging that the Building Principal and Associate Director of the Related Services Department have read the reply. Such signature shall not indicate agreement by the Building Principal or the Associate Director of the Related Services Department with the content of reply.

13.03 Anonymous Material

Anonymous letters or materials shall not be placed in a Licensed Educational Interpreter's file, nor shall they be made a matter of record.

13.04 Copies of Material in Personnel File

A Licensed Educational Interpreter shall be entitled to a copy, at the Licensed Educational Interpreter's expense, of any/all material in his/her personnel file. A Licensed Educational Interpreter may place letters of merit and commendation in his/her personnel file.
13.05 **Review of Personnel File**

A Licensed Educational Interpreter may periodically review his/her personnel file. Such review shall take place within a reasonable period of time after the request. A third party selected by the Licensed Educational Interpreter at the option of the Licensed Educational Interpreter may be present during such review. A representative of the ADMINISTRATION, at the option of the ADMINISTRATION, may also be present during such review.

13.06 **Confidentiality of Files**

At no time, nor under any circumstances, will the confidential files of any Licensed Educational Interpreter be opened to the public, with said “confidential files” being defined as medical files and documents containing personal banking information or other personally identifiable information that would not constitute a public record under Ohio law.

13.07 **Purging of Files**

Material once placed in a Licensed Educational Interpreters personnel file may be removed from such file by the mutual agreement of the Licensed Educational Interpreter and the Superintendent or his/her designee. All negative material will be removed from the file after 36 months, at the request of the Licensed Educational Interpreter if there has been no other record of occurrence in the file. Such material will also be removed if either a grievance contending that it was placed in the file without following the procedures of section 14.02 is sustained or a grievance contending that it is false is sustained.

**ARTICLE FOURTEEN - EMPLOYMENT, ASSIGNMENTS, REASSIGNMENTS AND PROMOTIONS**

14.01 **Limitation of Assignments and Probationary Period**

The EIA recognizes the statutory power at the BOARD to employ and the Superintendent to assign Licensed Educational Interpreters. The EIA also recognizes the implications of desegregation and the values of an integrated school system; therefore, the EIA encourages compliance with and supports affirmative action in this regard. The ADMINISTRATION's effectiveness is directly related to its ability to implement the principle of "best fit." to the degree that the ADMINISTRATION is able to match applicants to positions requiring the abilities and characteristics possessed by these applicants, only then will the ADMINISTRATION, and thus the schools, be functioning most effectively. The Educational Interpreter will serve a ninety (90) day probationary period. Upon successful completion of the probationary period the employee may only be removed by a Reduction in Force or termination for just cause.

14.02 **Transfer - General Provisions**

14.02.1 No new Licensed Educational Interpreter will be employed and placed in a specific position assignment until all transfer requests have been reviewed
and considered by the Human Resources Department unless the particular circumstances require an immediate assignment.

14.02.2 In the event a Licensed Educational Interpreter is transferred into a building under the provisions of this article and it later develops during the school year in which the transfer has been effected that a transfer from such building is necessary the Licensed Educational Interpreter who was transferred into the building shall not have the right to exercise system seniority against other Licensed Educational Interpreters assigned to the building.

14.02.3 The transfer procedures set forth in this article shall apply to vacancies created by terminations, death or disability, leaves, retirement, or new positions. The parties recognize that from time to time, the BOARD may institute magnet programs or implement completely new program initiatives.

14.03 **Voluntary Licensed Educational Interpreter Transfer**

14.03.1 Licensed Educational Interpreters who, for various reasons, wish to transfer to another building will be eligible to request and be considered for such move after completing and date-signing the necessary forms no later than May 1st. The Licensed Educational Interpreter applying for transfer will receive a written acknowledgment of receipt of the request from the Human Resources Department.

A Licensed Educational Interpreter requesting a transfer to another building will not be limited to a maximum number of applications, but the offer, acceptance or refusal of a position will automatically eliminate the Licensed Educational Interpreter from further consideration for the current school year, unless there is a mutual agreement between the Licensed Educational Interpreter and the ADMINISTRATION to reconsider the assignment.

14.03.2 The variables to be weighed in considering transfer requests include but are not limited to, specific professional competencies, experience racial balance, and seniority. Of these, seniority will be the most important consideration except where other variable(s) require greater consideration. If the most senior applicant does not receive the transfer he/she will be given the reasons in writing.

14.03.3 Requests for transfer applications will be kept until the end of first semester of the following school year after the May 1 submission. A Licensed Educational Interpreter may revoke the request for transfer at any time.

14.03.4 If an open position occurs during the first semester of a school year, it will be filled with a Licensed Educational Interpreter on a regular Interpreter's contract. If, however, an open position occurs during the second semester of a school year, the ADMINISTRATION may fill that position with a long term Licensed Substitute Educational Interpreter.
14.03.5 A Licensed Educational Interpreter will not be permitted a voluntary transfer more than once every two (2) years unless approved by the Superintendent.

14.04 Involuntary Transfer (Administration Initiated)

Involuntary transfer refers to an Administration initiated transfer, which has not been approved by the Licensed Educational Interpreter.

14.04.1 Involuntary Transfer Due to Cause

If a transfer of a Professional Staff Member due to cause is to be made during the course of the school year (except in the case of an emergency which requires immediate action as determined by the ADMINISTRATION), the concerned Licensed Educational Interpreter will be notified in writing thirty (30) days prior to the anticipated date of transfer. The Administration will identify the problem and discuss such problem with the Licensed Educational Interpreter involved.

The ADMINISTRATION may displace Licensed Educational Interpreters due to pupil enrollment, program reduction and/or staff realignment.

In determining which individual Licensed Educational Interpreter is to be displaced, the ADMINISTRATION shall consider the following: (a) areas of certification, (b) system seniority, (c) building seniority.

Before a Licensed Educational Interpreter is involuntarily transferred under this section, the ADMINISTRATION will consider voluntary transfer requests from the same building.

When a Licensed Educational Interpreter is to be displaced under this section (s) he shall have the right to displace a less senior Licensed Educational Interpreter in the building in which (s) he is being displaced, or if the program has been eliminated from the building (s) he shall have the right to displace a less senior Licensed Educational Interpreter in any other building for which (s) he holds certification to do that job.

A Licensed Educational Interpreter to be displaced under this section will be given at least three (3) work days’ notice before the transfer is to become effective unless the Licensed Educational Interpreter waives right to notice.

14.05 Reduction in Interpreter Staff

The BOARD may reduce the Interpreter Staff positions because of financial reasons, decreased enrollment of pupils, lack of work, return to duty of regular Licensed Educational Interpreter after leaves of absence or by reason of suspension of school, or territorial changes affecting the District. In making such reduction, the BOARD will proceed to suspend contracts in accordance with the recommendation of the Superintendent of Schools, who will give preference to Licensed Educational
Interpreters on continuing contracts and to Licensed Educational Interpreters who have greater seniority.

Licensed Educational Interpreters whose continuing contracts are suspended, will have the right of restoration to continuing service status in the order of seniority of service in the District if and when interpreting positions become vacant or are created for which any of such Licensed Educational Interpreters are or become qualified.

After giving recall rights to eligible Licensed Educational Interpreters with continuing contract status, Licensed Educational Interpreter whose Substitute Interpreters' contracts have been suspended because of a reduction in force shall have the right to recall as follows.

14.05.1 Recall rights shall be limited to thirty-six (36) months or the period of time the Licensed Educational Interpreter was employed by the BOARD, whichever is longer, and commence on the day following the employee's last day of work.

14.05.2 Licensed Educational Interpreters whose Substitute Interpreters' contracts were suspended shall be recalled to a vacancy in the inverse order of suspension, as positions become available.

If a Licensed Educational Interpreter refuses an offer of recall, said Licensed Educational Interpreter's name shall be removed from the recall list.

14.05.3 Licensed Educational Interpreters on recall status shall have the responsibility for keeping the Human Resources Department informed of their current address, name change, and telephone number. Notification of recall shall be by certified mail at the Licensed Educational Interpreters last known address. Failure to contact the Human Resources Department to accept such recall within ten (10) calendar days of the date of such mailing shall constitute a "turn-down" of offer.

14.05.4 The BOARD shall notify the EIA of anticipated positions to be eliminated and the names of Licensed Educational Interpreters affected, at least thirty (30) days prior to such reduction. At least two (2) days prior to the mailing of notices to the Licensed Educational Interpreters affected by a staff reduction, the BOARD will advise the EIA of the number of Licensed Educational Interpreters to receive such notification.

14.05.5 The ADMINISTRATION will make good faith efforts to notify Licensed Educational Interpreters involved in a staff reduction by May 15th of the school year. The parties acknowledge that unforeseen circumstances may make further reductions necessary. When this occurs, the ADMINISTRATION will notify the EIA of the approximate number of Licensed Educational Interpreters affected, and the reasons for the reduction.
Licensed Educational Interpreters involved in a staff reduction who assume employment after the start of the school year, and during the succeeding school year will have no waiting period for resuming insurance coverage. Licensed Educational Interpreters must re-enroll to continue insurance coverage within five (5) days of recall.

All Licensed Educational Interpreters who are involved in a staff reduction process will have all insurance coverage continued through August 30th.

Opportunity to discuss data necessitating the reduction will be afforded to the EIA.

ARTICLE FIFTEEN - LICENSED EDUCATIONAL INTERPRETER PROTECTION

15.01 Development of School Discipline Procedures

Prior to the commencement of the school year, the ADMINISTRATION of each school, in conjunction with the School Faculty Council, shall develop school procedures to deal with control and discipline of students. It is the responsibility of each Licensed Educational Interpreter to follow such procedures so as to provide an atmosphere for learning to take place. The ADMINISTRATION will provide cooperative assistance and counsel. Section 3319.41 of the Ohio Revised code states that such force may be used as is reasonable and necessary to quell a disturbance threatening physical injury to others, to obtain possession of weapons or other dangerous objects upon the person or within the control of the pupils, for the purpose of self-defense, or for the protection of persons or property.

15.02 Student Discipline Policy

The building administration and Professional Staff Members will follow the Board of Education's discipline policy, "Student Code of Conduct", and specific school procedures as developed by the School Student Discipline Committee to provide fair, consistent discipline in every building.

15.03 Civil Disturbance

15.03.1 In the case of a general civil disturbance in the area of a school, a Licensed Educational Interpreter fearful for his/her safety should contact the proper school authorities for instructions as to work assignment.

15.03.2 The ADMINISTRATION will not require any Licensed Educational Interpreter to report to a school where clear and present danger exists, as determined by the ADMINISTRATION.

15.04 Parent Complaints Against Licensed Educational Interpreters
Communications between the community and the school ideally should be such that most complaints may be resolved through personal conferences at the school level. Various avenues of contact between Licensed Educational Interpreter, pupil, parent, Principal, Associate Director of Related Services, and other appropriate staff personnel should be pursued before using the formal procedures outlined below. If such conferences do not lead to understanding and resolution of problems involved, a parent may pursue further action by submitting a written complaint against a Licensed Educational Interpreter to the Building Principal. The principal shall give a copy to the Licensed Educational Interpreter.

Further action concerning the complaint shall be initiated by the following procedure:

A. If requested by the complainant or the licensed Educational Interpreter, a meeting involving the Licensed Educational Interpreter, the Principal, the Associate Director of Related Services, and the complainant will be arranged at a mutually convenient time to discuss the complaint.

B. If the complaint is unresolved, it may be appealed to the Director of Special Education.

C. If it is not resolved at that level, it may be appealed to the Superintendent or Designee.

D. If it is still unresolved, it may be appealed to the BOARD.

In each of the steps above, a Licensed Educational Interpreter may request and be accompanied by counsel and/or EIA representation. Conferences regarding such complaints shall be in private.

Administrative Concerns/Complaints Regarding Licensed Educational Interpreters

When an administrative concern/complaint arises regarding a Licensed Educational Interpreter, an informal conference shall be held with the administrator and the Licensed Educational Interpreter. If the concern/complaint is resolved, there shall be no written documentation of the conference placed in the Licensed Educational Interpreter's personnel file. If the concern/complaint is not resolved, the administrator may document the concern/complaint in writing and place a copy in the Licensed Educational Interpreter's personnel file. The Licensed Educational Interpreter may attach a response to the concern/complaint. If the concern/complaint has not reoccurred in the next thirty-six (36) months from the time the documentation was written, the documentation about the concern/complaint shall be removed from the Licensed Educational Interpreter's personnel file.
15.05.2 A Licensed Educational Interpreter may be accompanied by an EIA representative at any conference in which the Licensed Educational Interpreter is to be issued written disciplinary documentation.

15.06 **Limitations on Observers**

Whenever a complaint or court action is pending against a Licensed Educational Interpreter, no one other than the Licensed Educational Interpreters supervisors or other individual as designated by the Superintendent, will be permitted to observe the Licensed Educational Interpreter's work without the approval of the Licensed Educational Interpreter.

15.07 All cases of physical threat or violence to licensed Educational Interpreters shall be reported to the Principal immediately after occurrence. If, in the judgment of the Licensed Educational Interpreter and/or the Principal, the assault is sufficiently severe, the police shall be notified. The ADMINISTRATION will provide reasonable on-the-job protection, counsel, and reasonable assistance in such situations. A written report of all assaults on staff personnel will be made to the Superintendents Designee for further investigation.

**ARTICLE SIXTEEN - PROFESSIONAL ACCOUNTABILITY**

16.01 **Definition of Professional Accountability**

The Licensed Educational Interpreter must acquire specialized knowledge, maintain licensure on and uphold professional standards of practice.

16.02 **Requirements of Professional Accountability**

16.02.1 Each Licensed Educational Interpreter shall maintain proper licensure.

16.02.2 Each Licensed Educational Interpreter shall create internal mechanisms to identify and diagnose courses of action that lead to learning and maintenance of licensure.

16.02.3 Each Licensed Educational Interpreter shall increase the use of good educational interpreting practices, as learned in Staff Development requirements.

**ARTICLE SEVENTEEN - SICK LEAVE**

17.01 **Entitlement to Sick Leave**

A Licensed Educational Interpreter eligible for sick leave shall be granted such leave when absent from work and entitled to such sick leave in accordance with the provision of 3319.141 of the Ohio Revised Code, as follows: for absence due to personal illness, pregnancy, injury, exposure to contagious disease which could be communicated to others, and for absence due to illness, injury, or death in the employee's immediate family.
17.01.1 **Immediate Family:** The "immediate family' includes the father, mother, current spouse, child, brother, sister, the employee's grandparents and grandchildren, current mother/father/brother/sister-in-law and any other dependent of the Licensed Educational Interpreter who is a permanent resident of the household of the Licensed Educational Interpreter.

17.02.2 The BOARD shall require each licensed Educational Interpreter to furnish a written, signed statement on forms provided by the BOARD for use of sick leave upon return from sick leave. If medical attention is required, the employee's statement shall list the name of the attending physician the date (s) he was consulted. The ADMINISTRATION may require a signed physician's statement confirming the need for sick leave, after five (5) consecutive days of absence or where the licensed Educational Interpreter has established a pattern of absenteeism.

Abuse of sick leave when substantiated by the Principal or another member of Administration; may result in the Educational Interpreter being subject to disciplinary action in accordance with the provisions in Article Thirty-One of the contract.

17.03 **Accumulation of Sick Leave**

A Licensed Educational Interpreter shall accumulate at a rate of 1.25 times days per month in accordance with the provisions of 3319.141 of the Revised Code of Ohio (15 days of sick leave with pay per year).

17.04 **Accrual of Sick Leave**

17.04.1 The maximum number of hours to be accumulated is 250 times the number of regularly scheduled hours per day. For administering regulations relative to sick leave accumulation, sick leave shall be credited fractionally on a monthly basis.

17.04.2 Pursuant to the spirit of 3319.141 of the Ohio Revised Code, any Licensed Educational Interpreter being employed by the BOARD, who, preceding
this employment, has been in the employ of another BOARD of Education or State, county, or municipal government in Ohio will receive full time credit for the sick leave accumulated in this previous employment as shown in the records of the last employing organization to the maximum accumulation set forth in Subsection 17.04.1.

17.08 Assignment on Return from Extended Sick Leave

The Licensed Educational Interpreter will be in the same assignment as before use of sick leave. The ADMINISTRATION may temporarily reassign the Licensed Educational Interpreter for the remainder of a semester.

ARTICLE EIGHTEEN - SALARY CONTINUATION

18.01 Salary Continuation

An employee who suffers a compensable workers’ compensation injury, including being assaulted by a student, and who is temporarily and totally disabled as a result of the injury may be eligible to receive compensation from the Bureau of Workers’ Compensation (BWC).

Salary Continuation is the continuation of full hourly wages and benefits at the onset of a work-related injury, and is designed to cover injured employees who would otherwise receive BWC temporary total payments where it is fiscally responsible for the District by causing the BWC to set a lower claim reserve and hence a lower premium regarding each case.

This section does not affect or replace the employees’ need to file claims with the BWC for medical treatment.

18.02 To be Eligible for Salary Continuation:

A. The employee must file a workers compensation claim.

B. The employee must be employed by and/or be on contract with the District and be receiving wages from the District to remain eligible for Salary Continuation, the
employee must remain eligible to receive wages and/or be on contract. For example, no contract employee or other employee not required to work, such as during Summer and Intercession breaks, shall receive Salary Continuation during the time that they are not ordinarily required to work.

C. The employee must sign a Salary Continuation reimbursement agreement.

D. The employee must cooperate at all times in meeting with and in responding to information requests of the Managed Care Organization (MCO), BWC, the Risk Manager, and health providers.

18.03 **Administration of Salary Continuation:**

The Human Resources Department (HR) will oversee and implement Salary Continuation, and shall ensure the following:

A. The date of injury must occur in a year in which the District's merit rating or retrospective premiums will be impacted. If a workers date of injury makes him/her ineligible for Salary Continuation, then in that case, the employee may use accumulated sick leave, as provided in other provisions. If the employee assigns their BWC check for the payment of temporary total disability to the District, then the Treasurer will recredit sick leave in the amount of the BWC check.

B. Continuation of Pay payments are computed on the basis of the employees’ base rate of pay and normally scheduled hours, not to exceed forty (40) hours per week. Part-time employees will have payment pro-rated.

C. To allow for tracking of wages paid as a COP, the Continuation of Pay must be recorded using the appropriate payroll codes which the Treasurer shall provide for salaried and hourly employees. Payroll clerks shall properly code COP when paid.

D. The injured employee will receive a full check at the next scheduled time after the illness or injury occurs. The payment of Salary Continuation shall not be contingent upon or wait for a BWC determination to be made. Failure to issue a full check shall cause the Board to forfeit Salary Continuation rights on the claim and temporary total compensation from the BWC will begin.

E. Within seven (7) days of filing of a claim, HR shall advise the BWC and the employee whether the Board will pay Salary Continuation. HR will further submit to the BWC the relevant salary history and the amount of the employee’s Salary Continuation payment.

F. HR shall notify the BWC when the payment of Salary Continuation is discontinued and/or when the injured employee returns to work.

G. Payments are made only for periods the employee would have been eligible for temporary total workers' compensation benefits for injuries and will be terminated upon return to work; when the Bureau of Workers' Compensation or the Industrial Commission has determined the employee has reached maximum medical improvement, when an offer of transitional duty has been made by the District and declined by the employee, or, when twelve (12) calendar weeks of Salary
Continuation have been paid, whichever occurs first. If the employee has not returned to work within the twelve (12) calendar week period and has not reached maximum medical improvement, he/she may then receive benefits from the BWC or use any available sick leave, but the employer will not be required to buy back any sick leave used.

H. Time authorized under Salary Continuation is an FMLA qualifying event.

18.04 Employee Rights

18.04.1 An employee continues to accrue sick leave while on Continuation of Pay if they would have otherwise accrued such leaves.

18.04.2 Time authorized under Continuation of Pay is considered time worked for employees still in their probationary period, if any.

18.05.3 An injured employee receiving Salary Continuation cannot concurrently receive, for the same period of time, any other District compensation (e.g. sick leave, supplemental contract pay, etc.) or temporary total compensation payments from the State of Ohio Bureau of Workers' Compensation.

18.04.4 A return to work does not eliminate eligibility for the balance of Salary Continuation in the future if a medically documented flair up occurs as determined by the Bureau of Workers' Compensation or the Industrial Commission for this claim.

18.04.5 Salary Continuation may be paid for medical appointments documented under an approved transitional duty program and approved by the Risk Manager. (See Transitional Duty). This policy supersedes any prior practice of sick leave buyback, except as noted below, and Salary Continuation shall not be charged to sick leave.

18.05 Assault Leave

Since BWC compensable assaults are work-related, Salary Continuation shall be provided as noted above as and for the assault leave. An assault is defined as a criminally punishable act by a pupil against an employee of the District causing a BWC compensable injury. This section describes additional requirements for the granting of Salary Continuation in assault situations.

In the case of such assaults, the employee must do all of the following to remain eligible for Salary Continuation:

- Furnish to the Risk Manager a signed statement describing in detail all of the facts and circumstances surrounding the assault, including, but not limited to, the location, the time, the identity of the assailant(s), if known, and the identity of all witnesses within five (5) days of the incident. The employee must also submit written verification signed by the attending physician that the employee is disabled from performing normal duties, indicating the nature of the disability and probable
duration as well as a statement of the employee's ability to participate in transitional or alternate duties designed to return the employee back to work.

- Cooperate fully with the Risk Manager and other public authorities in the prosecution of the assailant(s). In the event the employee requires representation by an attorney in the criminal prosecution of the assailant(s), the Board will provide an attorney to represent the employee in such matters.
- File a workers' compensation claim to be eligible for Salary Continuation which, if granted, will replace BWC payments that would otherwise be made during the period of Salary Continuation. There is no loss of seniority while on Salary Continuation and all insurances shall remain in effect. In the case of dispute as whether the employee initiated the assault, the determination by the BWC, the Industrial Commission, or a court of competent jurisdiction shall be controlling. If it is determined that Salary Continuation should not have been paid, the employee will be liable for a return of those funds, by payroll deduction or otherwise, at the discretion of the employer. Salary Continuation for assaults shall not be charged to sick leave.

18.06 Merger

Any related leave policies, such as injury leave and workers' compensation, and assault leave are hereby merged into this provision.

ARTICLE NINETEEN – TRANSITIONAL DUTY

19.01 Transitional Duty

Transitional Duty is designed to allow an employee to safely return to work with temporary physical limitations and restrictions which may prevent the employee from performing all of his or her assigned duties.

Transitional Duty applies only to work-related workers' compensation injuries or illnesses and is not to be considered as an official position or job. Transitional Duty is not a job classification, permanent or otherwise. An employee performing transitional duties retains his/her existing job classification and seniority.

Transitional Duty is applicable only when it is deemed medically reasonable that a full recovery is expected to occur within twelve (12) weeks. Transitional Duty, therefore, shall last no more than twelve (12) weeks with a full return to work by the end of twelve (12) weeks. Transitional Duty is not available if the employee has reached maximum medical improvement as determined by the Bureau of Workers’ Compensation.

19.02 To be eligible for Transitional Duty, an employee must complete all related injury investigation forms, First Report of Injury (FROI) form, medical releases, and any other documents required by the physician, the Managed Care Organization (MCO), the employer, and the Third-Party Administrator.

19.03 Transitional Duty is implemented upon the availability of Transitional Duty by the employer. Full regular wages are paid during Transitional Duty.
The Treasurer shall use a payroll code for salaried and another code for hourly employees working in Transitional Duty to allow for proper tracking of Transitional Duty.

19.04 **Transitional Duty can be less than full time with Salary Continuation paid, if eligible, for hours not worked to supplement a full, regular wage. Hours not worked must be documented and supported by appropriate medical documentations. For example, an employee normally scheduled for eight (8) hours per day is released to return to work four (4) hours and attends physical therapy the remaining four (4) hours. In this situation, he will work four (4) hours and receive his regular wages and then receive four (4) hours of Salary Continuation upon submission of supporting medical documentation of the time spent in therapy.**

19.05 **Coordination of Transitional Duty**

Transitional Duty is applicable to compensable injuries as determined by the Bureau of Workers’ Compensation whether lost time or medical only. Once an employee returns to work under the Transitional Duty program, Salary Continuation is payable in medical-only claim. For example, if an employee is off four days and returns to work under an approved Transitional Duty program, the four days will not be considered Salary Continuation. If, however, the employee returns to work under Transitional Duty and must then be excused for physical therapy or doctor visits in order to continue Transitional Duty and recover from a work-related injury, Salary Continuation is payable while the employee is off the work site. The employee shall provide to his or her supervisor appropriate medical documentation supporting attendance. Appropriate medical documentation should include the date, time in and time out, and the medical provider’s signature.

19.06 **Use of Salary Continuation**

Salary Continuation is not payable for medical appointments once the employee is released to full duty, has exhausted all available Salary Continuation.

An employee on Transitional Duty who has exhausted all available Salary Continuation, may elect to use available paid leave or leave without pay if they are still unable to return to work.

19.07 **Transitional Duty and Outside Job**

An employee cannot work a second job within or outside of the District and work Transitional Duty unless approved by the Risk Manager.

The goal of Transitional Duty is to return the employee to his regular job and department, but other work within the department would be appropriate if the employee is unable to do any part of his regular job. Work outside of his immediate department can be considered if work is not available within his department.

19.08 **Refusal of Transitional Duty**

If an employee is offered Transitional Duty and refuses a Transitional Duty offer within his or her medical limitations, the employee is not eligible for Salary Continuation. The employee will not be eligible for temporary total benefits from the Ohio Bureau of
Workers' Compensation when a valid Transitional Duty offer has been made and declined. The District will notify the Ohio Bureau of Workers’ Compensation of any refusal to accept a Transitional Duty offer that is within the medical limitations.

An employee may elect to use sick leave, if the employee refuses Transitional Duty, but no buy-back of the leave taken shall occur. All leave taken for a work-related injury should be reviewed for FMLA qualification.

A Transitional Duty offer made to an employee refusing to return to work must be reduced to writing and sent by certified mail or hand delivered to the employee. If hand delivering the offer, be sure to obtain the injured workers signature and date received on the employees copy.

Time spent in Transitional Duty is considered time worked for employees still in their probationary period.

19.09 Maintaining Transitional Duty
To remain eligible for Transitional Pay, the Employee must cooperate with, meet when reasonably requested, and respond to information requests from the Managed Care Organization (MCO), Third-Party Administrator (TPA), Risk Manager, health providers, and his/her supervisor.

ARTICLE TWENTY – PERSONAL LEAVE

20.01 A Licensed Educational Interpreter shall be granted four (4) personal days in each school year.

20.01.1 Accumulation of Personal Leave
Personal leave shall not accumulate. In the event personal leave is not used before the last ten (10) student days of a school year. It shall be converted to sick leave.

Application for Personal Leave
All requests for personal leave must be submitted in writing, except emergency leave, to the ADMINISTRATION, when possible, at least five (5) working days in advance of the school day on which the Licensed Educational Interpreter desires to be off on personal leave.

Limits of Use of Personal Leave
Personal Leave shall not be charged for a leave of absence unless the Licensed Education Interpreter has requested use of such day as personal leave.

Personal Leave may be taken only in a minimum of either one-half (1/2) or one (1) full day.

Personal Leave may not be used during the first or last week of school in any semester or on the day before or after any holiday or vacation.
20.02 Attendance in Court

   Each regular full-time or regular part-time employee working less than twelve (12) calendar months who applies for dental coverage shall be responsible for the payment of all premium costs in excess of the EMPLOYER's portion of the premium cost for the coverage elected by the employee.

In the implementation of the foregoing, the Treasurer shall annually determine the annual premium cost to be payable by each employee and withhold sufficient sums from the compensation payable to such employee during the period such employee receives payroll checks to cover that portion of the premium due from the employee during months when the employee is not receiving payroll checks (e.g. during the summer months when school is not in session).

32.06 The following Life Insurance Program shall be provided without cost to the employees covered by this CONTRACT who make application for such insurance:

   Life Insurance of $40,000 for all regular full-time employees.

32.07 The foregoing life insurance specified in Section 32.08 shall be provided without cost to all employees who have made application for such insurance, who are on the active working payroll on the effective date of this AGREEMENT, and who are regular, full-time employees working twelve (12) calendar months, or regular full-time or regular part-time employees working less than twelve (12) calendar months, and for whom coverage is in effect prior to the effective date of this AGREEMENT.

32.08 The foregoing life insurance specified in Section 32.08 shall be provided without cost to all employees in the unit who make application for such insurance and/or such employees who are hired after the effective date of this AGREEMENT, effective on the first day of the month following the date of this AGREEMENT or the date they complete thirty (30) days of continuous employment, whichever is the later date, for all such employees who are regular full-time employees working twelve (12) calendar months or regular full-time or regular part-time employees working less than twelve (12) calendar months, and who complete the required insurance forms and have the same filed with the office of the Treasurer prior to the seventeenth (17th) of the month coverage is to take effect. Forms received after the seventeenth (17th) will result in coverage being delayed until the first (1st) day of the second (2nd) month after such coverage could otherwise have become effective.

32.09 All life insurance provided pursuant to this AGREEMENT shall be in accordance with the "Specifications-Life Insurance" issued by the EMPLOYER and shall be subject to the conditions set forth in the insurance contract secured by the EMPLOYER pursuant to such specifications.

The foregoing life insurance shall remain in effect for any employee on the basis outlined above during any period when such employee is on the active working payroll, compensated sick leave, compensated leave of absence, non-compensated approved leave of absence of less than thirty (30) days of, medical leave of absence of less than ninety (90) days, layoffs of less than thirty (30) days, injury leave, or for employees working only during the regular school year and not working during the summer break period, until such employees either resign their employment status or fail to return to active working status at the commencement of the next school year.

Employees on approved leave of absence or approved medical leave of absence or layoff who desire to continue life insurance coverage past the period for which the EMPLOYER has agreed to continue such coverage without cost to the employee may do so by paying the full premium for any such coverage to the Treasurer on or before the seventeenth (17th) day of the month prior to any such month coverage is desired to be continued. In the event coverage is discontinued for any period, coverage cannot be reacquired through the EMPLOYER until the employee returns to active working status.
The EMPLOYER will make arrangements to afford individual employees the option to subscribe to a qualified Health Maintenance Organization Plan or other Group Practice Plan upon written request when they become available, if such plans are approved by the EMPLOYER in lieu of all medical insurance coverages provided in this Article, subject to the limitation on EMPLOYER contributions toward the cost of such option contained in the following paragraph. Subsequent opportunity to exercise or to revoke the exercise of such option shall be provided as may be mutually agreed upon by the EMPLOYEE and the ASSOCIATION, but not more frequently than once in any twelve (12) month period.

On behalf of each employee subscribing to a Health Maintenance Organization Plan or other Group Practice Plan under the preceding paragraph, the EMPLOYER will make monthly contributions to such Plan towards the cost of such coverage; provided, however, that the EMPLOYER'S contributions shall not exceed the cost of providing benefits to the employee under this Article.

32.10 The EMPLOYER will make arrangements to afford individual employees who are regularly scheduled to work at least twenty (20) hours per week and at least thirty-six (36) weeks per year, the option to subscribe to a Flexible Spending Account, upon written request effective September, 1988, in lieu of all medical insurance coverages provided in this Article, subject to the limitation on EMPLOYER contributions toward the cost of such option contained in the following paragraph. Subsequent opportunity to exercise or to revoke the exercise of such option shall be provided as may be mutually agreed upon by the EMPLOYER and the ASSOCIATION, but not more frequently than once in any twelve (12) month period.

On behalf of each employee subscribing to a Flexible Spending Account under the preceding paragraph, the EMPLOYER will make quarterly contributions in the amount of $150 ($600 per year).

On behalf of each employee subscribing to a Cash Bonus Account under the preceding paragraph, the EMPLOYER will make quarterly contributions to such account in the amount of $150 ($600 per year).

32.12 Conversion Privilege
If an employee's life and accidental death insurance coverage is terminated, such employee will be entitled to convert to an individual life and accidental death insurance policy without a medical examination, provided application is made within thirty-one (31) days of such termination of coverage.

ARTICLE THIRTY-THREE
CODE 125 FLEXIBLE BENEFIT PLAN

51
All members of the four locals of the Ohio Association of Public School Employees (OAPSE) who are employed by the Dayton City Schools desire the Dayton City School District Board of Education to implement an I.R.S. approved Code 125 Flexible Benefit (Cafeteria) Plan for their use on a payroll deduction basis. It is desired that this plan would include the benefits of pre-taxing employee costs for: all legally eligible insurance premiums under the provisions of Section 106 of the I.R.S. Code; unreimbursed medical expenses under the provisions of Section 105 of the I.R.S. Code; and dependent care costs (child or parent) under the provisions of Section 129 of the I.R.S. Code.

It is further desired that this plan be implemented and maintained at no cost to either the School Board or the employees now or in the future. The parties have been provided information by American Family Life Assurance Company of Columbus (AFLAC) that both the set-up and ongoing administration of the 125 Plan, as well as the availability of supplemental health insurance benefits on a pre-tax basis, could and would be done by them at no cost. It is requested, therefore, that the School Board contract, on behalf of all Dayton City School employees represented by OAPSE, with AFLAC to implement a 125 Plan as described above.

It is further requested that during the annual open enrollment period established for the 125 Plan and all available benefits by the delegated 125 Plan administrator (AFLAC representative) on an individual employee basis. It is expected that this would also have to be accomplished on a non-interference-with-work basis.

BOARD OF EDUCATION OF THE SCHOOL DISTRICT OF THE CITY OF DAYTON, OHIO

By: ____________________________
SETTLEMENT AGREEMENT AND MEMORANDUM OF UNDERSTANDING

The Dayton City School District Board of Education (hereafter "BOARD") and OAPSE Local Nos. 156, 158, 191, 627, 650, 766 and 766 (B) (hereafter collectively referred to as "UNIONS") recognize that Ohio law has changed the way the minimum school year is calculated, moving from a minimum number of days in the school year to a minimum number of hours that students are required to be in attendance. "Calamity days" are no longer provided for in that calculation. However, it is further recognized that Section 3319.081 of the Ohio Revised Code still provides for compensation for nonteaching employees when school buildings are closed due to a public calamity. Over the years, the BOARD and UNIONS have negotiated contractual language related to these provisions of the law.

The BOARD and UNIONS hereby agree that this Memorandum of Understanding will replace, substitute, and supersede any and all current contract language addressing calamity days and compensation therefore.

1. Each year, the Board shall adopt the school calendar in compliance with the Ohio Revised Code, and that calendar shall include not less than the minimum number of student hours prescribed by statute.

2. Each school year, the Administration shall also issue Closure Guidelines, specifically addressing whether employees shall report to work during school delays and closures. Those guidelines shall be considered part of the management right to assign employees. Closure day guidelines shall be issued prior December 1 of the school year. If, however, circumstances have resulted in closure day guidelines not being issued prior to December 1, the guidelines from the prior school year shall be considered in effect.

3. In accordance with the provisions of the Ohio Revised Code, employees shall be paid for all regular hours of work lost when the building in which they are employed is closed by the order of the SUPERINTENDENT due to disease epidemic, hazardous weather conditions, law enforcement emergency, inoperability of school busses or other equipment necessary to the school's operation, damage to a school building, temporary circumstances due to utility failure rendering the school building unfit for school use, or other public calamity. Any employees required by the BOARD to work, and working during the time
that the school or building in which they are employed is closed by the order of the Superintendent due to one or more of the reasons set forth above shall be compensated at their regular salary for the day as if worked and straight time hourly rate for all hours actually worked during such epidemic or public calamity in such building. Further, the BOARD reserves the right to require those UNION members who work less than twelve (12) months per contract year, and who did not report to work on more than five (5) school days in which schools were closed by order of the Superintendent as cited within, to report to work on any days designated to make up above five (5) lost due to the reasons set forth above. UNION members shall not be paid additionally to work these make-up days if the member did not work on the day in which their school was closed.

4. In settlement UNIONS’ grievances regarding calamity days for the 2017-2018 school year, the BOARD agrees to pay all bargaining unit members that were LWOPed for lost time because the building in which they are employed was closed due to a public calamity. Additionally, for those bargaining unit members who utilized personal or vacation leave in order to ensure their pay was not interrupted on said calamity days will be re-credited the leave time that was spent. Any such days would have been used for school closures occurring on March 8, 2018 and March 21, 2018.
