

Welcome to the 2019-2020 School Year! We are excited to start the year as the administrative team at Westwood, where Eagles Learn to Soar!

Mr. Robinson is looking forward to being the Assistant Principal at Westwood Elementary. This will be his 26th year in education. Mr. Robinson graduated from Central State University with a degree in Elementary Education. In addition, he holds a Masters of Education Leadership from Wright State University. Growing up as a product of Dayton Public Schools, Mr. Robinson knew he wanted to be in the field of education, and feels fortunate to continue with a school and community that holds a special place in his heart.

Mrs. Murphy will be joining Westwood Elementary as the Principal for the upcoming year. Mrs. Murphy has a Bachelor's degree in Psychology from the University of Dayton and a Master's degree in Educational Leadership from Antioch McGregor. After attending college at UD, she fell in love with the city of Dayton, and never left. At Dayton Public Schools, Ms. Murphy has worked as a middle school and elementary teacher, a math coach, an administrator in Curriculum and Instruction, and as a principal.

At Westwood, we believe in 'achieving personal excellence, one child at a time.' As the administrative team, we will work to support students both academically, socially, and emotionally. We believe in the potential of each student, and realize we are not just preparing them for the next grade, but for the future. This preparation will include experiences that are challenging, relevant, and that meet the needs of the individual student.

We look forward to supporting the students, staff, and community of Westwood. We believe in open communication and a strong home to school connection. Please feel free to contact us with any celebrations or concerns you may have. It is exciting to think about all that we will achieve working together.

We look forward to serving Westwood Elementary and the community in our new roles.

Let's make this year great!
