ARTICLE ONE - PURPOSE AND PREamble

The purpose of this Agreement is to set forth the wages, hours and working conditions which shall prevail for the duration of this Agreement. This Agreement supersedes and cancels all previous agreements, verbal or written, or based on alleged practices, between the parties which are conflict with the express terms of this Agreement. Any amendment or agreement supplemental hereto shall not be binding upon either party unless executed in writing by the parties hereto.

1.01 The purpose of this AGREEMENT is to set forth certain policies of the EMPLOYER as such policies may affect or may be applicable to the employees of the EMPLOYER in the employee unit described in Article Two Section 01.

1.02 The UNION recognizes the EMPLOYER as the elected representatives of the citizens of the School District of the City of Dayton, Ohio. Nothing in this AGREEMENT shall be interpreted as a delegation by the EMPLOYER of its statutory authority, or shall be interpreted as a limitation of the statutory authority of the EMPLOYER.

1.03 The UNION recognizes the Superintendent of Schools of the School District of the City of Dayton, Ohio (SUPERINTENDENT), as the individual with the responsibility under the statues of the State of Ohio for the administration of policy as adopted by the EMPLOYER and for the administration of the affairs of the School District of the City of Dayton, Ohio. Nothing in this AGREEMENT shall be interpreted as a delegation by either the EMPLOYER or the SUPERINTENDENT of the authority of the SUPERINTENDENT or be interpreted as a limitation of the authority of the SUPERINTENDENT.

1.04 This AGREEMENT supersedes any and all previous agreements between the parties hereto and is a final and complete agreement of all negotiated items that are in effect throughout the term of this AGREEMENT.

ARTICLE TWO - RECOGNITION

2.01 The EMPLOYER hereby recognizes the UNION as the sole and exclusive bargaining representative for all classified employees employed by the EMPLOYER in the following described bargaining unit:

All full and regular part-time hourly paid school bus operators employed by the EMPLOYER in its Division of Support Services, Transportation Section, but excluding all other employees of the EMPLOYER, all supervisors and professionals employed by the EMPLOYER and employees temporarily hired in temporary positions outside the normal school year or any other employee of the EMPLOYER represented by any other labor organization certified by the EMPLOYER.

EXCLUDED: Head Group Leader, Group Leader, Routing Assistant, Dispatcher and Inventory Control.
2.02 Neither the EMPLOYER nor the UNION and/or its members will intimidate or coerce any employee in regard to his/her right to work or in respect to UNION activity or membership.

2.03 UNION Dues Check-Off
The EMPLOYER agrees to honor any check-off authorizations executed by an employee in favor of the UNION in accordance with the provisions of Chapter 4117 of the Revised Code of Ohio. Dues deductions in accordance with check-off authorizations will be remitted by the EMPLOYER monthly to the UNION'S Columbus, Ohio office. Dues deductions shall begin with the second pay date in September and will continue for twenty (20) consecutive pay periods during each school year.

A. The EMPLOYER agrees to notify the UNION if any employee sends notification of any check-off authorization to the EMPLOYER. The UNION agrees to notify the EMPLOYER if it receives notification from any employee that such employee has revoked his/her check-off authorization. Unless revoked, such dues deduction authorization shall be continuous.

2.04 The UNION agrees to indemnify and save the EMPLOYER harmless against any and all claims that shall arise out of or by reason of action taken by the EMPLOYER in reliance upon any "DUES DEDUCTION AUTHORIZATION" cards submitted by the UNION to the EMPLOYER.

2.05 All employees who, sixty (60) days from the date of hire are not members in good standing of the UNION, are required to pay the UNION a fair share fee as permitted by the provisions of Section 4117.09(C) of the Ohio Revised Code. The fair share fee amount shall be certified to the Treasurer of the BOARD by the UNION. Nothing herein shall be construed as requiring any employee to become a member of the UNION as a condition for serving or retaining employment or any benefits under this AGREEMENT. The UNION agrees to hold the BOARD harmless from any liability that may be incurred to any person or persons due to the BOARD'S good faith enforcement of this provision.

When an employee is hired, and annually thereafter, the UNION will notify him/her in writing of the fair share fee provision of this AGREEMENT. The notification will include the following:

A. A financial list of expenditures made by the UNION during its most recently completed fiscal year, verified by an independent auditor, with an explanation of expenses chargeable to the realm of collective bargaining, an explanation of the portion of the fair share fee that is chargeable to non-members, and the method used to calculate the chargeable proportion.

B. Notification that employees are obligated to pay their fair share fee but are not obligated to pay that part of the fee that goes to support partisan politics or ideological causes not germane to the work of the UNION in the realm of collective bargaining.

C. Notification that non-members who contest the amount of the fair share fee must object in writing. The procedure for lodging such objection will be clearly explained
to the employees. The time for filing the objection must be no later than fifty-five (55) days from the employee's date of hire.

D. Notification that if a non-member objects, then the non-member will be entitled, prior to any fair share fee being deducted from his/her wages, to an advance reduction of the fair share fee in an amount equal to the amount of money paid by the UNION during its most recently completed fiscal year for non-chargeable expenses. Further notification that upon receipt of a timely objection, the UNION will escrow the remainder of the non-member's fair share fee in an interest-bearing escrow account pending a decision on the objection by an impartial decision maker.

E. Notification of the procedure established by the UNION to have an employee's objection submitted to an impartial decision-maker for final and binding decision with respect to the amount of UNION expenses properly chargeable to the realm of collective bargaining. That amount shall be the amount of the fair share fee charged to all objecting employees until another decision by an impartial decision-maker is issued with respect to this subject.

The UNION agrees to annually provide the BOARD with the financial information referred to in Section 2.05 A above, and to immediately notify the BOARD if an employee files an objection as set forth in Section 2.05 C above. The amount to be deducted from such employee's wages as the fair share fee shall be the amount deducted from the wages of union members, less the amount of non-chargeable expenses as set forth on the UNION's financial information.

The UNION will provide the BOARD with a copy of all decisions issued by impartial decision-makers with respect to objections made by non-members.

2.06 A deduction for the Public Employees Organized to Promote Legislative Quality (PEOPLE) legislative program shall be established for OAPSE Local 627. Participation in the deduction shall be strictly voluntary.

2.07 The Union shall be permitted to speak with new employees for a period 15 minutes during a scheduled department in-service to discuss union membership and benefits.

ARTICLE THREE - MANAGEMENT RIGHTS

3.01 Except to the extent expressly modified by a specific provision of this AGREEMENT, the EMPLOYER, on its own behalf and on behalf of the electors of the District, retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws of the State of Ohio and/or the United States, including but not limited to the management and control of the school properties, facilities, grades, and courses of study, athletic and recreational programs, methods of instruction, materials used for instruction, and the selection, direction, transfer, promotion or demotion, discipline or dismissal of all personnel, and as such rights existed prior to the execution of this or any other agreement. The EMPLOYER also recognizes that the best interest of public education will be served by establishing procedures to provide an orderly method for the EMPLOYER and representatives of the
UNION to discuss matters of concern to either party during the term of this AGREEMENT.

**ARTICLE FOUR - EVALUATIONS**

4.01 The Employee will have a right to submit a written rebuttal within 30 days of the evaluation date, also the employee will receive a copy of his/her evaluation.

4.02 All job performance evaluations shall be conducted on an annual basis, evaluating the job performance of the employee. Said evaluation shall be conducted by the supervisor in the respective division having the most immediate and direct contact with the employee involved. Such evaluations shall be done in accordance with established procedures, with the employee involved having the right to discuss the evaluation with the evaluating supervisor and make comments regarding same before it is further disseminated.

**ARTICLE FIVE - SENIORITY**

5.01 "System Seniority" shall be defined as the length of employment by an employee with the EMPLOYER as computed from the employee's most recent date of hire with the EMPLOYER in any job classification.

5.02 "Job classification seniority" shall be defined as the length of employment by an employee with the EMPLOYER as computed from the employee's most recent date of hire in the particular job classification in which the employee is employed by the EMPLOYER. Employees shall be deemed to hold seniority only in the job classification of certified driver or non-certified (provisional) driver in the event of any layoff or other reduction in the work force, or in the event of recall from layoff. Employees currently in the unit who are in a job removed from the unit will retain rights under appropriate Civil Service Rules in the Division of Management Services, Transportation Section. Employees given a future opportunity for promotion out of the bargaining unit shall no longer be a bus driver with wages or benefits of a driver but shall retain appropriate Civil Service rights.

Employees in the garage shall be deemed to hold seniority in their classification computed from original date of hire into the garage, provided a break in service has not occurred.

5.03 In the instance of the same seniority date, employees will be placed on the seniority list in the order in which they were interviewed and recommended for acceptance to the EMPLOYER. If a provisional employee passes the Civil Service test, after taking and passing the test when it is first offered to the provisional employee, he/she will be slotted into the seniority list as of his/her initial date of latest employment with the EMPLOYER. If a provisional employee passes a subsequent Civil Service test, he/she will be slotted into the seniority list as of the date he/she receives his/her Civil Service certification. At the beginning of each school year, the UNION will be furnished with an up-to-date seniority list stating the name, effective hiring date, seniority ranking, and job classification of each employee. Ties in seniority shall be broken by the relative ranking of Civil Service test scores.
If a provisional employee fails the first test and passes a subsequent civil service test, he/she will be slotted into the seniority list as of the date he/she receives his/her civil service certification.

5.04 Employee shall be considered probationary employees during the first sixty (60) days worked. Such probationary period shall constitute a trial period, during which the EMPLOYER is to judge the ability, competency, fitness, and other qualifications of new employees to do the work for which they were employed. The probationary period may be extended by an additional thirty (30) working days if the EMPLOYER determines additional training is needed, after written notification has been given to the employee and the UNION at any time prior to the expiration of the first sixty (60) days worked. During such probationary period, the EMPLOYER may discharge or lay off the employee, and the employee shall have no recourse to the grievance procedure based on such discharge or layoff. Only certified employees may bid for openings but such bidding is not available to an employee until successful completion of the probationary period. Employees retained beyond the probationary period will be placed on the seniority list as set forth in 5.02 above.

5.05 An employee shall lose all of his/her seniority rights for any of the following reasons: If he/she is terminated.

A. If he/she is laid off for a period of more than two (2) years, or his/her length of service, whichever is the lesser period of time.
B. If he/she is absent for three (3) working days without notifying the EMPLOYER, except in those cases where the employee is unable to notify the EMPLOYER. At the option of the EMPLOYER, such absence results in automatic discharge, and the EMPLOYER shall send written notification to the employee at his/her last known address that his/her employment has been terminated and that he/she has lost seniority.
C. If he/she fails to report for work on schedule following a leave of absence or any extension thereof mutually agreed to, subject to (C) above.
D. In the event of recall, if he/she fails to return from layoff on the date scheduled, after notification in accordance with the provisions of ARTICLE EIGHT, Section 03 of this AGREEMENT.
E. In the event a driver is reinstated as defined by civil service rules and regulations seniority will be reinstated. Sick leave balance available at time of resignation will be reinstated.
F. If he/she resigns and returns to the bargaining unit after two (2) years.

5.06 Appointments in all classifications in the Transportation Section shall be made wherever practical by competitive examination, in accordance with the Rules of the Dayton Civil Service Commission expressly applicable to employees of the EMPLOYER. Employees will be notified prior to the date of any promotional examination for any classification covered by such Rules, so that they might afford themselves the opportunity of taking such examination. Qualified employees who sign for a Civil Service examination will be paid for regular time lost to take the examination provided it is given only during their regular working hours. Payment is subject to verification.
5.07 **Bargaining Unit Reversion Right**
An employee who accepts a position within the Dayton Public School District, not covered by the Bargaining Unit, shall for a period of two (2) years, have the right to revert back to the Bargaining Unit without loss of bargaining unit status under current civil service rules and regulations, defined within the Agreement, at the time the employee left the bargaining unit, provided it does not result in the displacement or layoff of any bargaining unit employee.

**ARTICLE SIX - TEMPORARY ASSIGNMENTS**

6.01 Nothing in this AGREEMENT shall prohibit or restrict the EMPLOYER from making temporary assignments in accordance with the Rules and Regulations of the Dayton Civil Service Commission specifically applicable to the EMPLOYER, provided that, in accordance with Dayton Civil Service Rules, when the EMPLOYER knows at the start of a vacancy that it will exceed thirty (30) or more work days, the EMPLOYER will post the vacancy for bidding as a hold down.

**ARTICLE SEVEN - LAYOFF AND RECALL**

7.01 In the case of job abolishments and/or layoff of employees in the job classifications covered by this AGREEMENT, the UNION will be notified in writing of the names of all employees affected. Such job abolishment, layoff, reduction in force and reinstatement shall be made in accordance with the Rules and Regulations of the Civil Service Board, Dayton, Ohio, for the Dayton City Public School District.

7.02 Reduction, suspension, removal, transfer and demotion shall be made in accordance with the Rules and Regulations of the Civil Service Board, Dayton, Ohio, for the Dayton City Public School District.

7.03 In the event of recall, the EMPLOYER will attempt to contact employees eligible for recall by phone at the last available number as shown on the personnel records of the EMPLOYER. If the employee cannot be reached, the EMPLOYER will send a certified letter to the employee at his/her last available address as shown on the personnel records of the EMPLOYER. This letter shall be sent at least 14 days prior to the date of recall. If the employee does not accept the recall within seven days after the letter is sent, the employee forfeits recall rights.

7.04 Recall shall be on the basis of seniority in accordance with ORC sections 124.321 except that recall rights shall continue for two years from the date of layoff.

7.05 Any laid off employee, upon recall to service, shall be recalled with accumulated seniority and accrued and unused sick leave as of the time of layoff.

**ARTICLE EIGHT - DISCIPLINE**

8.01 All discipline actions and procedures will be for just cause and will be performed in accordance with the procedures established by the employer. The employer will furnish to the Union a copy of the current Civil Service Board Rules. The discipline procedure shall be as follows for all bargaining unit members:
1st Step – Oral Reprimand
2nd Step – Written Reprimand
3rd Step – 1 Day Suspension
4th Step – 3 Day Suspension
5th Step – 5 Day Suspension

Administrators shall have the authority to take the following disciplinary action:

The Assistant Manager of Transportation (or equivalent position) shall have the authority to: (1) reprimand, (2) suspend for three (3) work days or less, or (3) make a recommendation for more severe disciplinary action.

The Manager of Transportation (or equivalent position) shall have the authority to: (1) reprimand, (2) suspend for five (5) work days or less, or (3) make a recommendation for more severe disciplinary action.

The Director of Transportation shall have the authority to: (1) reprimand, (2) suspend for ten (10) work days or less, or (3) make a recommendation of more severe disciplinary action.

The Superintendent of Schools shall have the authority to impose suspension of more than ten (10) workdays and to make recommendation to the Board of Education for terminations. All terminations, except as otherwise provided herein, shall be approved by the Board of Education.

An employee may appeal a suspension of ten (10) work days or less through the grievance procedure to arbitration. A suspension of more than ten (10) workdays or a termination of employment may be appealed to the Dayton Civil Service Board.

8.02 Except in the case of conditional suspension, at any time a supervisor conducts a disciplinary meeting with an employee wherein disciplinary action of record, suspension or dismissal is likely to result, the supervisor shall advise the employee in writing of the employee’s right to have UNION representation. In the event the employee requests his/her Grievance Chairperson to be present and the Grievance Chairperson is not available, the meeting may be delayed at the request of the employee or the Union for up to twenty-four (24) hours to permit the attendance of the Grievance Chairperson. If the disciplinary action contemplated could result in a suspension of more than three (3) days or discharge, the OAPSE Staff Representative will be notified and given an opportunity to be present at the meeting. In no event, will the employee nor the employer be entitled to representation by more than three (3) representatives at this meeting.

8.03 The parties recognize that no employee can be permitted to operate a school bus while under the influence of drugs or alcohol. In the event any representative of the EMPLOYER believes an employee is under the influence of drugs or alcohol, such employee may immediately be removed from service (conditional suspension) and required to submit to a sobriety or drug test or resign. Failure to pass a sobriety or drug test subjects an employee to discharge. Any employee who passes the sobriety or drug test shall be reinstated without loss of pay. Any actions taken by the EMPLOYER under this section shall not be subject to the Grievance/Arbitration Procedure.
8.04 When an employee demonstrates a pattern of excessive absenteeism or tardiness, such as more than three (3) separate instances within the school year the EMPLOYER shall have the right to require any employee off work due to sickness, illness or accident to be examined by a physician designated by the EMPLOYER, at the EMPLOYER's expense, while absent from work or prior to being permitted to return to work.

ARTICLE NINE - GRIEVANCE PROCEDURE

9.01 A "grievance" is defined as any question or controversy between any employee or the UNION with the EMPLOYER involving the interpretation, application or compliance with or noncompliance with the provisions of this AGREEMENT; provided, however:

A. If specific administrative agency relief of a quasi-judicial nature is provided for by the statutes of the state of Ohio and/or the United States for review or redress of a specific matter (such as Workers' Compensation, Unemployment Compensation, EEOC, Civil Rights Commission), such matter may not be made the subject of a grievance and may not be processed as such.

B. Any action by the EMPLOYER or any recommendation of the SUPERINTENDENT to terminate the employment of any employee with the EMPLOYER may be made the subject of a grievance and may be processed as such except for drug and alcohol terminations.

C. Any matter specifically excluded from the processing of a grievance pursuant to specific provisions of this AGREEMENT may not be made the subject of a grievance and may not be processed as such.

9.02 All employees must make every effort to settle differences or disputes without filing a grievance. In the event that an agreement cannot be reached, the following steps must be taken with respect to any grievance:

**Step 1**
The aggrieved employee shall present his/her grievance in writing by fully completing the Step 1 Grievance Form to the employee's immediate supervisor, who will answer the grievance within ten (10) work days after receipt. This written presentation of the grievance to the immediate supervisor must take place within ten (10) work days after the employee has knowledge of the facts which gave rise to the grievance or with reasonable diligence should have knowledge of such facts. If the employee does not refer his/her grievance to the second step of the procedure within five (5) work days after receipt of the decision rendered in this step, it shall be considered to be satisfactorily resolved. If the grievance is processed as a class/group grievance it shall move directly to step 2.

**Step 2**
The grievance shall be referred in writing by fully completing the Step 2 Grievance Form to the Division Head who will investigate the grievance with the head of the Department. The Division Head will reply within ten (10) workdays. If the employee is not satisfied with the written answer of the Division Head, the employee may refer his/her grievance to the third step of the grievance procedure. If the grievance is not referred to the third
step within five (5) workdays of receipt of reply from the Division Head, it shall be
considered to be satisfactorily resolved.

Step 3
The grievance shall be submitted in writing by fully completing the Step 3 Grievance
Form to the SUPERINTENDENT, or his/her designee, who shall investigate the
grievance within thirty (30) days. As part of such investigation, the
SUPERINTENDENT or his/her representative(s) shall meet with the aggrieved employee
and his/her representative and others having knowledge of the matter.
Within fifteen (15) workdays after this investigation meeting is held, the
SUPERINTENDENT’S answer to the grievance will be issued to the aggrieved
employee, the UNION and all other affected individuals. If the EMPLOYER fails to
timely answer at Step 3 and the UNION has served notice at the Step 3 hearing that it
demands a timely answer, the grievance shall be deemed settled in favor of the grievant
without establishing a precedent.

Step 4
Mediation (Optional)
A grievance may be taken to mediation by mutual consent of all the parties. The parties
must agree to the mediation process within seven (7) days of the Step Three decision.
The mediator will have the authority to meet separately with any person or persons, but
will not have the authority to compel the resolution of a grievance.
If no settlement is reached at mediation, the arbitration provisions of this agreement shall
apply. The request for arbitration must be made within thirty (30) days after the
mediation conference.
The parties agree to use the mediation services of the Federal Mediation and Conciliation
Service (FMCS).

9.03 Arbitration
A. Notification of the intent of the UNION to appeal a grievance to arbitration must
be submitted in writing to the SUPERINTENDENT, or his/her designee, within
thirty (30) work days after the written answer was given by the
SUPERINTENDENT, or his/her designee, under Step 3 of the Grievance
Procedure or within thirty (30) days of the termination of mediation under Step
Four; otherwise, the matter shall not be subject to arbitration. Upon receipt of
such notification, the SUPERINTENDENT or his/her designee will request the
Federal Mediation and Conciliation Service to provide the parties with a panel of
arbitrators from which the parties can select an arbitrator in accordance with the
rules of the Federal Mediation and Conciliation Service.

B. The EMPLOYER and the UNION shall equally share the fees and expenses of the
arbitrator and any expenses incidental to the arbitration proceeding. Each,
however, shall be responsible for the fees and expenses of its representative(s).

C. The decision of the arbitrator shall be final and binding upon the EMPLOYER,
the UNION, and any employee involved in the matter, provided it is in
accordance with law,
D. The arbitrator shall not have the power to add to, subtract from, or modify the terms of this AGREEMENT and shall only have the authority to interpret the provisions of this AGREEMENT as the same relate to the specific grievance appealed to arbitration. No arbitrator may issue an award which is contrary to the EMPLOYER’S power to adopt budgets, establish funds or allocate resources to funds pursuant to Chapter 5705 of the Ohio Revised Code.

9.04 The aggrieved employee shall have the right to be represented by the grievance chair or the OAPSE Field Representative, upon request, at any step of the forgoing grievance procedure. Unless approved by management, investigation of grievances and participation in grievance procedures shall not occur during working time, and shall not interfere with the operation of school busses or with other employees in performing their work.

9.05 The steps or time limits set forth in this article may be waived or extended upon the mutual written agreement of the parties.

9.06 No Strike-No Lockout

A. It is agreed that during the life of this AGREEMENT there shall be no lockout on the part of the EMPLOYER nor any strike, stoppage, slowdown or other interruption of work for any cause whatsoever by the employees or the UNION.

B. The UNION agrees that it will not encourage, sanction or approve any strike, stoppage, slowdown, or other interruption of work during the life of this AGREEMENT. On the contrary, the UNION will actively discourage and publicly denounce any strike, stoppage, slowdown, or other interruption of work in violation of this AGREEMENT.

C. In the event the employees of the EMPLOYER in any employee unit represented by any labor organization, professional UNION, or by the UNION engage in any picketing, strike, work stoppage, or other interruption of work, it is expressly understood that the employees in the employee unit covered by this AGREEMENT shall continue to work during any such activity as a condition of continued employment, without exception, upon request of the EMPLOYER.

D. Any strike, stoppage, slowdown, refusal to work in violation of C above or other interruption of work during the life of this AGREEMENT shall constitute cause for discharge or other disciplinary measures of the employee or employees who participate therein or are responsible therefore.

9.07 Grievance and disciplinary hearings shall be scheduled during non-driving hours. They shall only be scheduled after working hours by mutual agreement.

ARTICLE TEN - LEAVES WITH PAY

10.01 Sick Leave
Each employee shall be entitled to earn sick leave credits at the rate of one (1) hour for each 17.3 hours worked.

C. The number of hours of sick leave paid to an employee at the time sick leave is utilized will be deducted from the employee's accumulated sick leave hours.
10.09 Personal Leave/Emergency Leave

A. Subject to the conditions set forth herein, employees shall be eligible to receive up to three (3) days of Personal/Emergency leave from July 1st to June 30th of each year, to be compensated at the employee's regular hourly rate of base compensation for each regular work hour off work on approved leave.

(1) Emergency leave shall be for a minimum of one-half (1/2) day increments and must be for a justifiable reason. An emergency shall be defined as an incident which prevents the employee from securing advance approval for personal leave. Emergencies shall include the following:

a. Accidents in the immediate family, i.e., father, mother, child, or current spouse of employee.
b. Road conditions making it impossible to report for work. (Every effort should be expended to report for work, even though the hour may be late.)
c. Disaster affecting employee's own family or family property.

For purposes of this provision, the term "family" is limited to the employee, employee's current spouse, or dependent of employee residing in the household of the employee. For purposes of this provision, a "disaster" shall be defined as "a sudden, unexpected and unanticipated calamity which produces material damage, loss and distress." Examples of a calamity include but are not limited to a flood causing damage to the residence of the employee, a fire in the residence of the employee, a tornado causing damage to the residence of the employee.

Such an application shall be submitted through the employee's immediate supervisor, and such supervisor shall indicate on the application his/her recommendation regarding the application. Such application must indicate that personal leave is taken in one-half (1/2) or one (1) day segments.

(3) In determining whether or not to approve any application for personal/emergency leave, the Superintendent's designee shall consider the recommendation of the employee's immediate supervisor. Such recommendation shall be based on the effect the absence of the employee will have on the efficient operation of the work regularly performed by the employee. Such leave shall not be unreasonably denied.

B. Personal Leave may not be taken:

(1) On the last work day before or the first work day after any holiday or professional day;

(2) On the last work day before or the first work day after any approved vacation; and

(a) No compensation was received as a result of the court appearance, or
(b) Compensation was received in the amount shown.

2. The amount of any witness fee or other compensation, except that which is
paid specifically for expenses incurred by reason of the subpoena, shall be
remitted to the office of the Treasurer before the end of the current pay
period. Adherence to this regulation will result in no loss of salary.

B. **Absence in Response to Jury Summons:** There shall be no loss of salary if:
1. The employee signs a statement and files same with Treasurer
immediately upon return from jury duty stating that compensation was
received in the amount shown, and
2. The employee remits the compensation received to the office of the
Treasurer within five (5) days after the employee receives compensation
from the court.

C. **Absence When Party to Court Action:** In the event of absence from duty for
any court hearing or administrative hearing in which the employee is a party, the

10.12 **Assault Leave**

A. Any employee absent from regular duties because of a physical disability
resulting from an assault on the employee by a non-employee, which occurs in the
course of BOARD employment, shall be entitled to a leave of absence under the
following conditions:

B. The maximum number of days for which assault leave shall be payable to any
employee shall be forty-five (45) days. The employee must furnish the
SUPERINTENDENT with a signed statement describing in detail all of the facts
and circumstances surrounding the assault, including, but not limited to, the
location and time of the assault, the identity of the assailant(s), if known, and the
identity of all witnesses to the assault, if known.

C. The employee must submit to the SUPERINTENDENT verification from an
attending physician that the employee is disabled from performing normal duties,
indicating the nature of the disability and its probable duration.

D. The employee must cooperate fully with the SUPERINTENDENT and other
public authority/authorities in the prosecution of the assailant(s). In the event the
employee requires representation by an attorney in the criminal prosecution of the
assailant(s), the BOARD will provide the employee with an attorney selected by
and paid by the BOARD to represent such employee in such matter. If other legal
representation is required by the employee, such may be provided by the BOARD
as approved in advance by the SUPERINTENDENT of Schools.

E. The employee shall be required to file for Workers' Compensation.

F. It is the intent of this Article to provide for assault leave for employees who do
not physically initiate the assault on their person. In case of a dispute as to
whether or not an employee has physically initiated an assault, and it is determined, either through administrative hearing or court action, that the employee did initiate the assault, the employee shall be required to either: (a) refund the compensation received as assault leave; or (b) charge the assault leave taken against the sick leave earned by the employee.

G. Assault leave shall not be chargeable against sick leave.

H. In the event the employee is eligible to and receives Workers' Compensation for all or part of the period of disability due to an assault, the amount payable by the BOARD as assault leave shall be the difference between the Workers' Compensation benefits paid and the employee's regular compensation. This shall be accomplished either by the employee receiving his/her regular compensation from the BOARD and executing the necessary form so that such Workers' Compensation is paid directly to the BOARD, or by the employee following the procedure set forth in Section 11.12 B.

I. Falsification of any statement by an employee to secure paid leave under this Article shall constitute cause for termination of the employee pursuant to Article Nine of this agreement.

10.13 Injury Leave

A. In the event of an alleged service-connected occupational illness or injury, an employee may, after filing a claim application for weekly disability benefits with the Industrial Commission of Ohio, elect in writing not to utilize any accumulated sick leave benefits. In addition, such employee may elect to use any portion of his/her sick leave accumulation for as many days per week as he/she so chooses pending receipt of Workers' Compensation benefits. In the event the employee does not make any election hereunder, there will be a charge against the sick leave credits of the affected employee only to the extent necessary to provide the employee with full pay, so that when the employee is receiving Workers' Compensation benefits, he/she will only be charged on a pro rata basis, the difference in pay between the Workers' Compensation benefits and the employee's regular compensation. This will be accomplished by the employee presenting the check received from the Bureau of Workers' Compensation to the Treasurer of the EMPLOYER. Should any employee use any of his/her sick leave accumulation from the time of the injury to the date of the allowance by the Industrial Commission or any pro rata supplement, any such sick leave attributed to the allowed service-connected injury may be bought back by repayment to the EMPLOYER on a dollar-for-dollar basis.

B. An employee absent from work because of any service connected occupational illness or injury, as determined by the Industrial Commission, shall be entitled to reinstatement upon approval of the application to return to work at the rate of pay in effect. Such application will be made within one (1) year following the date of the exhaustion of the employee's injury leave and sick leave. This period may be extended with the approval of the EMPLOYER.
C. In the event an employee receives a service connection occupational illness or injury in the course of employment with the EMPLOYER, as determined by the Industrial commission, leave of absence may be granted by the SUPERINTENDENT, or his/her designee, for a period of up to ninety (90) calendar days after the exhaustion of accumulated sick leave. In cases of such granted leave of absence, and if compensation payments are being received from the Bureau of Workers' Compensation, the EMPLOYER will supplement such compensation by paying supplemental compensation computed as the difference between compensation received and the employee's regular salary. In the event there is no return to work within said ninety (90) calendar days, the matter shall be referred to the EMPLOYER again for consideration. Leaves granted under this section are to be automatically terminated if the employee accepts or applies for employment with an employer other than the EMPLOYER.

10.14 Convention/Workshop Leave

The EMPLOYER agrees to grant, upon the request of the UNION, a paid convention leave of absence to the Union President and two (2) delegates to attend the State/District officers, not to exceed two for the purpose of attending UNION conventions and/or workshops, provided, however:

Days not worked but for which pay is granted shall be limited to five (5) days in any school year unless the State Legislature otherwise passes laws sufficient to reduce the number of required school days in the school calendar. Examples of the public calamity include (a) tornado, (b) flood, (c) ice storm (d) snowstorm, (e) other emergency situations as determined by the SUPERINTENDENT.

Those employees required to work and working on days in excess of the five (5) days cited herein, shall be paid at their normal hourly rate of pay for such hours worked. It is
understood that the EMPLOYER shall have the right to determine whether or not an employee shall be required to work during such emergency in such building. In the event the employee is transferred to a different building during the period of time the building to which he/she is regularly assigned is closed to the students, this double time provision shall not be applicable.

Employees may use available personal leave days for calamity days in excess of the five (5) days cited herein.

12.03 Leaves of absence may be authorized only by the EMPLOYER upon the recommendation of the SUPERINTENDENT. Upon return from leave status, the employee will be returned to the same position that the employee held at the time said leave commenced, if available; if not, to an equivalent position, if available; otherwise, to the next open position within the employee's classification.

28.04 Extra Board Drivers will be required to work eight (8) hours. The first pay for all bus drivers will not occur until second pay cycle of the school year (after the employee has first worked two weeks of the school year).

ARTICLE THIRTY - ATTENDANCE POLICY

30.01 Attendance Policy
A. Purpose
The ability to provide our children and young people with high quality education depends greatly on the reliability of our employees. Attendance and punctuality are an important aspect of an employee’s job performance. Dayton Public Schools does not make value judgments as to the cause of an absence or tardiness. Unscheduled absences and tardiness in any department diminishes our success in meeting our obligation to our students and places an additional burden on coworkers. It is the responsibility of managers to schedule employees to meet the needs of our students and other customers. It is the responsibility of all DPS employees to report to work and be on time as scheduled.

The Attendance and Punctuality Policy applies to Bus Drivers.

B. Definitions
1. *Unreported Absence*: When an employee fails to notify his/her manager prior to the scheduled shift that he/she will not be at work and/or when the employee leaves work prior to the end of assigned/scheduled work time without prior supervisory notice.

2. *Tardiness*: Each instance an employee clocks in more than ten (10) minutes after the scheduled starting time.

3. *Failure to Clock*: An incident of “failure to clock” occurs when an hourly employee fails to clock in and/or fails to clock out.

C. Managers and Employees Responsibilities
1. Managers shall be responsible for communicating and explaining DPS absenteeism/tardiness standards. An employee is expected to notify their manager (or designee) a minimum of sixty (60) minutes prior to the beginning of the work shift if he/she will not be able to report to work as scheduled. Failure to do this means an unreported absence has occurred.

2. Managers are responsible for monitoring their employees’ attendance/tardiness records and to take appropriate action if an employee is not adhering to the standards. The standards should be monitored in a manner
to assure that it is consistently handled for each employee who is in violation of the standard.

3. All employees are required to call their manager (or designee) a minimum of sixty (60) minutes prior to the start of the work shift if they are taking an unscheduled absence, in accordance with departmental policies.

4. Should arrival at work be delayed, employees are required to notify their manager (or designee) in advance of the scheduled start time or as close to the start time as possible. An incident of tardiness will be incurred.

D. Unreported Absences and Failure to Clock Out

1. An unreported absence and/or failure to clock out are serious. Progressive Discipline will be followed.

2. An unreported absence of (3) three consecutive scheduled workdays without prior notice will be considered abandonment of employment and will be treated as a voluntary resignation without proper notice.

3. Drivers will be required to “clock-in” and “clock-out” for all driving assignments unless otherwise permitted by a supervisor or when driving assignments overlap.

E. Discipline for abuse of Sick Leave

1. Abuse of sick leave. Abuse of sick leave is the taking of sick leave for a reason other than as allowed in this Agreement and/or the falsification of a sick leave document. An employee may be suspended or terminated for abuse of sick leave. An employee may be charged with abuse of sick leave if during the twelve (12) month period between July 1 and June 30, the employee uses five (5) or more days of sick leave for reasons other than:
   a. Serious health conditions;
   b. A condition which could expose other employees to illness if the employee reported to work or exposure to contagious disease which could be communicated to other employees;
   c. Hospitalization of the employee or a member of the employee’s immediate family;
   d. Death in the immediate family, limited to five (5) working days;
   e. A doctor’s visit for the employee, or a member of the employee’s immediate family.

2. Tardiness:
   a. “Grace Period” of ten (10) minutes... then route assigned and driver loses pay for time intervals late;
   b. When driver arrives, even though tardy, they are to be assigned the next available route, regardless of the route time;
   c. If no route becomes available, the driver will be paid for only 2 hours of “sit time”.

3. Attendance: Tardiness and Absences are to be blended together:
   a. Failure to clock in = 1 tardy
   b. 3 tardies = 1 absence
   c. Each day of absence is an occurrence
   d. Abuse of absence warrants the following discipline:
      i. For 4 days = Oral warning/counseling
ii. For 6 days = Written warning letter of reprimand

iii. For 8 days = 1 day of Administrative leave without pay

iv. For 9 days = 3 days of Administrative leave without pay

v. For 10 days = 5 days of Administrative leave without pay

vi. For 11 days = Dismissal Termination Hearing

ARTICLE THIRTY-ONE — ATTENDANCE INCENTIVE

31.01 Rewards are to be earned and paid quarterly on DPS schedule. It is the responsibility for the Employee to verify their attendance record with Management within ten (10) days for the posting of Excellent Attendance. (3 tardies=1 absence)

Perfect Attendance (0 days absence) - $250 (possible max of $1,000/year)

Excellent Attendance (1/2 to 2 days absence) - $100 (possible max of $400/year)

ARTICLE THIRTY-TWO — SAFE DRIVING BONUS

32.01 Drivers are eligible for an annual safe driving bonus. If the driver has no citations/non-chargeable offenses and no at fault accidents from July 1st through June 30th each year will be paid $100.00 the first pay period in September. The driver must have worked one hundred twenty (120) days in that year to be eligible.

ARTICLE THIRTY-THREE — NEGOTIATION PROCEDURES

33.01 Initiation of Negotiation

The negotiation representatives of each party shall be clothed with all power and authority necessary to make proposals, consider proposals, make concessions and reach tentative agreements subject only to ratification by both parties.
33.05 Reporting Negotiations Progress

approved by both groups. In the event that either party declares impasse, this provision
shall no longer be binding.

written form. Only article(s) presented at the first negotiation session shall be open for
negotiating unless mutually agreed upon by both parties.

33.08 Disagreement

through the Federal Mediation and Conciliation Service, as opposed to the Fact finding
Process contained in O.R.C. Section 4117.14(C) and under Ohio Administrative Code
Rule 4117-9-05(B), (C). The parties, by mutual agreement, can select a mediator other

ratification by the membership of the UNION and ratification by the
BOARD. Signature of the completed CONTRACT shall occur within
thirty (30) days after ratification by both parties.

of the Administration against any party involved in negotiations.

33.11 Reopening of Negotiations

prior to the expiration of the CONTRACT; provided that both parties mutually agree to
reopen negotiations on said item(s).

ARTICLE THIRTY-FOUR – LABOR MANAGEMENT COMMITTEE

34.01 In the interest of sound employee relationships, a joint committee not exceeding six (6)
half, half of whom shall represent the EMPLOYER and half of whom shall represent
the UNION; will convene from time to time for the purpose of discussing subjects of mutual
concerns not subject to the grievance procedures set forth in this agreement. Such
meetings shall not exceed one (1) each thirty (30) days and shall be held on a date to be
mutually agreeable to the parties. It shall be the express purpose of this joint committee
to build and maintain a climate of mutual understanding and respect in the discussion of common problems. A UNION representative and an EMPLOYER representative shall alternately chair the meetings. Each party shall submit to the other, at least five (5) days prior to the meeting, an agenda of items which such party desires to discuss in the meeting.

ARTICLE THIRTY-FIVE – MISCELLANEOUS

35.01 Community Schools (Conversion)
A. In the event that the EMPLOYER converts any school in this school district to a community (charter) school, the EMPLOYER will not lay off employees as a result of such conversion.
B. No employee shall be required to work at a converted community (charter) school if the employee would be employed by an entity other than EMPLOYER. If, however, an employee accepts employment at a converted community (charter) school located in this school district for any reason, the EMPLOYER will, in accordance with Chapter 3314 of the Ohio Revised Code,
1. Continue to have provided health and retirement benefits for such individual at the same level as that individual would have received had that individual not been employed at the community (charter) school and that individual continued to have been employed by the EMPLOYER;
2. Make certain that such individual receives all of the benefits provided by this and all subsequent applicable agreements;
3. Make certain that such individual does not lose any accrued sick leave, vacation leave, personal leave, or retirement benefits that had been credited to the employee while in the employ of the EMPLOYER;
4. Include in any agreement, resolution or order effectuating a succession, assignment, or transfer, a provision that this agreement is binding on the successor, assignee, or transferee and that all terms and conditions of this and all subsequent Agreements shall continue in full force and effect and that the successor, assignee or transferee shall continue to recognize the UNION as the exclusive representative of the employee, as permitted by law;
5. Allow the employee to return, with no loss of seniority or benefits, to the employee’s former position in the school district if the employee leaves or is discharged from employment with the community (charter) school for any reason. All time spent in the employ of the community (charter) school shall be credited to the employee when calculating seniority and eligibility for compensation and benefits upon employee’s return.
C. In the event that the EMPLOYER converts any school in the school district to a community (charter) school, the EMPLOYER will require the governing authority of the converted community (charter) school to recognize the UNION as the exclusive representative of all individuals employed in classifications covered by this and all subsequent applicable Agreements and to grant such employees the terms and conditions contained in this and all subsequent applicable Agreements as required by law.
D. If any OAPSE, Building Trades or DPSU bargaining unit negotiate language other than that provided herein, this bargaining unit will be offered the same language.
35.02 **Miscellaneous - Drivers Rights**

1. **Committee for assignment of new buses to drivers.** There shall be established a joint committee consisting of two management representatives and two union representatives who will meet within sixty (60) days of execution of this Agreement for the purpose of establishing procedures for the assignment of new buses to drive. 36.01 **Salary Continuation**

An employee who suffers a compensable workers’ compensation injury, including being assaulted by a student, and who is temporarily and totally disabled as a result of the injury may be eligible to receive compensation from the Bureau of Workers’ Compensation (BWC).

**Salary Continuation** is the continuation of full hourly wages and benefits at the onset of a work-related injury, and is designed to cover injured employees who would otherwise receive BWC temporary total payments where it is fiscally responsible for the District by causing the BWC to set a lower claim reserve and hence a lower premium regarding each case.

This section does not affect or replace the employees’ need to file claims with the BWC for medical treatment.

36.02 **To be Eligible for Salary Continuation:**

A. The employee must file a workers compensation claim.

B. The employee must be employed by and/or be on contract with the District and be receiving wages from the District to remain eligible for Salary Continuation, the employee must remain eligible to receive wages and/or be on contract. For example, no contract employee or other employee not required to work, such as during Summer and Intercession breaks, shall receive Salary Continuation during the time that they are not ordinarily required to work.

C. The employee must sign a Salary Continuation reimbursement agreement.
D. The employee must cooperate at all times in meeting with and in responding to information requests of the Managed Care Organization (MCO), BWC, the Risk Manager, and health providers.

36.03 Administration of Salary Continuation:
The Human Resources Department (HR) will oversee and implement Salary Continuation, and shall ensure the following:
A. The date of injury must occur in a year in which the District's merit rating or retrospective premiums will be impacted. If a workers date of injury makes him/her ineligible for Salary Continuation, then in that case, the employee may use accumulated sick leave, as provided in other provisions. If the employee assigns their BWC check for the payment of temporary total disability to the District, then the Treasurer will recredit sick leave in the amount of the BWC check.
B. Continuation of Pay payments are computed on the basis of the employees' base rate of pay and normally scheduled hours, not to exceed forty (40) hours per week. Part-time employees will have payment pro-rated.
C. To allow for tracking of wages paid as a COP, the Continuation of Pay must be recorded using the appropriate payroll codes which the Treasurer shall provide for salaried and hourly employees. Payroll clerks shall properly code COP when paid.
D. The injured employee will receive a full check at the next scheduled time after the illness or injury occurs. The payment of Salary Continuation shall not be contingent upon or wait for a BWC determination to be made. Failure to issue a full check shall cause the Board to forfeit Salary Continuation rights on the claim and temporary total compensation from the BWC will begin.
E. Within seven (7) days of filing of a claim, HR shall advise the BWC and the employee whether the Board will pay Salary Continuation. HR will further submit to the BWC the relevant salary history and the amount of the employee’s Salary Continuation payment.
F. HR shall notify the BWC when the payment of Salary Continuation is discontinued and/or when the injured employee returns to work.
G. Payments are made only for periods the employee would have been eligible for temporary total workers' compensation benefits for injuries and will be terminated upon return to work; when the Bureau of Workers' Compensation or the Industrial Commission has determined the employee has reached maximum medical improvement, when an offer of transitional duty has been made by the District and declined by the employee, or, when twelve (12) calendar weeks of Salary Continuation have been paid, whichever occurs first. If the employee has not returned to work within the twelve (12) calendar week period and has not reached maximum medical improvement, he/she may then receive benefits from the BWC or use any available sick leave, but the employer will not be required to buy back any sick leave used.
H. Time authorized under Salary Continuation is an FMLA qualifying event.

36.04 Employee Rights

36.04.1 An employee continues to accrue sick leave while on Continuation of Pay if they would have otherwise accrued such leaves.
36.04.2 Time authorized under Continuation of Pay is considered time worked for employees still in their probationary period, if any.

36.05.3 An injured employee receiving Salary Continuation cannot concurrently receive, for the same period of time, any other District compensation (e.g. sick leave, supplemental contract pay, etc.) or temporary total compensation payments from the State of Ohio Bureau of Workers' Compensation.

36.04.4 A return to work does not eliminate eligibility for the balance of Salary Continuation in the future if a medically documented flair up occurs as determined by the Bureau of Workers' Compensation or the Industrial Commission for this claim.

36.04.5 Salary Continuation may be paid for medical appointments documented under an approved transitional duty program and approved by the Risk Manager. (See Transitional Duty). This policy supersedes any prior practice of sick leave buyback, except as noted below, and Salary Continuation shall not be charged to sick leave.

36.05 **Transitional Duty**

Transitional Duty is designed to allow an employee to safely return to work with temporary physical limitations and restrictions which may prevent the employee from performing all of his or her assigned duties.

Transitional Duty applies only to work-related workers' compensation injuries or illnesses and is not to be considered as an official position or job. Transitional Duty is not a job classification, permanent or otherwise. An employee performing transitional duties retains his/her existing job classification and seniority.

Transitional Duty is applicable only when it is deemed medically reasonable that a full recovery is expected to occur within twelve (12) weeks. Transitional Duty, therefore, shall last no more than twelve (12) weeks with a full return to work by the end of twelve (12) weeks. Transitional Duty is not available if the employee has reached maximum medical improvement as determined by the Bureau of Workers' Compensation.

36.05.1 To be eligible for Transitional Duty, an employee must complete all related injury investigation forms, First Report of Injury (FROI) form, medical releases, and any other documents required by the physician, the Managed Care Organization (MCO), the employer, and the Third-Party Administrator.

36.05.2 Transitional Duty is implemented upon the availability of Transitional Duty by the employer. Full regular wages are paid during Transitional Duty.

The Treasurer shall use a payroll code for salaried and another code for hourly employees working in Transitional Duty to allow for proper tracking of Transitional Duty.

36.04.3 Transitional Duty can be less than full time with Salary Continuation paid, if eligible, for hours not worked to supplement a full, regular wage. Hours not worked must be documented and supported by appropriate medical documentations. For example, an employee normally scheduled for eight (8) hours per day is released to return to work four (4) hours and attends physical therapy the remaining four (4) hours. In this situation, he will work four (4) hours and receive his regular wages and then receive four
(4) hours of Salary Continuation upon submission of supporting medical documentation of the time spent in therapy.

36.05 **Coordination of Transitional Duty**

Transitional Duty is applicable to compensable injuries as determined by the Bureau of Workers' Compensation whether lost time or medical only. Once an employee returns to work under the Transitional Duty program, Salary Continuation is payable in medical-only claim. For example, if an employee is off four days and returns to work under an approved Transitional Duty program, the four days will not be considered Salary Continuation. If, however, the employee returns to work under Transitional Duty and must then be excused for physical therapy or doctor visits in order to continue Transitional Duty and recover from a work-related injury, Salary Continuation is payable while the employee is off the work site. The employee shall provide to his or her supervisor appropriate medical documentation supporting attendance. Appropriate medical documentation should include the date, time in and time out, and the medical provider's signature.

36.06 **Use of Salary Continuation**

Salary Continuation is not payable for medical appointments once the employee is released to full duty, has exhausted all available Salary Continuation. An employee on Transitional Duty who has exhausted all available Salary Continuation, may elect to use available paid leave or leave without pay if they are still unable to return to work.

36.07 **Transitional Duty and Outside Job**

An employee cannot work a second job within or outside of the District and work Transitional Duty unless approved by the Risk Manager.

The goal of Transitional Duty is to return the employee to his regular job and department, but other work within the department would be appropriate if the employee is unable to do any part of his regular job. Work outside of his immediate department can be considered if work is not available within his department.

36.08 **Refusal of Transitional Duty**

36.08.1 If an employee is offered Transitional Duty and refuses a Transitional Duty offer within his or her medical limitations, the employee is not eligible for Salary Continuation. The employee will not be eligible for temporary total benefits from the Ohio Bureau of Workers' Compensation when a valid Transitional Duty offer has been made and declined. The District will notify the Ohio Bureau of Workers' Compensation of any refusal to accept a Transitional Duty offer that is within the medical limitations.

36.08.2 An employee may elect to use sick leave, if the employee refuses Transitional Duty, but no buy-back of the leave taken shall occur. All leave taken for a work-related injury should be reviewed for FMLA qualification.
A Transitional Duty offer made to an employee refusing to return to work must be reduced to writing and sent by certified mail or hand delivered to the employee. If hand delivering the offer, be sure to obtain the injured worker's signature and date received on the employee's copy.

Time spent in Transitional Duty is considered time worked for employees still in their probationary period.

36.09 Maintaining Transitional Duty
To remain eligible for Transitional Pay, the Employee must cooperate with, meet when reasonably requested, and respond to information requests from the Managed Care Organization (MCO), Third-Party Administrator (TPA), Risk Manager, health providers, and his/her supervisor.

If any court of competent jurisdiction determines that any provision of this AGREEMENT is illegal, then such provision shall automatically terminate, and the remainder of this AGREEMENT shall remain in full force and effect.

37.02 This AGREEMENT shall be effective as of the date of signing hereof by the parties or the implementation hereof by the BOARD and shall remain in effect through June 30, 2020.

To reopen for a successor agreement: Either party to this agreement shall have the right to reopen negotiations for a successor agreement. To invoke such negotiations, the requesting party must give written notice of its intent to request such reopener to the other party during the period between 120-60 days before June 30, 2020.

IN THE WITNESS WHEREOF, the parties executed this CONTRACT this _____ day of ____________, 2018.
