ITEM XVII

I recommend approval of the following amended Resolution awarding the contracts for the New Construction of Meadowdale High School under Segment III of the Accelerated Urban Building Replacement Program of the firms as depicted in the chart below.

Rationale
The Dayton Board of Education (the “Board”) is undertaking a Classroom Facilities Assistance Program Project in cooperation with the Ohio School Facilities Commission (“OSFC”) through the OSFC’s Accelerated Urban Building Replacement Program, which will result in the construction of new school facilities and renovations and additions to existing facilities within the school district, as described in the Master Plan accepted by the Board. At this time, the bids have been solicited and received for the new construction of Meadowdale High School under Segment III of the Accelerated Urban Building Replacement Program.

Bids were received as depicted in the chart below for the New Construction of Meadowdale High School under Segment III of the Accelerated Urban Building Replacement Program, and the Chief Construction Officer has reviewed, in conjunction with the Construction Manager, design professionals and the school districts staff the bids submitted by firms as shown in the chart below. The Construction Manager, in conjunction with the design professionals and the school district’s staff, evaluated the bids and met with representatives of the companies and checked with the references for the companies. Based on the information reviewed and evaluated, the Chief Construction Officer recommends to the Superintendent and Board of Education that the list below reflects the lowest responsible bidders for the new construction for Meadowdale High School under Segment III of the Accelerated Urban Building Replacement Program, and further recommends that Alternate M19 be accepted in accordance with O.R.C. 3313.46b2 along with the base bid via change order.

NOW, THEREFORE, BE IT RESOLVED by the Dayton Board of Education of the Dayton City School District, Montgomery County, Ohio, that the Board of Education accepts the recommendation of the Superintendent and award the contracts for the new construction of Meadowdale High School under Segment III of the Accelerated Urban Building Replacement Program to the firms as listed in the chart below.

BE IT FURTHER RESOLVED that the Board President, Superintendent, and Treasurer are authorized to sign the change order and any related documents required to evidence the change order, subject to any required approvals of the OSFC.

ITEM XVIII

I recommend approval of the Schematic Design Phase Submission for Franklin Montessori.
Rationale
The Dayton Board of Education (the "Board") is undertaking a Classroom Facilities Assistance Program Project in cooperation with the Ohio School Facilities Commission ("OSFC") through the OSFC's Accelerated Urban Program, which will result in the construction of new school facilities and renovations and additions to existing facilities within the school district, as described in a Master Plan accepted by the Board. At this time, the Architect and the Construction Manager have prepared the documents required by the OSFC for the schematic design phase submission for Franklin Montessori (the "Project"). The schematic design phase submission, assembled by the Construction Manager, includes drawings prepared by the Architect, an estimate of probable construction cost and preliminary schedule for the Project prepared by the Construction Manager, comments prepared by the Construction Manager based upon its review of the documents for compliance with the Ohio School Design Manual and the Master Plan, and the Construction Manager's recommendation letter for approval.

The Construction Manager, together with the Architect, recommend approval of the Schematic Design Phase Submission for the Project dated September 11, 2008, subject to approval of the OSFC, and request authorization to proceed with preparation of the documents required for the design development phase for the Project.

NOW, THEREFORE, BE IT RESOLVED by the Dayton Board of Education of the Dayton City School District, Montgomery County, Ohio, that the Board of Education accepts the recommendation of the Superintendent and approves the Schematic Design Phase Submission dated September 11, 2008, for Franklin Montessori as presented by the Construction Manager, subject to approval by the OSFC.

BE IT FURTHER RESOLVED that the Board directs the Architect and Construction Manager to proceed with preparation of the design development phase submission documents for Franklin Montessori based upon the approved schematic design phase documents for the Project.

ITEM XIX

I recommend that the Board authorize the OSFC PURCHASE ORDERS as submitted by the Treasurer.

Motion Carried.

NEW BUSINESS

Mr. Keith made a brief statement about school size and how the schools are constructed. Officers were elected to the student senate. Mr. Keith is thrilled about serving on the student senate and thanked the board members for taking time out of their busy schedules for schools and the students. He went on to say that without the care and support of special people there is no Dayton Public Schools.

Mr. Lacey spoke at the Historic Huffman Neighborhood Association and is plans to attend candidate’s night which is being held at St. Mark’s Church.

Ms. Nerny is scheduled to go to the Patterson Park Neighborhood Association this evening to speak about the levy.

Mr. Mims, Mr. Lucas and Mr. Lee attended the Ohio School Boards Association conference to re-establish the 21 urban school districts (commission) focused on the needs of districts that contain 25% of the total population of children in Ohio. The urban 21 districts also contain 75% of the entire minority children and 75% of the poor children and 32% of the special needs children. There is a follow up meeting on October 30, 2008. He also attended the Council of Urban Boards of Education conference and spoke at the Inner West Priority Board.

Ms. Thompson said the levy is truly about children.

Dr. Stanic congratulated Malcom and his classmates for their questions and recognized Mr. Concannon for making arrangements for the Thurgood Marshall play. Mr. Concannon made brief remarks.
Ms. Isacs enjoyed the Thurgood Marshall performance and Judge Rice’s lecture on the de-segregation issue. The official kick off for the levy campaign was held yesterday. It is critical that we pass this levy.

ADJOURNMENT

There being no further business, it was moved by Mr. Lacey and seconded by Ms. Thompson to adjourn.

AYES:        Isacs, Lacey, Lee, Mims, Nerny, Thompson – 6

ITEM XIV

I recommend the acceptance of the resolution adding responsible bidder and contractor requirements for the remaining nine Segment III schools in the Ohio School Facilities construction projects.

Rationale
In January 2004, the Board, by resolution, adopted a Community Inclusion program that promoted the tenets of responsible and responsible contractors.

WHEREAS, Section 1.4 of the District’s Community Inclusion Program; the Board desires to promote integrity in the school district’s contracting processes, to set high standards for construction quality, to conduct business with responsive and responsible contractors, and/or to create jobs and job training opportunities for school district graduates and school district residents whose children attend Dayton Public Schools. The Board also desires to provide bid opportunities for responsive and responsible contractors and vendors on school construction projects the Board desires, to ensure that bidders and contractors who conduct business with the school district comply with applicable laws, including laws governing wages, hours and working conditions, satisfy their legal obligations to deliver the highest quality construction product to the school district and employ and utilize trained and skilled workers for the efficient and productive construction of public schools in the school district. The Board further believes that construction of quality facilities will be enhanced if contractors are required to pay prevailing wages to employees working on the Facilities Projects; and

WHEREAS, the District is committed to ensuring that the District’s schools are built by responsible contractors employing a qualified workforce; and

WHEREAS, the Ohio School Facilities Commission has now allowed additional local control to individual School Districts which will ultimately own the school buildings, and have responsibility for the upkeep and maintenance of the school buildings; and

WHEREAS, this School District wishes to establish responsible bidder criteria to ensure the projects are completed by responsible contractors employing a qualified workforce; and

WHEREAS, the District is committed to ensuring that economically disadvantaged business enterprises are ensured opportunities to be competitive on the District’s school construction project; and WHEREAS, the District while supporting the above, still must ensure for the students, parents, teachers and community, the economic viability of the total project,

NOW, THEREFORE, BE IT RESOLVED, that the Dayton Board of Education in continuing it’s commitment for utilization of responsible contractors on OSFC school construction projects, adopts the following Dayton Public Schools Responsible Bidder Workforce Standards; said standards to be included as a part of the requirements and subsequent bid specifications for the remaining nine Segment III schools bid in DPS construction projects.
ITEM XV

I recommend approval of the Resolution awarding the contracts for Segment II Schools (Dunbar High School and David H. Ponitz Career Technology Center), Fixtures, Furnishings and Equipment (FF&E), of the Accelerated Urban Building Replacement Program to the firms as depicted in the chart below.

Rationale
The Dayton Board of Education (the "Board") is undertaking a Classroom Facilities Assistance Program Project in cooperation with the Ohio School Facilities Commission ("OSFC") through the OSFC's Accelerated Urban Building Replacement Program, which will result in the construction of new school facilities and renovations and additions to existing facilities within the school district, as described in the Master Plan accepted by the Board. At this time, the bids have been solicited and received for the Segment II Schools (Dunbar High School and David H. Ponitz Career Technology Center), Fixtures, Furnishings and Equipment, of the Accelerated Urban Building Replacement Program.

Bids were received as depicted in the chart below for the Segment II Schools (Dunbar High School and David H. Ponitz Career Technology Center), Fixtures, Furnishings and Equipment, of the Accelerated Urban Building Replacement Program, and the Chief Construction Officer has reviewed, in conjunction with the design professionals, school district's staff and consultants the bids submitted by firms as depicted in the chart below. The Chief Construction Officer, in conjunction with the design professionals, school district's staff and consultants, evaluated the bid and met with representatives of the company and checked with the references for the companies.

Based on the information reviewed and evaluated, the Chief Construction Officer recommends to the Superintendent and Board of Education that the above list reflects the lowest responsible bidders for the Segment II Schools (Dunbar High School and David H. Ponitz Career Technology Center), Fixtures, Furnishings and Equipment, of the Accelerated Urban Building Replacement Program, and further recommend awarding the contract to the firms in the amount specified on above list.

NOW, THEREFORE, BE IT RESOLVED by the Dayton Board of Education of the Dayton City School District, Montgomery County, Ohio, that the Board of Education accepts the recommendation of the Superintendent and award the contracts for the Segment II Schools (Dunbar High School and David H. Ponitz Career Technology Center), Fixtures, Furnishings and Equipment, of the Accelerated Urban Building Replacement Program to the firms, as listed in the above chart.

BE IT FURTHER RESOLVED that the Board President, Superintendent, and Treasurer are authorized to sign the contract and any related documents required to evidence the contract, subject to any required approvals of the OSFC.

I recommend approval of the Resolution awarding the contracts for the New Construction of Residence Park PK-8 new school building under Segment III of the Accelerated Urban Building Replacement Program of the firms as depicted in the chart below.

Rationale
The Dayton Board of Education (the "Board") is undertaking a Classroom Facilities Assistance Program Project in cooperation with the Ohio School Facilities Commission ("OSFC") through the OSFC's Accelerated Urban Building Replacement Program, which will result in the construction of new school facilities and renovations and additions to existing facilities within the school district, as described in the Master Plan accepted by the Board. At this time, the bids have been solicited and received for the new construction of Residence Park PK-8 new school building under Segment III of the Accelerated Urban Building Replacement Program.

Bids were received on September 30, 2008 as depicted in the chart below for the new construction of Residence Park PK-8 new school building under Segment III of the Accelerated Urban Building Replacement Program, and the Construction Manager has reviewed, in conjunction with the design professionals and the school district's staff the bids submitted by firms as shown in the chart below. The Construction Manager, in conjunction with the design professionals and the school district's staff, evaluated the bid and met with representatives of the companies and checked with the references for the companies.

Based on the information reviewed and evaluated, the Construction Manager recommends to the Superintendent and Board of Education that the above list reflects the lowest responsible bidders for the new construction for Residence Park PK-8 under Segment III of the accelerated Urban Building Replacement Program, and further recommends awarding the contract to the firms in the amount specified on above list.

NOW, THEREFORE, BE IT RESOLVED by the Dayton Board of Education of the Dayton City School District, Montgomery County, Ohio, that the Board of Education accepts the recommendation of the Superintendent and award the contracts for the new construction of Residence Park PK-8 under Segment III of the Accelerated Urban Building Replacement Program to the firms as listed in the above chart.

ITEM XVII

I recommend approval of the Professional Design Services Resolution for the new Montessori PK-8 School.

Rationale
The Dayton Board of Education (the "Board") is undertaking a Classroom Facilities Assistance Program Project in cooperation with the Ohio School Facilities Commission ("OSFC") through the OSFC's Accelerated Urban Building Replacement Program, which will result in the construction of new school facilities within the school district, as described in the Master Plan accepted by the Board.
At this time, the Dayton Board of Education and Treasurer, having publicly announced the Request for Qualifications (RFQ 806-735) for Architectural, Engineering and Design Services and having received Statements of Qualifications, the Chief Construction Officer and staff, having evaluated firm and negotiated fees in accordance with Section 153.65-71 of the Ohio Revised Code, hereby submit award recommendations. Funding will be 39% Local Share and 61% State Share with the exception of Locally Funded Initiatives (LFI).

WHEREAS, the Locally Funded Initiatives are included in this contract but must be funded in whole by the school district Board, including related design and other professional services.

NOW, THEREFORE, BE IT RESOLVED that the Dayton Board of Education award the contracts for Architectural, Engineering and Design Services for the new Montessori PK-8 School to SFA Architects, Inc.

SUPPLEMENT TWO

ITEM I

I recommend approval of the Resolution awarding the contracts for the New Construction of Residence Park PK-8 new school building under Segment III of the Accelerated Urban Building Replacement Program of the firms as depicted in the chart below.

Rationale
The Dayton Board of Education (the "Board") is undertaking a Classroom Facilities Assistance Program Project in cooperation with the Ohio School Facilities Commission ("OSFC") through the OSFC's Accelerated Urban Building Replacement Program, which will result in the construction of new school facilities and renovations and additions to existing facilities within the school district, as described in the Master Plan accepted by the Board. At this time, the bids have been solicited and received for the new construction of Residence Park PK-8 new school building under Segment III of the Accelerated Urban Building Replacement Program.

Bids were received on September 30, 2008 as depicted in the chart below for the new construction of Residence Park PK-8 new school building under Segment III of the Accelerated Urban Building Replacement Program, and the Construction Manager has reviewed, in conjunction with the design professionals and the school district’s staff the bids submitted by firms as shown in the chart below. The Construction Manager, in conjunction with the design professionals and the school district’s staff, evaluated the bid and met with representatives of the companies and checked with the references for the companies.

Based on the information reviewed and evaluated, the Construction Manager recommends to the Superintendent and Board of Education that the above list reflects the lowest responsible bidders for the new construction for Residence Park
PK-8 under Segment III of the Accelerated Urban Building Replacement Program, and further recommends awarding the contract to the firms in the amount specified on above list.

NOW, THEREFORE, BE IT RESOLVED by the Dayton Board of Education of the Dayton City School District, Montgomery County, Ohio, that the Board of Education accepts the recommendation of the Superintendent and award the contracts for the new construction of Residence Park PK-8 under Segment III of the Accelerated Urban Building Replacement Program to the firms as listed in the chart below.

NEW BUSINESS

Mr. Lee attended the following: ground breakings at Fairview PK-8 and Meadowdale PK-8 and NAACP banquet. He reminded everyone of the importance of Issue 52.

Mr. Keith attended the NAACP banquet and received an award from the Afro Academic Cultural & Scientific Olympics for a computer science project.

Ms. Thompson recognized Cherisse for obtaining her MBA degree.

Ms. Taylor has been walking and knocking on doors for the levy.

Mr. Lacey read his poem to the board.

Ms. Nerny walked the Belmont and Harrison Township areas for the levy and attended neighborhood meetings as well.

Dr. Stanić expressed gratitude to many community organizations, churches, business groups, home owner's association and priority boards who allowed him to come out and provide information about Issue 52. He also made brief comments about his plan to reduce class size, eliminate split classrooms, and restore activities for middle and high schools contingent on resources made available from Issue 52. Dayton Public School's accountability is also important he indicated. Please support issue 52.
Mr. Mims thanked two new co-chairs who are participating in the levy. There is a fund raiser on October 30, 2008. He thanked the bargaining units for their comments. He also attended many community meetings and church groups as well.

Don't know if you included this in the minutes or not, but if you didn't you'll want to revise them. This is the poem Joe wrote at the October 21 meeting.

In the interest of teaching and learning,
We ask our community to come through.
For education our children are yearning,
Vote yes on 52!
Keep textbook pages turning.
Vote yes on 52!
Keep passion for knowledge burning.
Vote yes on

Thanks!
