ITEM III

I recommend approval of the resolution to advertise the announcement for a request for proposal to provide speech/language pathologists, audiologists, occupational therapists, physical therapists, education interpreters and/or transition to work coordinators services for the Dayton Public School district.

Rationale
The district's current Related Services contract(s) expires June 30, 2008. Because of the district's need to continue these services specifications have been finalized based upon state requirements and services needed. Authorization is being requested to advertise for proposals to the specifications.

NOW, THEREFORE, BE IT RESOLVED that the Treasurer be and hereby is authorized to advertise the announcement for a Request for Proposal to provide speech/language pathologists, audiologists, occupational therapists, physical therapists, educational interpreters and/or transition to work coordinators services for the Dayton Public School district. Firms submitting proposals will be evaluated in accordance with the provisions set forth in the solicitation and the subsequent award recommendation report reported the Board.

ITEM IV

I recommend that the Board authorize the General Funds PURCHASE ORDERS as submitted by the Treasurer.

Shepherd, Roger L.
ITEM VII

I recommend approval of the Grant Applications listed.

Reading First-Ohio from ODE/RF-Ohio in the amount of $1,000,000.00

The purpose of the Reading First-Ohio Grant is to sustain district efforts that make a major impact on K-3 reading achievement. Further, the grant will support development of teacher knowledge of reading instruction and delivery, standards based instruction, five essential elements of reading, ensure the use of scientifically based research practices, and the Ohio Assess-Plan-Teach model of instruction. The district staff plans to work collaboratively to ensure that the RF-Ohio and Dayton Public Schools goals are aligned and implemented properly. The grant, if funded, would ensure appropriate monitoring of practices through RF Literacy Coaches, Data Managers, Resource Managers, a RF District Coordinator and external evaluators.

Positive Behavior Support from Iddings in the amount of $1,000,000.00

PBS is a broad range of systemic and individualized strategies for achieving important social and learning outcomes, while preventing problem behavior. PBS utilizes a collaborative positive approach that acknowledges appropriate behavior and addresses the skill deficits and educational needs of all students. Basic Idea: Iddings will collaboratively sustain effective implementation of PBS by providing the resources required in the five (5) neighborhood schools (Edison, Cleveland, Fairview, Kiser, and Ruskin). Iddings’ focus on these neighborhood schools is based on each school’s current: long term goal of retaining and stabilizing a student population; effort to involve the community; and integration of behavioral interventions with outside support. Costs: The budget envisions costs over a 3 year period of $1,000,000.00. This amount could be increased for specific school requirements/opportunities that occur as the project proceeds.

Estimated Date of Recommendation for Approval by Commission and Controlling Board: June, 2008

Section 2. That this Board of Education hereby acknowledges its intention to contribute the Board of Education’s original proportional share of an actual Project cost overrun pursuant to Section 3318.083, ORC, if it is determined at such time in the future, that the total Project budget is or will be insufficient to enter into contracts, or if the contingency reserve and all interest earnings on Project funds should or will become depleted before Project completion, and all Project costs are not satisfied.

Section 3. That this Board of Education hereby finds and determines that all formal actions relative to the adoption of this resolution were taken in an open meeting of this Board of Education; and that all deliberations of this Board of Education and of its committees, if any, which resulted in formal action, were taken in meetings open to the public, in full compliance with applicable legal requirements, including Section 121.22, ORC.

Section 4. This resolution shall be in full force and effect from and immediately after its adoption.

ITEM XVI

I recommend the acceptance of the resolution adding responsible bidder and contractor requirements to all Ohio School Facilities construction projects.

Rationale

In January 2004, the Board, by resolution, adopted a Community Inclusion program that promoted the tenets of responsible and responsible contractors.
WHEREAS, Section 1.4 of the District’s Community Inclusion Program; the Board desires to promote integrity in the school district’s contracting processes, to set high standards for construction quality, to conduct business with responsive and responsible contractors, and/or to create jobs and job training opportunities for school district graduates and school district residents whose children attend Dayton Public Schools. The Board also desires to provide bid opportunities for responsive and responsible contractors and vendors on school construction projects the Board desires, to ensure that bidders and contractors who conduct business with the school district comply with applicable laws, including laws governing wages, hours and working conditions, satisfy their legal obligations to deliver the highest quality construction product to the school district and employ and utilize trained and skilled workers for the efficient and productive construction of public schools in the school district. The Board further believes that construction of quality facilities will be enhanced if contractors are required to pay prevailing wages to employees working on the Facilities Projects; and

WHEREAS, the District is committed to ensuring that the District’s schools are built by responsible contractors employing a qualified workforce; and

WHEREAS, the Ohio School Facilities Commission has now allowed additional local control to individual School Districts which will ultimately own the school buildings, and have responsibility for the upkeep and maintenance of the school buildings; and

WHEREAS, this School District wishes to establish responsible bidder criteria to ensure the projects are completed by responsible contractors employing a qualified workforce; and

WHEREAS, the District is committed to ensuring that economically disadvantaged business enterprises are ensured opportunities to be competitive on the District’s school construction project; and

WHEREAS, the District while supporting the above, still must ensure for the students, parents, teachers and community, the economic viability of the total project

NOW, THEREFORE, BE IT RESOLVED, that the Dayton Board of Education in continuing its commitment for utilization of responsible contractors on OSFC school construction projects, conditionally adopts the following Dayton Public Schools Responsible Bidder Workforce Standards; said standards to be included as a part of the requirements and subsequent bid specifications for the first three Segment III schools bid in DPS construction projects. At which time an evaluation will be made of the economic impact, and a determination made as to whether these provisions will remain in effect, in full, or part, for the balance of the project.

ITEM XVII
