A. DAYTON PUBLIC SCHOOLS

Various Donations

Belmont High School

ITEM XIX

I recommend that the Board adopt the following resolution for the FY 11 Amended Official Certificate of Estimated Resources.

Rationale
Pursuant to Section 5705.36 and 5705.39 of the Ohio Revised Code, the Treasurer has determined that revenues, which will actually be collected, are $100,737 greater than the amount included in the last official Certificate of Estimated Resources for FY 11. The increase to estimated resources is a result of additional revenue for Fund 533 Title II-D Technology. The new estimated resource for all funds is now $444,383,849.

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of the Dayton City School District that the Amended Official Certificate of Estimated Resources for the fiscal year beginning July 1, 2010, as revised by the Budget Commission of Montgomery County, which shall govern the total of appropriations made at any time during such fiscal year.

ITEM XX

I recommend that the Board adopt the following resolution for the Supplemental Appropriation Measure for FY11.

Rationale
Section 5705.38 of the Ohio Revised Code requires the adoption and/or amendment of an Annual Appropriation Measure.
NOW, THEREFORE, BE IT RESOLVED by the Board of Education of the Dayton City School District that because estimated resources are estimated to be higher than the last certificate and to provide for the current expenses and other expenditures of said Board of Education during fiscal year ending June 30, 2011, the sums be and hereby are set aside and appropriated for expenditures which are to be made during the said fiscal year. The change in the estimated resources is resulting in an increase of $100,737 for Fund 533 Title II-D Technology. An increase of $800,000 for Fund 003 Permanent Improvement and a decrease of $100,737 to Fund 590 Title VI Reducing Class Size to an overall total appropriation increase of $800,000.

Be it further resolved that pursuant to Section 5705.412 of the Ohio Revised Code that the Board President, Superintendent, and Treasurer certify that the Dayton Public School District has in effect for the fiscal year 2011 the authorization to levy taxes, which, when combined with the estimated revenue from all other sources available to the district at the time of certification, are sufficient to provide the operating revenues necessary to enable the district to maintain all personnel and programs for all the days set forth in its adopted school calendars for the current fiscal year (2011).

ITEM XXI

I recommend approval of the Resolution to Approve Five-Year Forecast as of May 31, 2011.

Rationale
Pursuant to Section 5705.391 of the Ohio Revised Code, this Board is required to approve a Five-Year Forecast with accompanying assumptions. This Five-Year Forecast will be submitted to the State Department through EMIS upon Board approval.

NOW THEREFORE, BE IT RESOLVED by the Board of Education of the Dayton City School District that it hereby approves the Five-Year Forecast (ATTACHMENT 1) for the period of fiscal years 2011 through 2015.

ITEM XXII

Pursuant to Section 5705.41 of the Ohio Revised Code, I recommend that the Board of Education of the Dayton City School District accept the following “then and now certificate.” It is hereby certified that both at the time of the making of this contract or order and at the date of the execution of this certificate the amount required to pay this contract or order has been appropriated for the purpose of this contract or order and is in the treasury or in the process of collection to the credit of the fund, free from any previous encumbrance.

I recommend that the following invoices $3,000.00 and over be authorized for payment by the Dayton Board of Education.
