ITEM V

I recommend approval of the resolution authorizing and directing Bricker and Eckler, LLP, to take necessary and appropriate action to secure payment of unpaid School Foundation Funds wrongfully withheld.

Rationale

Whereas, the Board of Education engaged the law firm of Bricker and Eckler, LLP, as legal counsel and entered into a Settlement Agreement with the State of Ohio, et al. dated May 5, 2009 related to deficient State payments from the school foundation fund, and,

Whereas, that Settlement Agreement provided that the matter remained open as to additional, but not then determined, deficient amounts of school foundation funds, and,

Whereas, the Board of Education has determined that further State school foundation funds are owed and due,

NOW THEREFORE BE IT RESOLVED, by the Board of Education of the Dayton City School District, Montgomery County, Ohio that:

Section 1. Bricker and Eckler, LLP, is hereby authorized and directed as Board legal counsel to take such action as may be necessary and appropriate, including the commencement prosecution of litigation, to secure payment for the District of unpaid school foundation funds wrongfully withheld with respect to fiscal years beginning July 1, 2004 and ending June 30, 2005 (FY05) and the succeeding two fiscal years FY06 and FY07, together with such other relief as may be appropriate.
Section 2. The Board hereby finds and determines that all formal actions related to the adoption of this resolution were taken in open meetings of this Board, and that all deliberations of this Board and of its committees, which resulted in formal action, were taken in meetings open to the public in full compliance with applicable law.

Section 3. The Resolution shall be in full force and effect from and immediately after its adoption.

**ITEM VI**

I recommend approval of the Transportation Services resolution requesting permission to advertise for the Transport of Charter and Non-Public School students serviced by Dayton Public Schools.

Rationale
Currently the majority of Charter and Non-Public school students, serviced by Dayton Public Schools, are transported to and from school via district owned and operated vehicles. Therefore, it is necessary to advertise for proposal for alternate means of transportation for Dayton Public Schools, which will better enable the district to safely, economically, and efficiently transport all students within the Dayton Board of Education's jurisdiction.

NOW, THEREFORE, BE IT RESOLVED that the Treasurer be and hereby is authorized to advertise for proposal for transportation of Charter and Non-Public school students, that are in the jurisdiction of the Dayton Board of Education. Said proposals will be evaluated and tabulated and the results will be reported to the Board of Education at a regularly scheduled meeting.

**ITEM VII**

I recommend approval of the following resolution to participate in the Montgomery County Learn to Earn Resolution.

Rationale
The Vision: Every student will be ready to learn when entering kindergarten, ready to learn when graduating from high school, and ready to earn a living when graduating with a postsecondary credential.

WHEREAS, Kindergarten readiness is essential for school success, BUT many children in Montgomery County, and up to 50% of the children in our community’s low income school districts, are not kindergarten ready when they start school; and,

WHEREAS, Basic levels of reading, math and writing skills are essential for college readiness, BUT 50% to 75% of Montgomery County’s low income high school graduates are not college ready; and,
WHEREAS, a well-educated workforce is necessary for the Dayton Region’s long-term success, BUT less than 3% of Montgomery County’s low income young adults have obtained a postsecondary credential; and,

WHEREAS, all community stakeholders must join together to ensure that our children, teens and young adults, regardless of income, receive the education and support they need to be healthy, motivated and career-ready.

BE IT RESOLVED:

1. We agree that earning a college degree or a workforce credential with value in the job market is the standard for all of our community’s young adults regardless of income level.

2. We will join parents, students, public, private and charter schools, early learning centers, local colleges and universities, businesses, faith-based and youth serving organizations, civic groups in Montgomery County, and the Cities of Dayton, Trotwood and Riverside, Harrison and Jefferson Townships, in making the Learn to Earn Pledge:

By working together through Learn to Earn we will:

ACHIEVE new goals and expectations for kindergarten and college readiness, postsecondary persistence and college or workforce credential completion; USE data to drive our efforts and measure our progress; MOBILIZE resources from throughout the community to enable all of our young people to succeed.
