Free Dental Sealants
Miami Valley Hospital/Funding provided by Ohio Department of Health

Dear Parent:
A **free** dental program will be in your child's school. The Program is primarily for **2nd and 6th graders**. Sealants help stop tooth decay. A Registered Dental Hygienist will screen your child's teeth and decide which back teeth need to be sealed. A dental hygienist will then put the sealants on your child's teeth to seal out food and bacteria that cause decay. Your child's sealants will be checked **next year**. New sealants will be applied if needed. *Please fill out this form today*. Your child must return it to his/her teacher.
We need you to answer YES or NO.
