

APEX LEARNING

9-12 Remote Learning Option

David H. Ponitz CTC

741 Washington St, Dayton, OH 45402 937.542.7180

APEX LEARNING

Dayton Public Schools students who choose the remote learning option will enroll in APEX. APEX courses are standards-aligned and interactive.

Students work on two classes at a time. Students must earn a minimum of 2.5 credits (5 semester classes) to move to the next grade level. When a class is finished, the next class starts.

Athletes must be enrolled in five one-credit classes and meet eligibility requirements to play spring sports.

Students work at their own pace through the modules. Students must finish 2-3 courses by April 30, the end of the third quarter, to be on track.

Students earn grades on quizzes, tests, and a final exam in each course. Grades are maintained in APEX only, not HAC. Students must complete the entire course and earn a 70% or higher in the course.

ATTENDANCE

Students must log in to every class, every day, five days per week.

WHAT TO DO IF YOU NEED HELP

Contact the teachers listed or join them in a virtual meeting.

WHO TO CALL TO RELEASE QUIZZES

Contact your Site Coordinator

Role	Name	Time & Link
