

# APEX LEARNING

9-12 Remote Learning Option

Stivers School for the Arts  
1313 East Fifth Street, Dayton, OH 45402 937.542.7380

## APEX LEARNING

Dayton Public Schools students who choose the remote learning option will enroll in APEX. APEX courses are standards-aligned and interactive.

Students work on two classes at a time. Students must earn a minimum of 2.5 credits (5 semester classes) to move to the next grade level. When a class is finished, the next class starts.

**Athletes** must be enrolled in five one-credit classes and meet eligibility requirements to play spring sports.

Students work at their own pace through the modules. Students must finish 2-3 courses by April 30, the end of the third quarter, to be on track.

Students earn grades on quizzes, tests, and a final exam in each course. Grades are maintained in APEX only, not HAC. Students must complete the entire course and earn a 70% or higher in the course.

## ATTENDANCE

Students must log in to every class, every day, five days per week.

## WHAT TO DO IF YOU NEED HELP

Contact the teachers listed or join them in a virtual meeting.

## WHO TO CALL TO RELEASE QUIZZES
