Dear Freshman Parents:

**Congratulations** on your son or daughter being accepted into David H. Ponitz Career Technology Center for the 2022-2023 school year! Our goal is for all students to graduate from David H. Ponitz Career Technology Center with the academic and technical skills needed to succeed in today's workforce, and we are very excited to have your son/daughter embark on this journey with us.

In order to ensure a successful first day, students are expected to dress for success. This means that all students will need to pre-order their Ponitz freshman uniforms. Uniforms at Ponitz are mandatory, and is just one way we are preparing students for the workplace.

**What to Wear:** Freshman are expected to wear a burgundy uniform shirt with the Ponitz logo, black pants, and closed-toed shoes. Sling-back shoes and Crocs are not acceptable. Additionally, we would also recommend that you order a Ponitz jacket. A Ponitz jacket is the only permissible outerwear. Shorts will only be permitted during physical education classes. *Please be advised that students will be expected to be in uniform on the first day of school.*

**How to Order:** Logos at Work is our uniform provider. Logos at Work maintains a website for your ordering convenience. You may use the following link to purchase your uniforms: <https://stores.logosatplay.com/ponitz/shop/products/freshman?page=1>. *Please note that the turnaround time for uniforms is approximately three weeks, so it is imperative that you order shirts and jackets early. It is also recommended that you purchase a minimum of two maroon Ponitz logo shirts. Full length black pants may be purchased at any retail store.*

**Uniform Delivery:** Uniforms will be mailed to your home or you may choose to pick them up at Logos at Work located at 937 S. Patterson Blvd., 937-299-7447. The uniform company is not responsible for items missing from home delivery so you may choose to have your order held at the
