July 21, 2022

Dear Valerie Families,

The buzz of school is in the air. I'm excited to once again be able to come back to school in person this year. After the COVID learning, there's a new excitement in being able to come to school and learn. There is a new joy of walking the halls and interacting with students on a daily basis. So, families get ready, school will be back in session soon!!!

Welcome back to our returning families. Hooray and welcome to our new Valerie Huskies. We can't wait to meet and greet you in person. Our building staff has worked hard all summer to prepare for another school year. We are excited to welcome our new families. One of our top priorities this year is to be more intentional with our time spent with your children because ***Every Second Counts!*** In addition, we will be working to revise our vision and mission statements this year, identifying our core beliefs and values. We most definitely want your input - as we are all in this together!!

We are excited to welcome two new assistant principals to the building, Mrs. Marcella Barrett and Mrs. Pauline Wilson. We will also welcome several new staff members, whom you will meet during our **Meet and Greet**.

Here are a few reminders for the school year. The first day of school is August 16th. Drop students off **ONLY** in the circle--this increases safety.

If you have questions, or concerns, please contact me at srwhitlo@daytonpublic.com (937) 542-5390.

Putting Children First,

Shawnkeida Whitlow
Principal
