Over nine months but less than one year	1 day per month of employment
One year	12 days
Two years	13 days
Three years	14 days
Four years	15 days
Twelve years or more	20 days

(Based on service rendered during the vacation year, which is between July 1 and June 30.)

15.02 The vacation allowance for employees who work less than twelve (12) months per year shall be as follows:

<u>Calendar Years of Continuous Service</u>	<u>Number of Days Allowed For Vacation Annually</u>
One year	1 day per month of employment
Two years	1.033 days per month of employment
Three years	1.167 days per month of employment
Four years	1.25 days per month of employment
Twelve years or more	5 extra days of vacation annually

(Based on service rendered during the vacation year which is between July 1 and June 30).

15.03 During any year in which an employee with less than twelve (12) years of continuous service has one hundred and twenty (120) days of unused sick leave accumulated as of January 1st, such employee shall be entitled to five (5) extra days of vacation.

15.04 Employees who work less than twelve (12) months per year shall be required to take their vacation during the time of the year they are scheduled to work. Such employees shall be required to take the maximum amount possible of their vacation during the Winter Break and Spring Break when school is not in regular session. Additional days off for vacation may be scheduled only upon approval from the employee's immediate supervisor and the SUPERINTENDENT.

- 15.05 Twelve (12) month employees are encouraged to take their vacation when regular school is not in session, or during the Winter and Spring Breaks when school is not in regular session. The Employer may deny a vacation request based upon the needs of the building or program, provided that the reasons for the denial are set forth in writing (for example, it would be appropriate for the Employer to deny a vacation request if the request would result in the school district incurring additional costs to hire a substitute or temporary replacement). Denials of vacation request may be appealed to the Executive Director of Human Resources.
- 15.06 The EMPLOYER reserves the right to limit the number of such employees who will be permitted to take vacation days off at any given time or to restrict any employee from taking vacation at any given time in order to insure efficient operation; provided, however, all vacation must be taken during the time the employee is in active pay status. In cases where a conflict occurs between two or more employees and not all can be accommodated, the employee with the greatest length of service with the EMPLOYER shall have preference.
- 15.07 An employee eligible to take vacation days at times other than when schools are not in session are encouraged to do so in minimums of one week at a time. An employee may, however, take vacation days in increments of less than a week, i.e., one day at a time. The employee is required to give ten (10) working days' notice of his/her intent to take such vacation to his immediate supervisor or department head. In situations of personal or family illness under the FMLA, an employee shall give at least seventy-two (72) hours' notice of his/her intent to use vacation leave.
- 15.08 No vacation allowance may be earned during the period of leave of absence (except FMLA) or suspension or at any time the employee is off the active payroll.
- 15.09 An employee who has worked for the EMPLOYER for at least twelve (12) months and who severs employment with the EMPLOYER shall be paid for the number of earned vacation days.
- 15.10 Regular part-time employees, who work less than twelve (12) months per year, shall be entitled to earn vacation based on the schedule listed for full-time twelve (12) month employees as set forth in section 15.01. Regular part-time employees, who work less than twelve (12) months per year, shall be entitled to earn vacation based on Section 15.02. For part-time employees, a day of vacation, for the purpose of computation of vacation pay, shall consist of the number of hours they are regularly assigned to work each day.
- 15.11 Supervisors and principals shall be notified of vacation days available to employees under their supervision.

ARTICLE SIXTEEN – PAID LEAVES OF ABSENCE

16.01 The definitions listed below shall refer to funeral leave and sick leave and shall apply to all employees:

- A. "Immediate family" includes the father, mother, current spouse, child (including stepchild), brother, sister, grandparents, grandchildren, current mother/father/son/daughter/brother/sister-in-law, and any other family member who is a permanent resident of the household.
- B. "Other relative" includes uncle, aunt, first cousin, niece, and nephew.

16.02 **Sick Leave**

- A. Regular full-time employees shall receive sick leave credits at the rate of one and one-fourth (1-1/4) days per calendar month of active service. Regular part-time or seasonal employees shall be entitled to earn sick leave credits at the rate of one (1) hour for each 17.3 hours worked.
- B. At the close of each school year, the unused portion of the annual sick leave shall be placed in reserve, but such reserve shall not exceed two hundred and fifty (250) days.
- C. Any employee who has transferred from the service of any public agency in the State of Ohio shall be credited with the unused balance of the employee's accumulated sick leave in accordance with the applicable law.
- D. Absence from work due to illness on holidays, non-work days and days when schools are closed by order of the superintendent, shall not have that day of absence charged against their sick leave.
- E. An employee eligible for sick leave may be granted such leave when absent from work and entitled to such sick leave in accordance with the provisions of Sec. 3319.141 of the Ohio Revised Code
- F. The employee will furnish a written, signed statement on forms provided by the employer for use of sick leave within ten (10) calendar days following the last sick day of absence. If medical attention is required, the employee's statement shall list the name of the attending physician and the date the physician was consulted. The form shall be signed (or electronically acknowledged) by the employee's immediate supervisor. The filing of any willfully false statement by an employee shall be considered grounds for disciplinary action.
- G. Each newly hired employee and each employee having exhausted all available sick leave, will be given an advance of sick leave, as prescribed and as limited by Section 3319.141, Ohio Revised Code.
- H. When necessary, sick leave may be used to supplement funeral leave where there is a death in the "immediate family" of an employee. Advance

approval to use such supplemental leave must be secured from the immediate Supervisor and the Superintendent's designee. Such use of sick leave shall be for a period of up to five (5) work days.

- I. Seven (7) separate absences during the preceding rolling twelve (12) month period may indicate a pattern of sick leave abuse. Charges and specifications may be submitted for disciplinary action along with any mitigating circumstances; however, legitimate use of sick leave as set forth at paragraph 17.02 E of this collective bargaining agreement and Ohio R.C. 3319.141 shall not be construed as an abuse of sick leave. All employees with seven (7) absences in the preceding rolling twelve month period shall be counseled, but no discipline shall be considered if the absences are for legitimate purposes. A lack of counseling shall not prevent the filing of charges and specifications and the imposition of discipline. Employees providing reasonable documentation of attendance at a doctor's appointment and who return to work the same day shall not have the absence counted for purposes of this paragraph.

16.03 **Funeral Leave**

- A. An employee shall be allowed three (3) consecutive work days of absence without loss of regular pay, not chargeable to sick leave, in the event of a death in the "immediate family" as defined in section 16.01 A.
- B. An employee shall be allowed one (1) work day of absence with neither loss of regular pay nor charge against sick leave, when the death is that of an "other relative" as defined in section 16.01 B.
- C. If the death of a member of the immediate family or other relative of an employee occurs at a distance greater than 150 A.A.A. miles one way from Dayton, Ohio, the employee shall be allowed an additional one (1) work day or if the distance is greater than 300 A.A.A. Miles one way from Dayton, Ohio, the employee shall be allowed an additional absence of up to two (2) work days, by the superintendent, for travel time. Upon the return from funeral leave over 150 miles, the employee shall provide reasonable documentation of attendance at the funeral for which leave was approved. Such additional days shall not be chargeable against sick leave.

16.04 **Personal/Emergency Leave**

- A. Subject to the conditions set forth herein, employees shall be eligible to receive up to four (4) days of Personal/ Emergency leave from July 1 to June 30 of each year, to be compensated at the employee's regular hourly rate of base compensation for each regular work hour off work on approved leave.

- (1) Emergency leave shall be for a minimum of one (1) hour increments and must be for a justifiable reason. Emergencies shall include the following:
 - a. Accidents in the immediate family, i.e., father, mother, child, or current spouse of employee.
 - b. Road conditions making it impossible to report for work. (Every effort should be expended to report for work, even though the hour may be late.)
 - c. Disaster affecting employee's own family or family property. For purposes of this provision, the term "family" is limited to the employee, employee's current spouse, or dependent of employee residing in the household of the employee. For purposes of this provision, a "disaster" shall be defined as "a sudden, unexpected and unanticipated emergency which produces material damage, loss and distress."
 - d. Other reasons as approved by the Superintendent's designee.
- (2) Personal leave shall be granted to employees who submit an application for such leave at least two (2) work days in advance of the day desired off to the Superintendent's designee. Such an application shall be submitted through the employee's immediate supervisor, and such supervisor shall indicate on the application his/her recommendation regarding the application. Such application must indicate that personal leave is taken in one-half (1/2) or one (1) day segments.
- (3) In determining whether or not to approve any application for personal/emergency leave, the Superintendent's designee shall consider the recommendation of the employee's immediate supervisor. Such recommendation shall be based on the effect the absence of the employee will have on the efficient operation of the work regularly performed by the employee. Such leave shall not be unreasonably denied.

B. With the exception of one (1) personal leave day, personal leave may not be taken:

- 1) On the last work day before or the first work day after any holiday or professional day.
- 2) On the last work day before or the first work day after any approved vacation; and

- 3) For employees assigned to school buildings, during the five (5) calendar days immediately prior to and immediately following the opening day of school, and the ten (10) calendar days prior to the closing day of school.
- C. In the event two (2) or more employees in any unit, school, or department request personal leave on the same day and, in the judgment of the immediate supervisor, not all can be accommodated, the employee(s) with the greatest length of service with the EMPLOYER shall be given preference.
 - D. The taking of Personal/Emergency leave days shall not be a charge against accrued sick leave credits.

16.05 **Legal Process Absence**

- A. If an employee is subpoenaed to appear as a witness in court or in an administrative hearing, he/she will suffer no loss of regular straight time compensation, provided the following conditions are met:
 - (1) Immediately upon returning to work, the employee signs and files with the Treasurer, a statement showing the amount of compensation received, if any, as a result of such appearance; and
 - (2) Before the end of the current pay period, the employee remits to the Treasurer the amounts of any witness fee or other compensation received, less payment made to the employee specifically for expenses incurred by reason of the subpoena; and
 - (3) If the appearance does not take an entire work day, the employee works the remainder of the day.
- B. If an employee is summoned for jury duty, he/she will suffer no loss of regular straight time compensation, provided the following conditions are met:
 - (1) Immediately upon returning to work, the employee signs and files with the Treasurer, a statement showing the amount of compensation received; and
 - (2) The employee remits the compensation received to the Treasurer before the end of the current pay period.
- C. In the event of absence to attend a court or administrative hearing in which the employee is a party, the employee may use personal or emergency leave.

16.06 **Association Leave**

A. The EMPLOYER agrees to grant, upon the request of the ASSOCIATION, a leave of absence to an employee for the purpose of attending ASSOCIATION conferences or seminars requiring absences from work; provided:

- (1) That the total aggregate unit time off does not exceed one hundred and twenty (120) work hours during any one (1) year of this AGREEMENT; and
- (2) That a written notice specifying the names of the employees attending the conferences or seminars is furnished by the ASSOCIATION two (2) weeks in advance of the period desired; and
- (3) That not more than five (5) employees shall be absent at any one time, no more than three (3) of whom shall be from the same division, no more than one (1) of whom shall be from the same school.

B. Pre-registered employees who desire to attend ASSOCIATION sponsored district in-service meetings on the EMPLOYER'S in-service day shall attend without loss of pay upon proof of attendance.16.07

16.07 **Attendance:**

A perfect attendance reward in the amount of \$250 (with a possible max of \$1,000 per year) will be paid quarterly for employees with zero absences during that quarter. An excellent attendance reward in the amount of \$100 (with a possible max of \$400 per year) will be paid quarterly for employees with ½ to 2 days absence.

16.08 **WORKPLACE INJURY**

16.08.1 **Salary Continuation**

An employee who suffers a compensable workers' compensation injury, including being assaulted by a student, and who is temporarily and totally disabled as a result of the injury may be eligible to receive compensation from the Bureau of Workers' Compensation (BWC).

Salary Continuation is the continuation of full hourly wages and benefits at the onset of a work-related injury, and is designed to cover injured employees who would otherwise receive BWC temporary total payments where it is fiscally responsible for the District by causing the BWC to set a lower claim reserve and hence a lower premium regarding each case.

This section does not affect or replace the employees' need to file claims with the BWC for medical treatment.

16.08.2 To be Eligible for Salary Continuation:

- A. The employee must file a workers compensation claim.
- B. The employee must be employed by and/or be on contract with the District and be receiving wages from the District to remain eligible for Salary Continuation, the employee must remain eligible to receive wages and/or be on contract. For example, no contract employee or other employee not required to work, such as during Summer and Intercession breaks, shall receive Salary Continuation during the time that they are not ordinarily required to work.
- C. The employee must sign a Salary Continuation reimbursement agreement.
- D. The employee must cooperate at all times in meeting with and in responding to information requests of the Managed Care Organization (MCO), BWC, the Risk Manager, and health providers.

16.08.3 Administration of Salary Continuation:

The Human Resources Department (HR) will oversee and implement Salary Continuation, and shall ensure the following:

- A. The date of injury must occur in a year in which the District's merit rating or retrospective premiums will be impacted. If a workers date of injury makes him/her ineligible for Salary Continuation, then in that case, the employee may use accumulated sick leave, as provided in other provisions. If the employee assigns their BWC check for the payment of temporary total disability to the District, then the Treasurer will recredit sick leave in the amount of the BWC check.
- B. Continuation of Pay payments are computed on the basis of the employees' base rate of pay and normally scheduled hours, not to exceed forty (40) hours per week. Part-time employees will have payment pro-rated.
- C. To allow for tracking of wages paid as a COP, the Continuation of Pay must be recorded using the appropriate payroll codes which the Treasurer shall provide for salaried and hourly employees. Payroll clerks shall properly code COP when paid.
- D. The injured employee will receive a full check at the next scheduled time after the illness or injury occurs. The payment of Salary Continuation shall not be contingent upon or wait for a BWC determination to be made. Failure to issue a full check shall cause the Board to forfeit Salary Continuation rights on the claim and temporary total compensation from the BWC will begin.

- E. Within seven (7) days of filing of a claim, HR shall advise the BWC and the employee whether the Board will pay Salary Continuation. HR will further submit to the BWC the relevant salary history and the amount of the employee's Salary Continuation payment.
- F. HR shall notify the BWC when the payment of Salary Continuation is discontinued and/or when the injured employee returns to work.
- G. Payments are made only for periods the employee would have been eligible for temporary total workers' compensation benefits for injuries and will be terminated upon return to work; when the Bureau of Workers' Compensation or the Industrial Commission has determined the employee has reached maximum medical improvement, when an offer of transitional duty has been made by the District and declined by the employee, or, when twelve (12) calendar weeks of Salary Continuation have been paid, whichever occurs first. If the employee has not returned to work within the twelve (12) calendar week period and has not reached maximum medical improvement, he/she may then receive benefits from the BWC or use any available sick leave, but the employer will not be required to buy back any sick leave used.
- H. Time authorized under Salary Continuation is an FMLA qualifying event.

16.08.4 **Employee Rights**

- A. An employee continues to accrue sick leave while on Continuation of Pay if they would have otherwise accrued such leaves.
- B. Time authorized under Continuation of Pay is considered time worked for employees still in their probationary period, if any.
- C. An injured employee receiving Salary Continuation cannot concurrently receive, for the same period of time, any other District compensation (e.g. sick leave, supplemental contract pay, etc.) or temporary total compensation payments from the State of Ohio Bureau of Workers' Compensation.
- D. A return to work does not eliminate eligibility for the balance of Salary Continuation in the future if a medically documented flare up occurs as determined by the Bureau of Workers' Compensation or the Industrial Commission for this claim.
- E. Salary Continuation may be paid for medical appointments documented under an approved transitional duty program and approved by the Risk Manager. (See Transitional Duty). This policy supersedes any prior practice of sick leave buyback, except as noted below, and Salary Continuation shall not be charged to sick leave.

16.08.5 **Transitional Duty**

Transitional Duty is designed to allow an employee to safely return to work with temporary physical limitations and restrictions which may prevent the employee from performing all of his or her assigned duties.

Transitional Duty applies only to work-related workers' compensation injuries or illnesses and is not to be considered as an official position or job. Transitional Duty is not a job classification, permanent or otherwise. An employee performing transitional duties retains his/her existing job classification and seniority.

Transitional Duty is applicable only when it is deemed medically reasonable that a full recovery is expected to occur within twelve (12) weeks. Transitional Duty, therefore, shall last no more than twelve (12) weeks with a full return to work by the end of twelve (12) weeks. Transitional Duty is not available if the employee has reached maximum medical improvement as determined by the Bureau of Workers' Compensation.

- A. To be eligible for Transitional Duty, an employee must complete all related injury investigation forms, First Report of Injury (FROI) form, medical releases, and any other documents required by the physician, the Managed Care Organization (MCO), the employer, and the Third-Party Administrator.
- B. Transitional Duty is implemented upon the availability of Transitional Duty by the employer. Full regular wages are paid during Transitional Duty.

The Treasurer shall use a payroll code for salaried and another code for hourly employees working in Transitional Duty to allow for proper tracking of Transitional Duty.

- C. Transitional Duty can be less than full time with Salary Continuation paid, if eligible, for hours not worked to supplement a full, regular wage. Hours not worked must be documented and supported by appropriate medical documentations. For example, an employee normally scheduled for eight (8) hours per day is released to return to work four (4) hours and attends physical therapy the remaining four (4) hours. In this situation, he will work four (4) hours and receive his regular wages and then receive four (4) hours of Salary Continuation upon submission of supporting medical documentation of the time spent in therapy.

16.08.6 **Coordination of Transitional Duty**

Transitional Duty is applicable to compensable injuries as determined by the Bureau of Workers' Compensation whether lost time or medical only. Once an

employee returns to work under the Transitional Duty program, Salary Continuation is payable in medical-only claim. For example, if an employee is off four days and returns to work under an approved Transitional Duty program, the four days will not be considered Salary Continuation. If, however, the employee returns to work under Transitional Duty and must then be excused for physical therapy or doctor visits in order to continue Transitional Duty and recover from a work-related injury, Salary Continuation is payable while the employee is off the work site. The employee shall provide to his or her supervisor appropriate medical documentation supporting attendance. Appropriate medical documentation should include the date, time in and time out, and the medical provider's signature.

16.08.7 Use of Salary Continuation

Salary Continuation is not payable for medical appointments once the employee is released to full duty, has exhausted all available Salary Continuation.

An employee on Transitional Duty who has exhausted all available Salary Continuation, may elect to use available paid leave or leave without pay if they are still unable to return to work.

16.08.8 Transitional Duty and Outside Job

An employee cannot work a second job within or outside of the District and work Transitional Duty unless approved by the Risk Manager.

The goal of Transitional Duty is to return the employee to his regular job and department, but other work within the department would be appropriate if the employee is unable to do any part of his regular job. Work outside of his immediate department can be considered if work is not available within his department.

16.08.9 Refusal of Transitional Duty

- A. If an employee is offered Transitional Duty and refuses a Transitional Duty offer within his or her medical limitations, the employee is not eligible for Salary Continuation. The employee will not be eligible for temporary total benefits from the Ohio Bureau of Workers' Compensation when a valid Transitional Duty offer has been made and declined. The District will notify the Ohio Bureau of Workers' Compensation of any refusal to accept a Transitional Duty offer that is within the medical limitations.
- B. An employee may elect to use sick leave, if the employee refuses Transitional Duty, but no buy-back of the leave taken shall occur. All leave taken for a work-related injury should be reviewed for FMLA qualification.

- C. A Transitional Duty offer made to an employee refusing to return to work must be reduced to writing and sent by certified mail or hand delivered to the employee. If hand delivering the offer, be sure to obtain the injured workers signature and date received on the employees copy.
- D. Time spent in Transitional Duty is considered time worked for employees still in their probationary period.

16.08.10 **Maintaining Transitional Duty**

To remain eligible for Transitional Pay, the Employee must cooperate with, meet when reasonably requested, and respond to information requests from the Managed Care Organization (MCO), Third-Party Administrator (TPA), Risk Manager, health providers, and his/her supervisor.

16.08.11 **Assault Leave**

Since BWC compensable assaults are work-related, salary continuation shall be provided as noted above as and for the assault leave. An assault is defined as a criminally punishable act by a pupil against an employee of the District causing a BWC compensable injury. This section describes additional requirements for the granting of salary continuation in assault situations.

In the case of such assaults, the employee must do all of the following to remain eligible for salary continuation:

Furnish to Human Resources a signed statement describing in detail all of the facts and circumstances surrounding the assault, including, but not limited to, the location, the time, the identity of the assailant(s), if known, and the identity of all witnesses. The employee must also submit written verification signed by the attending physician that the employee is disabled from performing normal duties, indicating the nature of the disability and probable duration as well as a statement of the employee's ability to participate in transitional or alternate duties designed to return the employee back to work.

Cooperate fully with Human Resources and other public authorities in the prosecution of the assailant(s). In the event the employee requires representation by an attorney in the criminal prosecution of the assailant(s), the Board will provide an attorney to represent the employee in such matters.

File a workers' compensation claim to be eligible for COP which, if granted, will replace BWC payments that would otherwise be made during the period of salary continuation. There is no loss of seniority while on salary continuation and all insurances shall remain in effect. In the case of dispute as whether the employee initiated the assault, the determination by the BWC, the Industrial Commission, or a court of competent jurisdiction shall be controlling. If it is determined that salary continuation should not have been paid, the employee will be liable for a return of those funds, by payroll deduction or otherwise, at the

discretion of the employer. Salary continuation for assaults shall not be charged to sick leave.

16.08.12 **Merger**

Any related leave policies, such as injury leave and workers' compensation, and assault leave are hereby merged into this provision. The parties specifically intend to override and supersede any and all conflicting provisions of Ohio Law.

ARTICLE SEVENTEEN - UNPAID LEAVES OF ABSENCE

- 17.01 Employees may, under conditions specified herein, be granted leaves of absence without pay for the following purposes: personal illness, pregnancy, adoption of a child, illness in the immediate family, non-work related injury, study and military service.
- 17.02 Leaves of absence may be authorized only by the BOARD upon the recommendation of the SUPERINTENDENT and as provided by the following rules and regulations and within the provisions of the Ohio Revised Code governing such leave. Failure to report for duty following the expiration of a leave of absence, unless additional absence is authorized, or failure to comply with the provisions of the leave may be considered by the BOARD as voluntary resignation of the employee.
- 17.03 Time spent on unpaid leaves of absence may not be included in meeting service requirements for future leaves of absence, earned annual increments or retirement, but shall not be considered a break in continuous service so long as such leave does not exceed two (2) years. Time spent on an unpaid leave of absence for military service may be credited to the service required for annual increments.
- 17.04 A written application for an unpaid leave of absence must be filed with the Superintendent's designee and must specify the anticipated duration of leave. Applications for unpaid leave for personal illness, illness in the immediate family, pregnancy or injury, must be accompanied by a statement from the attending physician verifying the basis and need for such leave. Application for unpaid leave for adoption must include a statement from the agency through which the adoption has been arranged, recommending that the leave be granted for the welfare of the adoptive child. Employees must have completed three (3) years of continuous service to apply for study leave. Application for study leave must be made at least sixty (60) days prior to the effective date of such leave. Application for military leave must be made as far in advance as feasible, but no later than the date that the duty commences, and will be granted in accordance with the provisions of the law.
- 17.05 An employee who in the judgment of the building principal or supervisor is physically and/or emotionally unable to perform all of the duties required of the

employee shall furnish a statement from the employee's physician verifying the employee's ability or inability to continue in the present position. An employee verified unable to continue shall be placed on unpaid leave per Section 3319.13, Ohio Revised Code, after exhaustion of sick leave benefits.

17.06 All unpaid leaves except military leave shall not exceed one (1) year, with the option of renewal up to the maximum of one (1) additional year. Requests for renewal of leave must comply with the requirements of Section 17.04.

17.07 **Work Related Injury Leave/Assault Leave**

A. In the event of a work connected occupational illness or injury, as determined by the Industrial Commission, there will be a charge against the sick leave credits of the affected employee only to the extent necessary to provide the employee with full pay, so that when the employee is receiving Workers' Compensation benefits the employee will only be charged on a pro-rata basis, the difference in pay between the Workers' Compensation benefits and the employee's regular compensation. This will be accomplished by the employee presenting the check received from the Bureau of Workers' Compensation to the Treasurer of the EMPLOYER.

B. Any employee absent from work because of any service connected occupational illness or injury, as determined by the Industrial Commission, shall be entitled to reinstatement at the same rate of pay received immediately prior to the date of such illness or injury, upon approval of the employee's application to return to work. Such application will be made within one (1) year following the date of the exhaustion of the employee's injury leave and sick leave. This period may be extended with the approval of the BOARD and upon advice of the Industrial Commission physician.

C. In the event an employee receives a service connected occupational illness or injury in the course of employment with the EMPLOYER, as determined by the Industrial Commission, leave of absence may be granted by the SUPERINTENDENT for a period of up to ninety (90) calendar days after the exhaustion of accumulated sick leave. In cases of such granted leave of absence, if compensation payments are being received from the Bureau of Workers' Compensation, the EMPLOYER will only pay the difference between compensation received and the employee's regular salary. In the event there is no full recovery within said ninety (90) calendar day period, the matter shall be referred to the EMPLOYER again for consideration. Leaves granted under this section are to be automatically terminated if the employee accepts or applies for employment with an employer other than the EMPLOYER.

17.08 **FMLA:** The parties to this contract agree to abide by all terms/conditions of the Family and Medical Leave Act of 1993 (FMLA). The twelve (12) weeks provided for under the FMLA shall be inclusive of any sick leave utilized. For the purposes of this law, a “year” shall be calculated on an individual and rolling basis. In complying with the FMLA, the employer will adhere to the requirements of the collective bargaining agreement, applicable federal and state laws and regulations.

17.09 **Return from Leaves**

- A. Application for reinstatement shall be made at least thirty (30) days before the expiration of an unpaid leave of absence for personal illness, injury and pregnancy. Not less than ten (10) days before the termination of the leave, the employee shall submit a written statement from the attending physician certifying that the employee has been medically examined and is or will be able to resume his/her duties with the BOARD when the leave of absence expires. Nothing in this section shall be construed to preclude an employee from returning to active employment status prior to the expiration of such leave upon the authorization of the attending physician or authorized practitioner; provided, however, the employee notifies the EMPLOYER of the employee's intent to return to work fifteen (15) working days in advance of such return.
- B. Notice of intent to resume employment shall be made at least sixty (60) days prior to the expiration of leave of absence for study. The application shall be accompanied by supporting evidence or statements showing that the plan for study was substantially carried out.
- C. Reinstatement following a military leave of absence will be in accordance with the provisions of the law.
- D. Upon return from any unpaid leave of absence, the employee shall be returned to the same position the employee held at the time said leave commenced, if available, and if not, to a position within the same classification.

ARTICLE EIGHTEEN - DISCIPLINE PROCEDURES

18.01 Discipline is the application of an orderly process through a system of rules to ensure acceptable behavior of an employee. It can involve training and counseling to improve performance as well as penalties to correct abuses.

18.02 All disciplinary actions and procedures will be as follows.

18.03 **PROGRESSIVE DISCIPLINE PROCEDURES ARE AS FOLLOWS:**

- A. **Oral reprimand:**

The employee's immediate supervisor may issue an oral reprimand when an employee disregards or violates normal, everyday work rules and procedures. Prior to the meeting for the oral reprimand, the immediate supervisor must provide the employee with written notification.

B. Written reprimand:

The employee's immediate supervisor may issue a written reprimand for repeated infractions of rules or violations of a serious nature. Prior to the meeting for the written reprimand, the immediate supervisor must provide the employee with written notification.

C. Short-term suspension (1-3 days):

The supervisor may recommend suspension for repeated infractions of rules and regulations or violations of a very serious nature. If a short-term suspension is anticipated, the superintendent's designee will give the employee a notice of pending disciplinary action which may result in a short-term suspension and schedule a hearing. After the hearing, the superintendent's designee will issue their findings.

D. Long-term suspension (more than 3 days):

The supervisor may recommend suspension for repeated infractions of rules and regulations or violations of a very serious nature. If a long-term suspension is anticipated, the superintendent's designee will give the employee a notice of pending charges and specifications and schedule a hearing. After the hearing, the superintendent's designee will issue his/her findings.

E. Dismissal:

The supervisor may recommend an employee be dismissed for repeated infractions of rules and regulation where reprimands and suspensions have failed to correct the behavior or for first offenses of a very serious nature. If a dismissal is anticipated, the superintendent's designee will give the employee a notice of pending charges and specifications and schedule a hearing. After the hearing, the superintendent's designee will issue his/her findings.

ARTICLE NINETEEN - GRIEVANCE AND ARBITRATION

19.01 A "grievance" is defined as any question or controversy between an employee or the ASSOCIATION (brought at Step 2) with the EMPLOYER involving the interpretation, application or compliance/non-compliance with the provisions of this AGREEMENT, provided, however:

A. If specific administrative agency relief of a quasi-judicial nature is provided

for by the statutes of the State of Ohio and/or the United States for review or redress of a specific matter (such as Workers' Compensation, Unemployment Compensation, EEOC, Civil Rights Commission), such matter may not be made the subject of a grievance and may not be processed as such.

- B. Any action by the EMPLOYER or any recommendation of the superintendent to terminate the employment of an employee with the EMPLOYER may be made the subject of a grievance and may be processed as such. The Association will make the decision to file a grievance or proceed to appeal through the Civil Service Commission.

19.02 All employees should make every effort to settle differences and disputes without filing a grievance. In the event that an agreement cannot be reached, the following steps must be taken with respect to any grievance.

STEP 1

The aggrieved employee shall present his/her grievance in writing by fully completing the Step 1 Grievance Report Form (Level I) to the immediate supervisor or his/her designee (with a copy to Human Resources, if the grievance is filed via email), who shall answer the grievance within ten (10) work days after receipt. This written presentation of the grievance to the immediate supervisor must take place within five (5) work days after the employee has knowledge of the facts which gave rise to the grievance or with reasonable diligence should have knowledge of such facts. In no event, however, may a grievance be initiated more than thirty (30) days following the date of the occurrence from which the grievance arose. If the employee does not refer his/her grievance to the second step of the procedure within five (5) work days after receipt of the decision rendered in this step, it shall be considered to be satisfactorily resolved. If the grievance is processed as a class/group grievance, it shall move directly to Step 3.

STEP 2

The grievance shall be referred in writing by fully completing the Step 2 Grievance Report Form (Level II) to the Superintendent's designee or his/her designee, who will investigate the grievance with the immediate supervisor. The Superintendent's designee shall reply within five (5) work days. If the employee is not satisfied with the written answer of the Superintendent's designee, the employee may refer his/her grievance to the third step of the grievance procedure. If the grievance is not referred to the third step within five (5) work days of receipt of reply from the Superintendent's designee, it shall be considered to be satisfactorily resolved.

STEP 3

The grievance shall be submitted in writing by fully completing the Step 3 Grievance Report Form (Level III) to the Superintendent's Designee, who shall investigate the grievance. As part of such investigation, the SUPERINTENDENT or his/her designee(s) shall meet with the aggrieved employee and his/her representative and others having knowledge of the matter within ten (10) working days of receipt of the grievance at this step. Within seven (7) workdays after the investigation meeting is held, the SUPERINTENDENT or his/her designee's answer to the grievance shall be issued to the aggrieved employee, the ASSOCIATION and all other affected individuals.

The aggrieved employee shall have the right to be represented by a representative of the ASSOCIATION, upon request, at any step of the foregoing grievance procedure.

If an employee does not receive an answer to his/her grievance within the time limits contained in Steps 1, 2 or 3, the grievance shall be considered denied and may be processed under paragraph 18.03 or the next step, whichever is appropriate.

A class action and/or group grievance shall be processed directly to Step 3.

Step 4 – Grievance/Mediation (Optional)

1. A grievance may be taken to mediation by mutual consent of the parties. The parties must agree to the mediation process within seven (7) days of the Step Three decision.
2. The grievant shall have the right to be present at the mediation conference.
3. Proceedings before the mediator shall be informal in nature. The presentation of evidence is not limited to that presented at earlier steps of the grievance proceedings, the rules of evidence will not apply and no record of the mediation conference shall be made.
4. The mediator will have the authority to meet separately with any person or persons, but will not have the authority to compel the resolution of a grievance.
5. If no settlement is reached at mediation, the arbitration provisions of this agreement shall apply.
6. An appeal to arbitration must be made within thirty (30) days after the mediation conference.
7. The parties shall designate the mediator, and if the parties cannot agree, a mediator shall be designated through FMCS.

19.03 Arbitration

- A. Arbitration must be requested in writing by the ASSOCIATION within ten

(10) work days after the written answer is given or should have been given by the superintendent under Step 3 of the grievance procedure set forth above or within thirty (30) days of the termination of mediation under Step Four; otherwise the matter shall not be subject to arbitration.

- B. Upon receipt of the request for arbitration, the superintendent will request the **Federal Mediation and Conciliation Service** to provide the parties with a panel of arbitrators from which the parties can select an arbitrator in accordance with the rules of the **Federal Mediation and Conciliation Service**.
- C. The EMPLOYER and the ASSOCIATION shall equally share the fees and expenses of the arbitrator and any expenses incidental to the arbitration proceeding. Each, however, shall be responsible for the fees and expenses of its representative(s).
- D. The decision of the arbitrator shall be final and binding upon the EMPLOYER, the ASSOCIATION, and any employee involved in the matter.
- E. The arbitrator shall not have the power to add to, subtract from, or modify this AGREEMENT. Only grievances, as defined herein, shall be subject to arbitration.

- 20.04 Payment for sick leave on this basis shall be considered to eliminate all sick leave credit accrued by the employee at that time. Payment shall be based on the employee's rate of pay at the time of retirement. Such payment shall be made only once to any employee.

ARTICLE TWENTY-ONE - NO STRIKE - NO LOCKOUT

- 22.01 In cases of personal hardship to an ASSOCIATION employee brought on by catastrophic illness or injury, where the employee has exhausted all accumulated, unused paid leave as a result of the catastrophic illness or injury, the Board and the Union may enter into an agreement pursuant to the following guidelines to assist the affected employee through the donation of accumulated unused sick leave by other ASSOCIATION employees who volunteer to do so. Any decisions made by the Board and the Union through the Joint Committee established under this section shall be final, and the same shall not be subject to the grievance and arbitration procedure.

- A. For purposes of this agreement, the term “catastrophic illness or injury” shall include only those illnesses or injuries which are calamitous in nature, constituting a great misfortune. The “catastrophic illness or injury” must be unusual, extraordinary, sudden, an unexpected manifestation of the forces of nature which cannot be prevented by human care, skill, or foresight.
- B. A Joint Committee shall be appointed. The Superintendent will appoint three administrators on an annual basis. The Union will appoint three (3) Union Officers on an annual basis. The Joint Committee will meet to review requests for additional paid leave under this section. Any decision of the Joint Committee shall be final, and it shall not be the subject of a grievance or arbitration.
- C. Applications for catastrophic illness/injury sick leave donation must be submitted to the Executive Director of Human Resources. Applications will include, but not be limited to the following information:

In order to approve a request for catastrophic illness/injury sick leave donation, two-thirds (2/3) vote of the entire committee must prevail. The employee will be informed of the committee’s decision and their reasons therefore in writing. The decision of the committee shall be final.
- E. A maximum of forty-five (45) days of catastrophic illness or injury leave may be granted to an applicant. Donated sick leave will be deducted from a donating employee’s (donor’s)

accrued, unused sick leave and credited to the affected employee's (donee's) account. Human Resources will provide the necessary forms to be used to solicit donations. All completed donation forms will be submitted to the Executive Director of Human Resources for processing.

2. make certain that such individual receives all of the benefits provided by this and all subsequent applicable agreements;
3. make certain that such individual does not lose any accrued sick leave, vacation leave, personal leave, or retirement benefits that had been credited to the employee while in the employ of the EMPLOYER;
4. include in any agreement, resolution or order effectuating a succession, assignment, or transfer, a provision that this agreement is binding on the successor, assignee, or transferee and that all terms and conditions of this and all subsequent Agreements shall continue in full force and effect and that the successor, assignee or transferee shall continue to recognize the UNION as the exclusive representative of the employee, as permitted by law;

- A2.07 In the implementation of the foregoing, the Treasurer shall annually determine the annual premium cost to be payable by each employee and withhold sufficient sums from the compensation payable to such employee during the periods such employee receives payroll checks to cover that portion of the premium due from the employee during months when the employee is not receiving payroll checks (e.g., during the summer months when school is not in session).

If any other bargaining unit negotiates language providing greater or different hospitalization benefits or rates of contribution, this ASSOCIATION will be offered the same benefits or rates.

A2.08 The foregoing Medical and Life Insurance Programs shall remain in effect for all full-time employees entitled to coverage in accordance with the provisions of Sections A2.03, A2.04 and A2.05 during any period when such employee is on the active working payroll, compensated sick leave, compensated leave of absence, non-compensated approved leave of absence of less than thirty (30) days (except personal illness leave of absence), leave of absence for personal illness of less than ninety (90) days, or leave in accordance with the Family Medical Leave Act (FMLA), or for employees working only during the regular school year and not working during the summer break period, until such employees either resign their employment status or fail to return to active working status at the commencement of the next school year. Employees on non-compensated approved leave of absence or approved medical leave of absence who desire to continue insurance coverages past the period for which the EMPLOYER has agreed to continue such coverage on the basis set forth in Section A2.05 may do so by paying the full premium for any such insurance to the Treasurer on or before the seventeenth (17th) day of the month prior to any such month such coverage is desired to be continued. In the event coverage is discontinued for any period, coverage cannot be re-acquired through the EMPLOYER until the employee returns to active working status.

A2.09 The foregoing Medical Insurance Program described in section A2.03 shall be provided on a participating basis only for all regular part-time employees who complete the required applications for such insurance and submit such applications to the Treasurer of the EMPLOYER, or who are covered by such insurance by the EMPLOYER on the effective date of this AGREEMENT, and who are regular part-time employees of the BOARD working less than thirty (30) hours per week, provided such employees work at least thirty-six (36) weeks per year or have an annual contract with the BOARD, in accordance with the following schedule:

Number of hours regularly scheduled to work during work week _____	Portion of total premium cost for insurance to be <u>paid by EMPLOYER</u>	Portion of total premium cost for insurance to be <u>paid by the employee</u>
At least 10, but less than 15	1/3	2/3
At least 15, but less than 20	1/2	1/2
At least 20, but less than 25	2/3	1/3
At least 25, but less than 30	5/6	1/6

All part-time employees hired after the effective date of this agreement will pay the greater of 20% or the percentage set forth above. The maximum contribution by the BOARD as set out above will be applied to the current premium or the limits set forth in Section A2.08 of this ARTICLE, whichever is less. Insurance coverage is not automatic. All required insurance forms or applications must be properly completed and returned to the Treasurer in order to effect coverage.

A2.10 The foregoing insurance programs shall be continued for all employees on the same basis as such insurance is provided during the school year during the months of June, July, and August.

A2.11 For purposes of this Addendum only, a "regular part-time employee" is an employee employed on a continuous basis by the EMPLOYER, who performs services for which compensation is paid during each week after employment commences or after such employee is placed under contract with the EMPLOYER on a regular basis with the number of hours of service to be performed scheduled on a regular and recurring basis. It is understood that any individual employed by the EMPLOYER excluded from the definition of an employee pursuant to section 2.01 of this AGREEMENT, and any individual employed by the EMPLOYER on an "on call" basis is not considered a regular part-time employee.

A2.12 The EMPLOYER will make arrangements to afford individual employees who are regularly scheduled to work at least twenty (20) hours per week and at least thirty-six (36) weeks per year, the option to subscribe to a Flexible Spending Account, upon written request in lieu of all medical insurance coverages provided in this Addendum, subject to the limitation on EMPLOYER contributions toward the cost of such option contained in the following paragraph. Subsequent opportunity to exercise or to revoke the exercise of such option shall be provided as may be mutually agreed upon by the EMPLOYER and the ASSOCIATION, but not more frequently than once in any twelve (12) month period.

On behalf of each employee subscribing to a Flexible Spending Account under the preceding paragraph, the EMPLOYER will make quarterly contributions in the amount of \$150.00 (\$600.00 per year).

A2.13 The BOARD will make arrangements to afford individual employees who are regularly scheduled to work at least twenty (20) hours per week and at least thirty-six (36) weeks per year, the option to subscribe to a Cash Bonus Account, upon written request effective September, 1988, in lieu of all medical insurance coverages provided in this Addendum, subject to the limitation on EMPLOYER contributions toward the cost of such option contained in the following paragraph. Subsequent opportunity to exercise or to revoke the exercise of such option shall be provided as may be mutually agreed upon by the EMPLOYER and the ASSOCIATION, but not more frequently than once in any twelve (12) month period.

On behalf of each employee subscribing to a Cash Bonus Account under the preceding paragraph, the EMPLOYER will make quarterly contributions to such Account in the amount of \$150.00 (\$600.00 per year).

A2.14 Conversion Privilege

If an employee's life and accidental death insurance coverage is terminated, such employee will be entitled to convert to an individual life and accidental death insurance policy, without a medical examination, provided application is made within thirty-one (31) days of such termination of coverage.

A2.15 SERS Pickup

The EMPLOYER shall designate each employee's mandatory contributions to the State Employees Retirement System of Ohio as "picked up" by the EMPLOYER as contemplated by Internal Revenue Service Revenue Rulings 77-464 and 82-36, although they shall continue to be designated as employee contributions as permitted by Attorney General Opinion 82-097, in order that the amount of the employee's income reported by the BOARD as subject to Federal and Ohio income tax shall be the employee's total gross income reduced by the then-current percentage amount of the employee's mandatory State Employees Retirement System contribution which has been designated as "picked up" by the EMPLOYER, and that the amount designated as "picked up" by the EMPLOYER shall be included in computing final average earnings, provided that no employee's total earnings is increased by such "pick up", nor is the EMPLOYER's total contributions to the State employees Retirement System increased thereby.

- A. The pick up percentage shall apply uniformly to all members of the ASSOCIATION as a condition of employment. The pick up shall apply to all compensation thereafter.
- B. The parties agree that should the rules and regulations of the IRS, or retirement system change making this procedure unworkable, the parties agree to return, without penalty, to the former method of employee/employer contributions.
- C. Payment for sick leave, personal leave and severance, including unemployment and worker's compensation, shall be based on the employee's daily gross pay prior to reduction as basis (e.g., gross pay divided by the number of days scheduled to work).
- D. Such earnings reduction shall not result in any earnings which may be less than any minimum earnings required under State or Federal law. Should the reduction calculation result in an earning that is less than any minimum required under State or Federal law, a pro rata reduction shall result with the employee contributing that portion which falls below such minimum as may be required by State or Federal law.
- E. It is to be understood by the parties that it is the responsibility of each individual employee to make any necessary adjustments in any other tax sheltered annuities he or she has in order to be in compliance with IRS

law and regulations.

- F. The EMPLOYER is not liable, nor will it be held responsible, for any related legal, IRS, SERS, or any other agencies' penalties or decisions concerning this plan, now or in the future.
- G. The ASSOCIATION, and its members, both severally and individually, agree to indemnify and hold the BOARD harmless against any and all claims and actions that shall arise out of or by reason of any action taken by the BOARD in compliance with the provisions of this Article.

A2.16 ASSOCIATION members are eligible to participate in an I.R.S. approved Code 125 Flexible Benefit (Cafeteria) Plan for their use on a payroll deduction basis. It is desired that this plan would include the benefits of pre-taxing employee costs for: all legally eligible insurance premiums under the provisions of Section 106 of the I.R.S. Code; unreimbursed medical expenses under the provisions of Section 105 of the I.R.S. Code; and dependent care costs (child or parent) under the provisions of Section 129 of the I.R.S. Code.

The plan will be implemented and maintained at no cost to either the School Board or the employees now or in the future. The parties have been provided information by American Family Life Assurance Company of Columbus (AFLAC) that both the set-up and ongoing administration of the 125 Plan, as well as the availability of supplemental health insurance benefits on a pre-tax basis, could and would be done by them at no cost. We request, therefore, that the School Board contract, on behalf of all Dayton City School employees represented by OAPSE, with AFLAC to implement a 125 Plan as described above.

It is agreed that during the annual open enrollment period established for the 125 Plan that adequate time be allowed for on-site explanation of the 125 Plan, and all available benefits by the delegated 125 Plan administrator (AFLAC representative) on an individual employee basis. It is expected that this would also have to be accomplished on a non-interference-with-work basis.
