Rationale

The Dayton Power and Light Company requires a Right of Way and Easement for any and all purposes for which electric energy is now or may hereafter be used, and also to construct, reconstruct, erect, add to, operate, maintain, use, remove, replace either overhead or underground electric facilities consisting of poles, lines, structures, wires, underground lines, cables, conduits, manholes, anchors, grounding systems, communication circuits, fiber optic cables, equipment, and all other necessary and incidental appurtenances contained in, over, upon, under and through, subject to the conditions hereinafter on the following premises, viz:

Parcel I.D. No. E20 01008 0210

Said Right of Way and Easement shall be TEN (10) feet in width and the centerline shall be approximately along the following course identified on Exhibit A.

The grant of Right of Way and Easement shall run with the land and be binding on and inure to the benefit of the parties, their heirs, successors, and assigns.

NOW, THEREFORE, BE IT RESOLVED that this Board of Education, Dayton City School District, approve the conveyance of a Right of Way and Easement as set forth in the Dayton Power and Light Company Right of Way and Easement grant.

BE IT FURTHER RESOLVED that the Treasurer and President of the Board are authorized to sign a Right of Way and Easement right-of-way grant.

ITEM XV

I recommend approval of the Construction Documents (CD) Phase Submission for Segment III, (12 Schools) Furniture Fixtures & Equipment (FF&E).

Rationale

The Dayton Board of Education (the "Board") is undertaking a Classroom Facilities Assistance Program Project in cooperation with the Ohio School Facilities Commission ("OSFC") through the OSFC's Accelerated Urban Program, which will result in the construction of new school facilities and renovations and additions to existing facilities within the school district, as described in a Master Plan accepted by the Board. At this time, the Architect and the Construction Manager have prepared the documents required by the OSFC for the construction documents phase submission for Belmont High School, Dayton Boys Preparatory Academy PK-8, Charity Adams Early Girls Academy, Eastmont PK-8, Edison PK-8, Fairview K-8, Homewood PK-8, Meadowdale High School, Meadowdale PK-8, Montessori PK-8, Residence Park PK-8, and Wilbur Wright PK-8. The construction documents phase submission, assembled by the Construction Manager, includes product review and recommendation by the Architect, an estimate of probable cost and a proposed schedule for the Project reviewed and revised by the Construction Manager, comments prepared by the Construction Manager based upon its review of the documents for compliance with the Ohio School Design Manual and the Master Plan, and the Construction Manager's recommendation letter for approval.

The Construction Manager, together with the Architect, recommends approval of the Construction Documents Phase Submission for the Project dated August 24, 2009 and request authorization to work with the Treasurer to place the appropriate advertisements required by law to solicit bids for the Project.

NOW, THEREFORE, BE IT RESOLVED by the Dayton Board of Education of the Dayton City School District, Montgomery County, Ohio, that the Board of Education accepts the recommendation of the Superintendent and approves the Construction Documents Phase Submission dated August 24, 2009, for the Project, as presented by the Construction Manager, subject to approval of the OSFC.

BE IT FURTHER RESOLVED that the Board directs the Treasurer, working with the Construction Manager, to prepare and place the appropriate advertisements required by law to solicit bids for the work specified for the Project.

ITEM XVI

I recommend approval of the Resolution Awarding the contract for the Demolition of Colonel White High School building demolition under Segment III of the Accelerated Urban Building Replacement Program to Evans Landscaping, Inc.

Rationale

The Dayton Public School District Board, on behalf of the State of Ohio through the Ohio School Facilities Commission's Accelerated Urban Initiative of the Classroom Facilities Assistance Program, awarded and entered into a contract with Able Disassembly, LLC (Able) on September 9, 2008, to demolish the existing Colonel White High School. Able defaulted and failed to complete its work under the contract. In addition, Able's bonding company, Western Surety Company, refused to take over the contract and perform the work. Ohio Revised Code Section 153.17(B) permits the District to complete the work with a takeover contractor without competitive bidding when the original contractor fails to perform the work and its surety declines to take over the project. Price quotes were solicited from four contractors to complete the remaining work. Evans Landscaping submitted the lowest quote in the amount of \$166,900 dated August 11, 2009.

The Chief Construction Officer recommends that the Board approve a takeover contract with Evans Landscaping to complete the remaining work on the Able contract and requests approval of a contract with Evans Landscaping in the amount of \$166,900, which is a co-funded project cost.

Based on the information reviewed and evaluated, the Chief Construction Officer recommends to the Superintendent and Board of Education that the above is the lowest responsible bidder for the Demolition of Colonel White High School building demolition under Segment II of the Accelerated Urban Building Replacement Program, and further recommend awarding the contract for Colonel White High School demolition to Evans Landscaping, Inc. for \$166,900.

NOW, THEREFORE, BE IT RESOLVED by the Dayton Board of Education of the Dayton City School District, Montgomery County, Ohio, that the Board of Education accepts the recommendation of the Superintendent and award the Demolition of Colonel White High School building under Segment III of the Accelerated Urban Building Replacement Program to Evans Landscape, Inc. subject to any required approvals by OSFC.

BE IT FURTHER RESOLVED that the Board President, Superintendent, and Treasurer are authorized to sign the contract and any related documents required to evidence the contract, subject to any required approvals of the OSFC.

Purchase Order: 118366

ITEM XVII

I recommend that the Board authorize the **OSFC PURCHASE ORDERS** as submitted by the Treasurer.

Respectfully submitted,

Kurt T. Stanic, Ed.D.
Superintendent
