ITEM XIV

Authorizing the issuance of not to exceed \$191,960,000 of bonds for the purpose of advance refunding all or a portion of the school facilities construction and improvement bonds, series 2003-a (general obligation – unlimited tax) and series 2003-b (general obligation – limited tax), each dated June 17, 2003, issued for the purposes set forth in the authorizing resolution adopted on March 4, 2003; advance refunding all or a portion of the school facilities construction and improvement bonds, series 2003-d (general obligation – unlimited tax), dated July 31, 2003, issued for the purposes set forth in the authorizing resolution adopted on March 4, 2003; authorizing a certificate of award, bond purchase agreement and bond registrar agreement; authorizing the use and delivery of an official statement relating to the bonds, if desired; authorizing the treasurer to negotiate a termination or amendment of an interest rate hedge agreement; authorizing the application to the state department of education to approve and execute an agreement for the contingent intercept of state foundation payments to enhance the security of the bonds; and authorizing related matters in connection therewith.

Rationale

WHEREAS, this Board adopted a resolution on March 4, 2003 (the “Bond Resolution”) authorizing the issuance of not to exceed \$245,055,000 of bonds; and

WHEREAS, the School District issued a series of bonds in the original principal amount of \$93,500,000 dated July 17, 2003 (the “2003-A Bonds”), a series of bonds in the original principal amount of \$6,000,000 dated July 13, 2003 (the “2003-B Bonds”), and a series of bonds in the original principal amount of \$151,555,000 dated July 31, 2003 (the “2003-D Bonds,” together with the 2003-A Bonds and the 2003-B Bonds, the “2003 Bonds”); and

WHEREAS, the School District authorized the execution of an interest rate hedge agreement (the “Bank Agreement”) with The Bank of New York Mellon in connection with a current refunding of the 2003 Bonds; and

WHEREAS, in view of potential lower interest rates the Board has determined that it is advisable and in the best interest of the School District to issue refunding bonds of the School District to advance refund the 2003 Bonds and to cancel the Bank Agreement; and

WHEREAS, the Treasurer of the Board (the “Treasurer”) has certified to this Board that the maximum maturity and principal amount of the bonds herein authorized cannot exceed the maximum maturity and principal amount of the 2003 Bonds, if issued; and

WHEREAS, it is now deemed necessary to authorize the issuance and sale of not to exceed \$191,960,000 of such bonds under authority of the general laws of the State of Ohio, including Ohio Revised Code Chapter 133, and in particular Section 133.34 thereof, for the purpose described in the title of this Resolution;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE DAYTON CITY SCHOOL DISTRICT, MONTGOMERY COUNTY, OHIO THAT:

Section 1. It is hereby declared necessary to issue bonds of the School District in the principal sum of not to exceed One Hundred Ninety-One Million, Nine Hundred Sixty Thousand Dollars (\$191,960,000.00), or such lesser amount as shall be determined by the Treasurer and certified to this Board, which bonds shall be designated as “Dayton City School District, Montgomery County, Ohio Refunding School Facilities Construction & Improvement Bonds, Series 2012,” or as otherwise designated herein below or as otherwise designated by the Treasurer (the “Bonds”), for the purpose described in the title of this Resolution and the Board hereby determines that refunding the outstanding 2003 Bonds is in the best interest of the District. The Bonds may be issued in one or more series.

Section 2. The Bonds shall be issued as fully registered bonds in book entry form, in such denominations as shall be determined by the Treasurer, but not exceeding the principal amount of Bonds maturing on any one date; and shall be numbered consecutively from R-1 upward, as determined by the Treasurer. The Treasurer is

hereby authorized and directed to execute on behalf of the School District a Certificate of Award relating to the terms of the Bonds (the "Certificate of Award") setting forth the aggregate principal amount, dated date, purchaser, purchase price, maturity schedule, interest rate, interest payment dates, optional and mandatory redemption provisions, if any, and such other terms of the Bonds not inconsistent with this Resolution as the Treasurer shall deem appropriate in his discretion on behalf of this Board, provided that the maximum maturity date of the Bonds shall not be later than December 1, 2031 and the true interest cost for the Bonds in the aggregate shall not exceed six per centum (6.00%) per annum.

Section 3. The Treasurer is hereby authorized and directed to serve as authenticating agent, bond registrar, transfer agent, and paying agent for the Bonds or to execute on behalf of the School District a Bond Registrar Agreement (the "Bond Registrar Agreement") with such bank or other appropriate financial institution as shall be acceptable to the Treasurer (the "Bond Registrar"). Such Bond Registrar Agreement shall set forth the requirements for the execution, authentication, registration, exchange of, transfer and terms for the payment, record and notice of debt service on the Bonds, in addition to terms for a successor Bond Registrar. The Bonds shall express upon their faces the purpose for which they are issued and that they are issued pursuant to this Resolution, and no Bond shall be valid or become obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until authenticated pursuant to the terms of the Bond Registrar Agreement.

The Bond Registrar Agreement shall also set forth that the terms pursuant to which the Bonds will be delivered as fully registered in book entry form with a securities depository that is a clearing agency under federal law operating and maintaining, together with its participants, a book entry system to record beneficial ownership of Bonds, and to effect transfers of Bonds, in book entry form, which shall include The Depository Trust Company (a limited purpose trust company), New York, New York.

If requested, the President of the Board (the "President"), Treasurer, or any other officer of this Board is authorized and directed to execute, acknowledge and deliver, in the name of and on behalf of the School District, a letter agreement among the School District, the Bond Registrar and The Depository Trust Company, as depository, to be delivered in connection with the issuance of the Bonds to the Depository for use in a book entry system in substantially the form submitted to the Board.

Section 4. There shall be and is hereby levied annually on all the taxable property in the School District, in addition to all other taxes and outside the ten mill limitation, a direct tax (the "Debt Service Levy") for each year during which any of the Bonds are outstanding for the purpose of providing, and in an amount which is sufficient to provide, funds to pay interest upon the Bonds as and when the same falls due and to provide a fund for the repayment of the principal of the Bonds at maturity or upon redemption. The Debt Service Levy shall not be less than the interest and sinking fund tax required by Article XII, Section 11 of the Ohio Constitution.

Section 5. The Debt Service Levy shall be and is hereby ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of such years are certified, extended and collected. The Debt Service Levy shall be placed before and in preference to all other items and for the full amount thereof. The funds derived from the Debt Service Levy shall be placed in a separate and distinct fund, which shall be irrevocably pledged for the payment of the premium, if any, and interest on and principal of the Bonds when and as the same falls due. Notwithstanding the foregoing, if the School District determines that funds will be available from other sources for the payment of the Bonds in any year, the amount of the Debt Service Levy for such year shall be reduced by the amount of funds which will be so available, and the School District shall appropriate such funds to the payment of the Bonds in accordance with law.

Section 6. The Bonds shall be sold pursuant to the terms listed in the Certificate of Award. The President and Treasurer, or either of them individually, are authorized and directed to execute on behalf of the Board a Bond Purchase Agreement, setting forth the conditions under which the Bonds are to be sold and delivered, which agreement shall be in such form, not inconsistent with the terms of this Resolution and the Certificate of Award, as the Treasurer shall determine. The proceeds from the sale of the Bonds shall be applied as specified in the Certificate of Award and the Bond Purchase Agreement.

October 2, 2012 – Informational Meeting

Section 7. The Board hereby covenants that it will comply with the requirements of all existing and future federal laws which must be satisfied in order that interest on the Bonds is and will continue to be excluded from gross income for federal income tax purposes, including without limitation restrictions on the use of the property financed with the proceeds of the Bonds so that the Bonds will not constitute “private activity bonds” within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended (the “Code”). The Board further covenants that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time the Bonds are issued, so that they will not constitute arbitrage bonds under Section 148 of the Code and the regulations prescribed thereunder (the “Regulations”).

The Treasurer, or any other officer of this Board, is hereby authorized and directed (a) to make or effect any election, selection, designation, choice, consent, approval or waiver on behalf of the Board with respect to the Bonds as permitted or required to be made or given under the federal income tax laws, for the purpose of assuring, enhancing or protecting favorable tax treatment or the status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing any rebate amount or any payment of penalties, or making any payments of special amounts in lieu of making computations to determine, or paying, any excess earnings as rebate, or obviating those amounts or payments, as determined by the Treasurer, which action shall be in writing and signed by the Treasurer, or any other officer of the Board, on behalf of the Board; (b) to take any and all actions, make or obtain calculations, and make or give reports, covenants and certifications of and on behalf of the School District, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds; and (c) to give an appropriate certificate on behalf of the Board, for inclusion in the transcript of proceedings, setting forth the facts, estimates and circumstances, and reasonable expectations of the Board pertaining to Section 148 and the Regulations, and the representations, warranties and covenants of the Board regarding compliance by the Board with Sections 141 through 150 of the Code and the Regulations.

The Treasurer shall keep and maintain adequate records pertaining to investment of all proceeds of the Bonds sufficient to permit, to the maximum extent possible and presently foreseeable, the School District to comply with any federal law or regulation now or hereafter having applicability to the Bonds which limits the amount of bond proceeds which may be invested on an unrestricted yield or requires the School District to rebate arbitrage profits to the United States Department of the Treasury. The Treasurer is hereby authorized and directed to file such reports with, and rebate arbitrage profits to, the United States Department of the Treasury, to the extent that any federal law or regulation having applicability to the Bonds requires any such reports or rebates.

Section 8. The President and Treasurer, or either of them individually, are each authorized to cancel, terminate or amend the Bank Agreement; provided however, that any changes to the Bank Agreement must be reviewed and recommended to the Board by an independent interest rate hedge advisor experienced with the terms and pricing of similar transactions. Such advisor shall be retained as provided in Section 11.

Section 9. If the Treasurer determines that an Official Statement is necessary or appropriate to facilitate the sale of the Bonds, the distribution of an Official Statement of the School District, in preliminary and final form, relating to the original issuance of the Bonds is hereby authorized, and the President and Treasurer are hereby authorized to negotiate, prepare and execute, on behalf of the School District and in their official capacity, the Official Statement and any supplements thereto as so executed in connection with the original issuance of the Bonds, and they are authorized to advise the purchaser in writing regarding limitations on the use of the Official Statement and any supplements thereto for purposes of marketing or reoffering the Bonds as they deem necessary or appropriate to protect the interests of the School District. The President and Treasurer are each authorized to execute and deliver, on behalf of the School District and in their official capacities, such certificates in connection with the accuracy of the Official Statement, in either preliminary or final form, and any supplements thereto as may, in their judgment, be necessary or appropriate.

Section 10. The Board is hereby authorized to request, pursuant to Ohio Revised Code Section 3317.18, that the State Department of Education approve an agreement among the State, the School District, and the Bond Registrar providing for the withholding of deposit of funds, otherwise due the School District under Ohio

Revised Code Chapter 3317, for the payment of debt charges on the Bonds. The President and Treasurer, or either of them individually, is hereby authorized to prepare and file with the State an application for such approval and to execute and deliver on behalf of the Board any and all documents, certificates, forms and agreements that are in their judgment necessary or appropriate in connection therewith, if such officer deems such agreement to be in the best interest of the School District.

Section 11. The officer having charge of the minutes of the Board and any other officers of the Board, or any of them individually, are hereby authorized and directed to prepare and certify a true transcript of proceedings pertaining to the Bonds and to furnish a copy of such transcript to the Original Purchaser. Such transcript shall include certified copies of all proceedings and records of the Board relating to the power and authority of the School District to issue the Bonds and certificates as to matters within their knowledge or as shown by the books and records under their custody and control, including but not limited to a general certificate of the Treasurer and a no-litigation certificate of the President and the Treasurer, and such certified copies and certificates shall be deemed representations of the School District as to the facts stated therein.

Section 12. The Treasurer, on behalf of the Board, is hereby authorized to retain such legal counsel, financial advisors, interest rate hedge advisors, or other firms as necessary to serve in those capacities to the School District for the issuance of the Bonds. The fees to be paid to such firms shall be subject to review and approval of the Treasurer, shall not exceed the fees customarily charged for such services, and may be paid upon closing of the financing from proceeds of the Bonds.

Section 13. It is hereby found and determined that all acts, conditions and things necessary to be done precedent to and in the issuing of the Bonds in order to make them legal, valid and binding obligations of the School District have happened, been done and been performed in regular and due form as required by law; that the full faith, credit and revenue of the School District are hereby irrevocably pledged for the prompt payment of the principal and interest thereof at maturity; and that no limitation of indebtedness or taxation, either statutory or constitutional, has been exceeded in issuing the Bonds.

Section 14. It is hereby found and determined that all formal actions of the Board concerning and relating to the passage of this Resolution were taken in an open meeting of the Board, and that all deliberations of the Board and of any of its committees that resulted in such formal action were in meetings open to the public in compliance with all legal requirements, including Ohio Revised Code Section 121.22.

Section 15. The Treasurer is hereby directed to forward a certified copy of this Resolution to the County Auditor of Montgomery County, Ohio.
