### ***Lady Falkons Summer Program***

**Through the utilization of MobyMax, students will complete a pre and post-assessment in stated areas. Students will have opportunities to work one on one, think pair share, have clear learning goals, questions for understanding, and plenty of practice, including feedback. On three Thursdays, students will participate in off-site field trips.**

**Build on students' Reading Skills while re-engaging students through activities that deal with Social Emotional Learning.**

**Medical Form:**
