- 1.02 The UNION recognizes the BOARD as the elected representative of the citizens of the School District of the City of Dayton, Ohio. - 1.03 The UNION recognizes the Superintendent of Schools of the School District of the City of Dayton, Ohio (SUPERINTENDENT) as the individual with the responsibility under the statutes of the State of Ohio for the administration of policy as adopted by the BOARD and for the administration of the affairs of the School District of the City of Dayton, Ohio. Nothing in this CONTRACT shall be interpreted as a delegation by either the BOARD or the SUPERINTENDENT of the legal authority of the SUPERINTENDENT or be interpreted as a limitation of the legal authority of the SUPERINTENDENT.
- 1.04 This CONTRACT supersedes any and all previous agreements between the parties hereto and is a final and complete CONTRACT of all negotiated items that are in effect throughout the term of said CONTRACT. Execution of this CONTRACT precludes further negotiations of any issues unless otherwise mutually agreed upon by the respective parties.

- 16.03 In most cases, employees will remain on the-job while disciplinary charges are pending; however, the parties recognize that circumstances may occur where it is appropriate and necessary to remove the employee from duty immediately. Employees shall not be removed from service without pay until they are first given an opportunity to be heard as to unpaid leave, and in such cases, the employee shall be placed on paid administrative leave until the hearing. The employer shall hold a hearing before the designated hearing officer to determine whether the employee shall be returned to duty, remain on administrative leave with pay, or placed on administrative leave without pay, pending the outcome of the employer's investigation and resolution of the disciplinary charges. The EMPLOYER shall then meet and discuss the matter fully within five (5) workdays after notification by the employee of the grievance.

If unable to resolve the issue without filing a grievance, the Union may file the grievance one step above the management official responsible for the aggrieved issue. Should a management official believe that he/she may have a conflict of interest, he/she may so state and move the grievance to the next level without prejudice.
 - c) The Union shall endeavor to provide the employer with documents it intends to use in support of its position one day prior to the grievance hearing. Failure to provide such documents may be grounds to postpone the hearing.

In the event a grievance is not timely filed or timely appealed as required, the grievance shall be deemed withdrawn and not subject to further processing as a grievance, without establishing a precedent. In the event a grievant is not timely answered at Level III as required, the grievance shall be deemed settled in favor of the grievant, without establishing a precedent. If a settlement is not reached, the Union may appeal the grievance to arbitration. All applicable time limits for appealing a grievance to arbitration contained in the Collective Bargaining Agreement shall commence on the day of the mediation conference.

Upon receipt of such names, the UNION and EMPLOYER shall alternately cross off one (1) name until one (1) name remains, that person being selected as the arbitrator. The parties may by agreement, pursue a different arbitration procedure.
- C. The EMPLOYER and the UNION shall equally share the fees and expenses of the arbitrator and any expenses incidental to the arbitration proceedings. Each, however, shall be responsible for the fees and expenses of its representative(s).  3. Make certain that such individual does not lose any accrued sick leave, vacation leave, personal leave, or retirement benefits that had been credited to the employee while in the employ of the EMPLOYER;
 4. Include in any agreement, resolution or order effectuating a succession, assignment, or transfer, a provision that this agreement is binding on the successor, assignee, or transferee and that all terms and conditions of this and all subsequent Agreements shall continue in full force and effect and that the successor, assignee or transferee shall continue to recognize the UNION as the exclusive representative of the employee, as permitted by law;
 5. Allow the employee to return, with no loss of seniority or benefits, to the employee's former position in the school district if the employee leaves or is discharged from employment with the community (charter) school for any reason. All time spent in the employ of the community (charter) school shall be credited to the employee

when calculating seniority and eligibility for compensation and benefits upon employee's return.

- C. In the event that the EMPLOYER converts any school in the school district to a community (charter) school, the EMPLOYER will require the governing authority of the converted community (charter) school to recognize the UNION as the exclusive representative of all individuals employed in classifications covered by this and all subsequent applicable Agreements and to grant such employees the terms and conditions contained in this and all subsequent applicable Agreements as required by law.
- D. Favored Nations Clause of Conversion Community Schools
If any OAPSE, Building Trades or DPSU bargaining unit negotiate language other than that provided herein, this bargaining unit will be offered the same language.

**ARTICLE FORTY-THREE
CDL REQUIREMENT FOR GROUNDSKEEPERS (PREVENTIVE MAINTENANCE)**

All groundskeepers and preventive maintenance employees are required to have a Class A CDL.

Current employees within this bargaining unit possessing a Class A CDL will be given preference for promotion into this classification. Current employees within this bargaining unit who do not possess a CDL and seeking promotion into the groundskeeper classification must first obtain the Temporary CDL packet. If the promotion is granted, that employee must then obtain the Class A CDL within six months of being promoted. Upon giving his/her supervisor two weeks notice of the desire to take scheduled CDL training offered by transportation, the employee shall be permitted, one time, to participate in such training without loss of pay.

If the Class A CDL is not obtained, the employee will be returned to his/her previous classification.

ARTICLE FORTY-FOUR -- DURATION OF CONTRACT

- 44.01 This CONTRACT is entered into by the BOARD pursuant to all applicable statutes of the State of Ohio and consistent with Dayton Civil Service Rules applicable to bargaining unit employees and Board of Education Policies, Rules and Regulations. Should any applicable statute of the State of Ohio be passed or amended which makes any provision of this CONTRACT unlawful, or if any court of competent jurisdiction decides in any case that a provision of this CONTRACT is unlawful, that section of the CONTRACT is abrogated and the remainder of this CONTRACT shall remain in full force and effect. Should any change be made in any Dayton Civil Service Rules and Regulations or Board of Education Policies, Rules and Regulations which would affect employees in the bargaining unit, the BOARD will apply the provisions of Sections 14.01 & 14.02 prior to any such change.

Any provision which is changed per the above paragraph shall not affect the remainder of this CONTRACT which shall stay in full force and effect.

- 44.02 A pre-negotiations meeting shall be held at a mutually agreed to time and place after notice of intention to terminate, modify or amend the contract has been served. At this meeting the parties will decide upon the process to be used for negotiations, i.e., interest based bargaining (IBB) or traditional negotiations, and the ground rules for conducting same.

The Board and the Union agree to utilize an alternative settlement dispute procedure through the Federal Mediation and Conciliation Service, as opposed to the Fact finding Process contained in O.R.C. Section 4117.14(C) and under Ohio Administrative Code Rule 4117-9-05(B), (C). The parties, by mutual agreement, can select a mediator other than the one provided by the Federal Mediation and Conciliation Service.

- 44.03 This CONTRACT shall be effective from July 1, 2023 through June 30, 2026, and thereafter for successive periods of twelve (12) months unless either party to this CONTRACT, on or before ninety (90) days prior to the expiration date of June 30, 2026, notifies the other party, in writing, of its intention to terminate this CONTRACT. Within ten (10) days after receipt of such notice, a conference shall be arranged between the parties hereto and such conferences shall be held a time agreeable to the parties.

ARTICLE FORTY-FIVE -- PEOPLE DEDUCTION

- 45.01 The employer agrees to deduct from the wages of any employee who is a member of the Union a PEOPLE deduction as provided for in a written authorization. Such authorization must be executed by the employee at any time by giving written notice to both the employer and the Union. The employer agrees to remit any deductions made pursuant to this provision promptly to the Union together with an itemized statement showing the name of each employee from whose pay such deductions have been made and the amount deducted during the period covered by the remittance.

ARTICLE FORTY-SIX WORKPLACE INJURY

46.01 Salary Continuation

An employee who suffers a compensable workers' compensation injury, including being assaulted by a student, and who is temporarily and totally disabled as a result of the injury may be eligible to receive compensation from the Bureau of Workers' Compensation (BWC).

Salary Continuation is the continuation of full hourly wages and benefits at the onset of a work-related injury, and is designed to cover injured employees who would otherwise receive BWC temporary total payments where it is fiscally responsible for the District by causing the BWC to set a lower claim reserve and hence a lower premium regarding each case.

This section does not affect or replace the employees' need to file claims with the BWC for medical treatment.

46.02 To be Eligible for Salary Continuation:

- A. The employee must file a workers compensation claim.
- B. The employee must be employed by and/or be on contract with the District and be receiving wages from the District to remain eligible for Salary Continuation, the employee must remain eligible to receive wages and/or be on contract. For example, no contract employee or other employee not required to work, such as during Summer

and Intercession breaks, shall receive Salary Continuation during the time that they are not ordinarily required to work.

- C. The employee must sign a Salary Continuation reimbursement agreement.
- D. The employee must cooperate at all times in meeting with and in responding to information requests of the Managed Care Organization (MCO), BWC, the Risk Manager, and health providers.

46.03 **Administration of Salary Continuation:**

The Human Resources Department (HR) will oversee and implement Salary Continuation, and shall ensure the following:

- A. The date of injury must occur in a year in which the District's merit rating or retrospective premiums will be impacted. If a workers date of injury makes him/her ineligible for Salary Continuation, then in that case, the employee may use accumulated sick leave, as provided in other provisions. If the employee assigns their BWC check for the payment of temporary total disability to the District, then the Treasurer will recredit sick leave in the amount of the BWC check.
- B. Continuation of Pay payments are computed on the basis of the employees' base rate of pay and normally scheduled hours, not to exceed forty (40) hours per week. Part-time employees will have payment pro-rated.
- C. To allow for tracking of wages paid as a COP, the Continuation of Pay must be recorded using the appropriate payroll codes which the Treasurer shall provide for salaried and hourly employees. Payroll clerks shall properly code COP when paid.
- D. The injured employee will receive a full check at the next scheduled time after the illness or injury occurs. The payment of Salary Continuation shall not be contingent upon or wait for a BWC determination to be made. Failure to issue a full check shall cause the Board to forfeit Salary Continuation rights on the claim and temporary total compensation from the BWC will begin.
- E. Within seven (7) days of filing of a claim, HR shall advise the BWC and the employee whether the Board will pay Salary Continuation. HR will further submit to the BWC the relevant salary history and the amount of the employee's Salary Continuation payment.
- F. HR shall notify the BWC when the payment of Salary Continuation is discontinued and/or when the injured employee returns to work.
- G. Payments are made only for periods the employee would have been eligible for temporary total workers' compensation benefits for injuries and will be terminated upon return to work; when the Bureau of Workers' Compensation or the Industrial Commission has determined the employee has reached maximum medical improvement, when an offer of transitional duty has been made by the District and declined by the employee, or, when twelve (12) calendar weeks of Salary Continuation have been paid, whichever occurs first. If the employee has not returned to work within the twelve (12) calendar week period and has not reached maximum medical improvement, he/she may then receive benefits from the BWC or use any available sick leave, but the employer will not be required to buy back any sick leave used.

H. Time authorized under Salary Continuation is an FMLA qualifying event.

46.04 Employee Rights

- 46.04.1 An employee continues to accrue sick leave while on Continuation of Pay if they would have otherwise accrued such leaves.
- 46.04.2 Time authorized under Continuation of Pay is considered time worked for employees still in their probationary period, if any.
- 46.05.3 An injured employee receiving Salary Continuation cannot concurrently receive, for the same period of time, any other District compensation (e.g. sick leave, supplemental contract pay, etc.) or temporary total compensation payments from the State of Ohio Bureau of Workers' Compensation.
- 46.04.4 A return to work does not eliminate eligibility for the balance of Salary Continuation in the future if a medically documented flare up occurs as determined by the Bureau of Workers' Compensation or the Industrial Commission for this claim.
- 46.04.5 Salary Continuation may be paid for medical appointments documented under an approved transitional duty program and approved by the Risk Manager. (See Transitional Duty). This policy supersedes any prior practice of sick leave buyback, except as noted below, and Salary Continuation shall not be charged to sick leave.

46.05 Assault Leave

Since BWC compensable assaults are work related, salary continuation shall be provided as noted above as and for the assault leave. An assault is defined as a criminally punishable act by a pupil against an employee of the District causing a BWC compensable injury. This section describes additional requirements for the granting of salary continuation in assault situations.

In the case of such assaults, the employee must do all of the following to remain eligible for COP:

a. Furnish to the Risk Manager a signed statement describing in detail all of the facts and circumstances surrounding the assault, including, but not limited to, the location, the time, the Identity of the assailant(s), if known, and the identity of all witnesses. The employee must also submit written verification signed by the attending physician that the employee is disabled from performing normal duties, indicating the nature of the disability and probable duration as well as a statement of the employee's ability to participate in transitional or alternate duties designed to return the employee back to work.

b. Cooperate fully with the Risk Manager and other public authorities in the prosecution of the assailant(s). In the event the employee requires representation by an attorney in the criminal prosecution of the assailant(s), the Board will provide an attorney to represent the employee in such matters.

c. File a workers' compensation claim to be eligible for salary continuation which, if granted, will replace BWC payments that would otherwise be made during the period of salary continuation. There is no loss of seniority while on salary continuation and all insurances shall remain in effect in the case of dispute as whether the employee initiated the assault the determination by the BWC, the Industrial Commission, or a court of competent jurisdiction shall

be controlling. If it is determined that salary continuation should not have been paid, the employee will be liable for a return of those funds, by payroll deduction or otherwise, at the discretion of the employer. salary continuation for assaults shall not be charged to sick leave.

46.06 Merger

Any related leave policies such as injury leave and worker's compensation, and assault leave are hereby merged into this provision.

ARTICLE FORTY-SEVEN TRANSITIONAL DUTY

- 47.01 Transitional Duty is designed to allow an employee to safely return to work with temporary physical limitations and restrictions which may prevent the employee from performing all of his or her assigned duties.
- 47.02 Transitional Duty applies only to work-related workers' compensation injuries or illnesses and is not to be considered as an official position or job. Transitional Duty is not a job classification, permanent or otherwise. An employee performing transitional duties retains his/her existing job classification and seniority.
- 47.03 Transitional Duty is applicable only when it is deemed medically reasonable that a full recovery expected to occur within twelve (12) weeks. Transitional Duty, therefore, shall last no more than twelve (12) weeks with a full return to work by the end of twelve (12) weeks. Transitional Duty is not available if the employee has reached maximum medical improvement as determined by the Bureau of Workers' compensation.
- 47.04 To be eligible for Transitional Duty, an employee must complete all related injury investigation forms, First Report of Injury (FROI) form, medical releases and any other documents required by the physician, the Managed Care Organization (MCO), the employer, and the Third-Party Administrator.
- 47.05 Transitional Duty is implemented upon the availability of Transitional Duty by the employer and/or the availability of prearranged third parties, such as local charitable and civic organizations. The Risk Manager shall be the approval authority for all Transitional Duty. Full regular wages are paid during Transitional Duty.
- 47.06 The Treasurer shall use a payroll code for salaried and another code for hourly employees working in Transitional Duty to allow for proper tracking of Transitional Duty.
- 47.07 Overtime is not permitted unless approved by the attending physician and will not have a negative impact upon or delay recovery.
- 47.08 Transitional Duty can be less than full time with salary continuation paid, if eligible for hours not worked to supplement a full, regular wage. Hours not worked must be documented and supported by appropriate medical documentations.

For example, an employee normally scheduled for eight (8) hours per day is released to return to work four (4) hours and attends physical therapy the remaining four (4)

hours. In this situation, he will work four (4) hours and receive his regular wages and then receive four (4) hours of Continuation of Pay upon submission of supporting medical documentation of the time spent in therapy.

47.09 Transitional Duty is applicable to compensable injuries as determined by the Bureau of Workers' Compensation whether lost time or medical only. Once an employee returns to work under the Transitional Duty program, salary continuation is payable in medical-only claim.

For example, if an employee is off four days and returns to work under an approved Transitional Duty program, the four days will not be considered salary continuation. If, however the employee returns to work under Transitional Duty and must then be excused for physical therapy or doctor visits in order to continue Transitional Duty and recover from a work-related Injury, salary continuation is payable while the employee is off the work site. The employee shall provide to his or her supervisor appropriate medical documentation supporting attendance. Appropriate medical documentation should include the date, time in and time out, and the medical provider's signature.

47.10 salary continuation is not payable for medical appointments once the employee is released to full duty, has exhausted all available salary continuation, or their limitations and restrictions do not prevent the employee from performing the essential duties of their position.

47.11 An employee on Transitional Duty who has exhausted all available salary continuation, may elect to use available paid leave or leave without pay.

47.12 An employee cannot work a second job within or outside of the District and work Transitional Duty unless approved by the Risk Manager.

47.13 The goal of Transitional Duty is to return the employee to his regular job and department, but other work within the department would be appropriate if the employee is unable to do any part of his regular job. Work outside of his immediate department can be considered if work is not available within his department.

47.14 If an employee is offered Transitional Duty and refuses a Transitional Duty offer within his or her medical limitations, the employee cannot elect Continuation of Pay. The employee will not be eligible for temporary total benefits from the Ohio Bureau of Workers' Compensation when a valid Transitional Duty offer has been made and declined. The District will notify the Ohio Bureau of Workers' Compensation of any refusal to accept a Transitional Duty offer that is within the medical limitations.

47.15 An employee may elect to use sick leave, vacation leave, or personal leave time if the employee refuses Transitional Duty but no buy-back of the leave taken shall occur. All leave taken for a work-related injury should be reviewed for FMLA qualification.

47.16 A Transitional Duty offer made to an employee refusing to return to work must be reduced to writing and sent by certified mail or hand delivered to the employee. If hand delivering the offer, be sure to obtain the injured workers signature and date received on the employees copy. Time spent in Transitional Duty is considered time worked for employees still in their probationary period.

47.17 To remain eligible for this program, the Employee must cooperate with, meet when reasonably requested, and respond to information requests from the Managed Care Organization (MCO), Third-Party Administrator (TPA), Risk Manager, health providers, and his/her supervisor.
