

Chronic Absenteeism District

I gathered the information from Data Dashboard. I compared the students attendance rates. If a student did not reach 90% they were deemed chronically absent, per ODE. The percent represents how many students are chronically absent

	FY 2019 (Full Year)	FY 2022 (Full Year)	FY 2023 (Full Year)	FY 2024 (Semester)	Difference
DPS	30.18%	52.10%	50.71%	40.70%	-10.01%

A Green Negative score signifies that the district has reduced the chronic absenteeism in that area.
